

June 6, 2005

Dear _____:

The FSM Department of Economic Affairs, Division of Statistics in collaboration with the Pohnpei State government will be conducting the 2005 FSM Household Income & Expenditure Survey in your area beginning June 6, 2005 for four weeks and conclude on July 10, 2005.

I am writing to you seeking your cooperation and assistance with the enumerators who will be coming to your home to interview you.

As stated in Public Law 5-77, your answers are **CONFIDENTIAL**. All responses are strictly confidential and only persons who have sworn to uphold the confidentiality of the surveys - **and no one else** - can see your answers.

These results of the survey are important for public and private sector planning. Please help us get quality information.

Thank you,

Johnny P. David
Governor

RADIO ANNOUNCEMENT

The Governor's Office would like to inform the general public that the FSM Department of Economic Affairs, Division of Statistics in collaboration with the Pohnpei State Government, would be conducting a Household Income and Expenditure Survey. The enumeration of this survey will begin on the 6th of June and will conclude on the 10th of July 2005.

Households in the following locations are asked to allow the enumerators to visit their homes and interview them sometime during the enumeration dates (from June 6 – July 10, 2005).

This survey is a sample survey and will ONLY cover selected households in each of the municipalities listed below.

Municipality
