The data on which this product is based is copyright. Apart from uses permitted under the Copyright Act of 1978, no part of it may be reproduced or copied in any format or by any process, and no reproduction or copy may be sold, without prior permission or licence from Statistics South Africa.

The data contained in this report were gathered in October 1996. Since then, there have been demographic changes in South Africa associated, inter alia, with internal and external migration, and population growth. This means that population profiles may have changed at differing geographic levels. Stats SA is not responsible for any damages or losses, arising directly or consequently, which might result from the application or use of the data gathered as part of the 1996 October household survey.

NOTES

In September 1998, the Central Statistical Service (CSS) changed its name to Statistics South Africa (Stats SA). It is referred to by the new name throughout this product.

A statistical release, based on the data gathered in the 1996 October household survey, can be found on the Stats SA website situated at www.statssa.gov.za
