**Social Economic Survey of Indonesian Household**

Oral informed consent form for adult participating in household survey - English

My name is \_\_\_\_\_, and I am a surveyor with the Social Economic Study of Indonesian Household. This research is being conducted by Survey Meter working in cooperation with the Indonesian Government's Central Statistics Bureau.

As part of this research, we would like to conduct an interview with you. You were selected for this interview based on a random lottery. This interview is not compulsory, and if you choose to continue with the interview, you can choose not to respond to any or all of the questions we ask. All of your responses will be used for research purposes only, and are guaranteed to be kept confidential. Your name and your answers will not be disclosed to anyone.

The length of this interview is approximately one and a half hours. We apologize for the time it will take and for any interruption this may cause. As compensation, we will give you a gift of Rp15,000.00 at the completion of the interview. To the best of our knowledge, there are no risks to you associated with participating in this research. Other than the gift, you will not receive any other personal benefits from participation in the survey, although the results of this research will be used to help improve statistical research throughout Indonesia.

Do you understand this explanation? If so, may we continue the interview?

If you feel you have been treated unfairly, or you have questions or concerns you may contact Survey Meter, Jln. Babadan gg. Kartika VII no 99 Yogyakarta.

**ORAL CONSENT OF RESEARCH SUBJECT OR LEGAL REPRESENTATIVE**

I understand the procedures described above. My questions have been answered to my satisfaction, and I agree to participate in this study. I have been given a copy of this form.
