INTRODUCTION

You will find in this report, the objective and purpose of the National Establishment Census (NEC). Area of Assignment, Achievement, problem encountered, conclusion and Recommendation

THE OBJECTIVE

The objective for conducting the National Establishment Census (NEC), in Liberia is to provide information that will help the Government determine their policy direction in line with the impact of the activities of these institutions. It will also provide a frame for National Accounts.

We collected information from these institutions on the following:

- a) Number of working proprietor and partners**
- b) Unpaid (Family) worker**
- c) Paid employee worker**
- d) Nationality**
- e) The name of the company**
- f) Ownership**
- g) Whether unincorporated enterprise**
 - Private Corporation**
 - Public Corporation**
 - Non profit institution**
- h) How much money did the enterprise earn in the last 12 months?**
- i) How much money did you use to start the business**
- j) Year of Establishment**

Achievement Chart

No.	Area cover.	# of Establ	Operating	Temp. closed	Perman. closed	Under Const.	Total Establ.
1	Fish Market	59	58	1	-	-	59
2	Fiamah community	50	50	-	-	-	50
3	ICA Camp	49	48	1	-	-	49
4	United People Community	49	49	-	-	-	49
5	12 th Street	69	69	-	-	-	69
6	Plumkor	60	60	-	-	-	60
7	Central Monrovia	200	200	-	-	-	200
8	Grand Total	536	534	2	-	-	536

The Census was very successful in the area that we covered in Monsterrado County, for the following reasons:

- a) **The Team was able to reach all her assignment area in Sinkor and Central Monrovia.**
- b) **The selected areas of assignment for the Team were places that Establishment is not high.**

This was a very good indicator for this Census.

RECOMMENDATION

I recommend that government should take legal actions against those who will refuse to give information/data to the field worker about there establishment.
