¹ Since the OWS is a complete enumeration survey, sampling errors were not computed. Instead, industry retrieval rates are presented to provide indications on data quality. Retrieval rate refers to the proportion of responding establishments to eligible population in the industry.

^a The data refers to the average monthly wage rate across the selected occupations in selected non-agricultural industries and not to the average monthly wage rate across all occupations in all non-agricultural industries.

Notes: 1. Basic pay refers to pay for normal /regular working time before deductions for employees' social security contributions and withholding taxes. It excludes overtime, night shift differential and other premium pay; commissions, tips and share of employees in service charge; and payment in kind.

2. Allowances refer to regular/guaranteed cash payments. These include living allowance but exclude reimbursements for travel, entertainment, meals and other expenses, etc. incurred in conducting the business of the employer; cost of uniform/working clothes; bonuses and gratuities; family allowances.

3. Unlike the 1997 and 1999 OWS, the data collection for the 2002 survey was limited to establishments in Metro Manila (National Capital Region) due to budgetary constraints.

1 Since the OWS is a complete enumeration survey, sampling errors were not computed. Instead, industry retrieval rates are presented to provide indications on data quality. Retrieval rate refers to the proportion of responding establishments to eligible population in the industry.
