Daily Expenditure - 1

List below and on the following pages details of all items bought or paid for by every household member during the survey month. Enter the details as and when the items are brought into the house so that there are no omissions. This implies that households whose purchases are made on a daily basis must make daily records. Write the name of each item on its own line. Some items such as vegetables, fruits, maize, groundnuts, beans etc. are also obtainable from the informal sector and these are not usually weighed. If this is the case try to give an estimate of the weight of the item. Also indicate the name of outlet where items were purchased, e.g. supermarket, grocery, spaza shop, wholesaler, street vendor etc. If you have any difficulties in completing any part of this form, please ask the enumerator for help on his next visit. Remember you are asked to record all expenditure, however small.
