## INTRODUCTION:

<br><br>

Hello Sir/Ma.

I am from the TNS Nigeria Limited. We are carrying out a global study of what people value in life. This study will interview samples representing most of the world's people. Your name has been selected at random as part of a representative sample of the people in Nigeria. I'd like to ask your views on a number of different subjects. Your input will be treated strictly confidential, but it will contribute to a better understanding of what people all over the world believe and want out of life. Thank you very much for your collaboration.

Q90. Nowadays there's a lot of talk about international organizations. People sometimes say that international organizations should prioritize improving people's lives, even if this may imply that decisions are not made democratically. What do you think should international organizations prioritize, being effective or being democratic? If your views are somewhat mixed, choose the appropriate number in between.

Being effective
