	Q 11	1 = no residency 2 = lack of employment 3 = insufficient savings 4 = expelled 5 = family reasons 6 = homesick 7 = was not planning to stay away 8 = temporary return 9 = loss of job		10 = flood victim 11 = drought victim 12 = victim of another natural disaster 13 = insufficient agric revenue or low agricult. Employment				

:e

Section 8B. Migration of non-residents (5 years or older)

I would like to ask about the people who lived in this household anytime within the last five years (since September 2004) who are still living, but who no longer live here.

1. Are there any people who were household members within the last five years (since Nov 2004) and are no longer household members because they left the household? Yes =1, No=2 (>> next section)

	1	2	3	4	5	6	7	8	9
Non-resident code	Please list the names of any relatives or others who lived in this household for more than 6 months in the past five years (since November 2004)	gender M1 F2	What is/was [NAME'S] relation to the household head?	How old was [NAME] when he or she left the household? (YEARS)	What was the level of education for [NAME] when he or she left the household?	Where did [NAME] move to? If to somewhere else in Morocco, write the province (U/R), if from abroad, write country	What is the main reason [NAME] left the household? (code the two most important in order of importance)	While [NAME] has been away, has he/she sent remittances in either cash or in kind to the household? Yes=1 No=2	Over the last 12 months, have these remittances: Increased1 Decreased.....2 Stayed the same.....3

- 15= Autre

Section 8C. Migration and Climate Change

To be asked independently of previous answers			
1	2	3	4
During the last 10 years, has any member of your household migrated elsewhere in morocco or abroad, due to insufficient agricultural income or lack of availability of jobs in agriculture?	Did he/she migrate elsewhere in Morocco or Abroad ?	Did he send remittances home?	Were the remittances able to compensate for the loss of agricultural income given by bad climate conditions ?
Yes = 1 no = 2 (>>fin)	Maroc = 1 Some in morocco some abroad =2 All abroad = 3	Yes = 1 no = 2 (>>fin)	Yes = 1 no = 2
