

The Country Opinion Survey in Zimbabwe assists the World Bank Group (WBG) in better understanding how stakeholders in Zimbabwe perceive the WBG. It provides the WBG with systematic feedback from national and local governments, multilateral/bilateral agencies, media, academia, the private sector, and civil society in Zimbabwe on 1) their views regarding the general environment in Zimbabwe; 2) their overall attitudes toward the WBG in Zimbabwe; 3) overall impressions of the WBG's effectiveness and results, knowledge work and activities, and communication and information sharing in Zimbabwe; and 4) their perceptions of the WBG's future role in Zimbabwe.
