Kind of disaster: \_\_\_\_\_

We understand that if we provide an untruthful reference letter we are taking part in wrongly allocating government subsidy to a household that is not eligible, thus taking away from those who are truly needy; and we will be responsible for that.

We understand that this reference letter does not grant instant enrollment in Program Keluarga Harapan to the household mentioned above, it will only allow the applicant to follow the interview process.

Signed,

Applicant

Village head,
