<b>Khalea (less than 250 g)</b>		
<b>Saffron (less than 10g)</b>		
<b>Pets feeding (cats, birds and fish...etc) and domestic animals (donkeys, mules...)</b>		

### Section 3:

### Recall Register for a week of current acquisitions (Contd.)

As for the acquired materials whose answers were “Yes” in the previous list, could you provide the following further information?

[illegible]

## **Section 4**

# **Register of Current Daily Acquisitions**

**P. 10**

**Part 1: Day (1)**

A. Could you describe dishes that your family consumed, in the following meals table, since your visit yesterday?

Meal	Dish no.	Dish Description
Breakfast	1	
	2	
Lunch	1	
	2	
	3	
Supper	1	
	2	
	3	
Snack	1	
	2	
Other meals	1	
	2	
	3	

**B- Researcher:**

- 1- Deduct included material in various daily meals based on the description of above-mentioned dishes;
- 2- List all consumed materials during different meals in the first column (Material Type) of the following table (1);
- 3- List all acquisitions and unconsumed materials in tables (1) and (2) at the same day; and
- 4- As for each meals, in the column named "meal", put (1) if you have used any material and (0) if you have not used any material; i.e. Columns from (2) to (6).

**C- Since your visit yesterday, have you obtained the following materials?**

**Insert (x) in the proper place:**

1- Current detergents and maintenance materials: Soap, javel, **cresel**(کریزیل), pesticide, incense, censing and garden maintenance materials...etc.

Yes ☐ No ☐

2- Services related to foodstuff: cooking cost, goods delivery costs...etc.

Yes ☐ No ☐

If the answer was "yes" concerning (question 1 and 2 C), list the concerned material in the table (2).

### Consumed Materials In Daily Meals

### Current acquisitions list

Table 2:

As for the acquired materials (buying, self-consuming, self-providing, gifts or salary) and the materials consumed in the daily meals, register the following information:

051

[illegible]

**P. 13**

### Current acquisitions list (Contd.)

Table 2:

[illegible]

**Part 2: Day (2)**

A. Could you describe dishes that your family consumed, in the following meals table, since your visit yesterday?

Meal	Dish no.	Dish Description
Breakfast	1	
	2	
Lunch	1	
	2	
	3	
Supper	1	
	2	
	3	
Snack	1	
	2	
Other meals	1	
	2	
	3	

**B- Researcher:**

- 1- Deduct included material in various daily meals based on the description of above-mentioned dishes;
- 2- List all consumed materials during different meals in the first column (Material Type) of the following table (1);
- 3- List all acquisitions and unconsumed materials in tables (1) and (2) at the same day; and
- 4- As for each meals, in the column named "meal", put (1) if you have used any material and (0) if you have not used any material; i.e. Columns from (2) to (6).

**C- Since your visit yesterday, have you obtained the following materials?**

**Insert (x) in the proper place:**

1- Current detergents and maintenance materials: Soap, javel, **cresel**(کریزیل), pesticide, incense, censing and garden maintenance materials...etc.

Yes ☐ No ☐

2- Services related to foodstuff: cooking cost, goods delivery costs...etc.

Yes ☐ No ☐

If the answer was "yes" concerning (question 1 and 2 C), list the concerned material in the table (2).

### Consumed materials in daily meals

[illegible]

### Part 3: Day (3)

A. Could you describe dishes that your family consumed, in the following meals table, since your visit yesterday?

Meal	Dish no.	Dish Description
Breakfast	1	
	2	
Lunch	1	
	2	
	3	
Supper	1	
	2	
	3	
Snack	1	
	2	
Other meals	1	
	2	
	3	

#### B- Researcher:

- 1- Deduct included material in various daily meals based on the description of above-mentioned dishes;
- 2- List all consumed materials during different meals in the first column (Material Type) of the following table (1);
- 3- List all acquisitions and unconsumed materials in tables (1) and (2) at the same day; and
- 4- As for each meals, in the column named "meal", put (1) if you have used any material and (0) if you have not used any material; i.e. Columns from (2) to (6).

C- Since your visit yesterday, have you obtained the following materials?

Insert (x) in the proper place:

1- Current detergents and maintenance materials: Soap, javel, **cresel**(کریزیل), pesticide, incense, censing and garden maintenance materials...etc.

Yes ☐ No ☐

2- Services related to foodstuff: cooking cost, goods delivery costs...etc.

Yes ☐ No ☐

If the answer was "yes" concerning (question 1 and 2 C), list the concerned material in the table (2).

### Consumed materials in daily meals
