Household Number			
------------------	--	--	--

Date of Interview (dd/mm/yy)			
------------------------------	--	--	--

Start Time (hh/mm)					End Time (hh/mm)				
--------------------	--	--	--	--	------------------	--	--	--	--

SECTION 2: DATA AND INFORMATION ON LIVESTOCK, POULTRY AND OTHER DOMESTIC BUT NON-AGRICULTURAL ANIMALS
2.0.0 Particulars of the Household head/holding

NAME (Write at least two names of the Household head using capital letters)	SEX (1=Male, 2=Female)	AGE (Years Completed)	No. of persons in Household	Legal Status of Holding
---	------------------------	-----------------------	-----------------------------	-------------------------

2.0.1 Are the following livestock currently reared/kept by the Household (Fill in the boxes below with 1=Yes, 2=No)

Cattle	Goats	Sheep	Pigs	Poultry/ Birds	Rabbits	Donkeys/ Horses/ Camels	Dogs/ Cats	Apiary (Bees)
(1)	(2)	(3)	(4)	(5)	(6)	(7)	(8)	(9)

If the response is 1 (YES) for any of the responses in the table above, continue to fill in the questionnaire for the enterprises that are currently undertaken.

If the response is 2 (NO) for ALL the enterprises in the table above, end the interview and move to the next household.

2.1.0 When did you start rearing /keeping livestock? (State the month and the year in the form mm/yyyy) Month: __/__/__ Year: __/__/__/__

2.1.1 For how long has this household been staying in this area consecutively? (State number of years and months) No. of: Years _____ Months _____

2.2.0 Livestock Production Systems and Land Ownership

For which Livestock are the following production systems applied in your household?
(Fill in the blank boxes for questions 1-12 in the table below with 1=Yes, 2=No)

S/No.	Production System	Cattle	Goats	Sheep	Pigs	Poultry	Rabbits	Horses/Camels/ Donkeys	Dogs/Cats
	(1)	(2)	(3)	(4)	(5)	(6)	(7)	(8)	(9)
1.	Zero Grazing								
2.	Tethering								
3.	Communal Grazing								
4.	Intensive								
5.	Semi-Intensive								
6.	Free Range								
7.	Fenced Farm								
8.	Stall fed								
9.	Communal								
10.	Open System								
11.	Confined								
12.	Other (Specify)								
13.	Livestock Shelter/stables/pens/houses								
14.	Main type of labour employed (1=Family, 2=Hired Casual, 3=Hired permanent)								
15.	Main purpose of livestock products (1=Subsistence, 2=Commercial)								
16.	Main Source of water (1=Spring, 2=Swamp, 3=River, 4=Lake, 5=Tap, 6=Borehole, 7=Other)								
17.	Enterprise Ownership (1=Own, 2=Own Partly, 3=Keep for Others)								
18.	Land Ownership (1=Own, 2=Own Partly, 3=Rent, 4=Other)								
19.	Land Tenure (1-Mailo, 2=Leasehold, 3=Freehold, 4=Customary)								

2.2.1 Labour Employed by Source and by Sex

TYPE	MALE		FEMALE	
	Adults	Children	Adults	Children
Family				
Casual (Hired)				
Permanent (Hired)				

2.2.2 Land Use (Excluding Communal Land)

LAND USE	SIZE IN ACRES
Holding Size	
Agricultural Land	
Pasture Planted	
Pasture Natural	
Other Uses	

SECTION 3: LIVESTOCK POPULATIONS

3.1 Cattle Population and Milk Sales

S/No.	Breed	Adults		Yearlings (1 year to before breeding)			Calves		TOTAL
		Bull	Cow	Steers	Bulls	Heifers	Male	Female	
		(1)	(2)	(3)	(4)	(5)	(6)	(7)	(8)
a)	Indigenous								
1.	Ankole Long horned								
2.	Short horn Zebu/Nganda								
3.	Indigenous Sub - Total								
b)	Exotic/Cross Breed								
4.	Dairy - Fresian								
5.	- Guernsey
