..... 2008

Head of Rural/Urban Village

\_\_\_\_\_  
Name and Stamp of Rural/Urban Village

PODES08-KOR

- Please complete these questions following a real interview. Please do not copy from a monography or administrative notes of a rural/urban village
- Please begin each interview with real understanding that Podes data is important information for the development of your nation and country
- All questions that does not provide time reference means that they refer to conditions at the time of census.

GENERAL INFORMATION RURAL/URBAN VILLAGE				
301	Administrative status Rural village -1    Nagari -3 Urban village -2    Others -4			
302	Urban/Rural Village Representative Body Available    1    Not available    2			
303	Local neighborhood unit (SLS) below rural/urban village/Nagari (sort from smallest unit)			
	SLS level	SLS name	SLS code *)	SLS number
	(1)	(2)	(3)	(4)
	Level 1 (smallest unit)			
	Level 2			
	Level 3			
	Level 4			
	*) Code for Column (3) RT    -1    Korong    -4    Banjar    -7 RW    -2    Kampung    -5    Dusun    -8 Jorong    -3    Lingkungan    -6    Others    -9			
304	a. Geographical location of the rural/urban village Coastal area    -1    Non coastal area    -2  b. If R304a=1, length of beach: <1km    -1    1-5km    -2    >5km    -3  c. If R304a=2, area topography: - Valley/Watershed    -1 - Slope/Ridge of a hill    -2 - Plains    -3  d. Height above sea level    ..... meter			
305	This rural/urban village is located: Within a forest    -1    At the edge/around a forest    -2    Outside a forest    -3			

IV. DEMOGRAPHY AND MANPOWER		
401	Population and family: a. Number of male population    ..... persons b. Number of female population    .....persons c. Number of families    .....persons d. Percentage of farmer households    ..... percent e. Number of families whose members are land laborers    ..... family	a. b. c. d. e.
402	Main source of income of most population: Agriculture    -1 Mining and quarry    -2 Processing industry    -3 Major commercial trade/retail, restaurant    -4 Delivery, Warehouse, Communications    -5 Services    -6 <div style="display: inline-block; vertical-align: middle; margin-left: 10px;">             } R404           </div>	

	Others (Gas, Power, Banking, etc.)	-7	
403	If R402=1, commodities/subsector of main source of income of majority of population:		
	Paddy	-1	Cacao -7 Wild/capture fisheries -13
	Crops	-2	Coconut -8 Fish farming -14
	Horticulture	-3	Pepper -9 Forestry -15
	Rubber	-4	Cloves -10 Others _____ -16
	Palm oil/Palm plantation	-5	Tobacco -11 Please write down
	Coffee	-6	Animal farm -12
404	a. Population working as migrant workers abroad:		
	Yes	-1	No -2
	b. If R404a=1, number of migrant workers ..... persons		

	VA. HOUSING AND ENVIRONMENT									
501	<p>a. Households using electricity: Yes    -1    No    -2    -→R502</p> <p>b. If 501a=1, number of households using electricity</p> <table><tr><td>1. State Power Company (PLN)</td><td>..... families</td><td rowspan="2">} Check with R401c</td></tr><tr><td>2. Other than PLN</td><td>..... families</td></tr></table>	1. State Power Company (PLN)	..... families	} Check with R401c	2. Other than PLN	..... families				
1. State Power Company (PLN)	..... families	} Check with R401c								
2. Other than PLN	..... families									
502	<p>Street lights of main streets in a rural/urban village: Yes                -1                No                -2    -----→ R503</p> <p>b. If R502a=1 they are:</p> <p>Electricity is managed by the government    -1                No electricity    -2</p> <p>Electricity is not managed by the government    -2</p>									
503	<p>Fuel used by majority of households to cook:</p> <table><tr><td>City gas/LPG</td><td>-1</td><td>Firewoods</td><td>-3</td></tr><tr><td>Kerosene</td><td>-2</td><td>Others (coal, charcoal)</td><td>-4</td></tr></table>	City gas/LPG	-1	Firewoods	-3	Kerosene	-2	Others (coal, charcoal)	-4	
City gas/LPG	-1	Firewoods	-3							
Kerosene	-2	Others (coal, charcoal)	-4							
504	<p>a. Garbage bins of local rural/urban villagers:</p> <p>Garbage bins, then taken by garbage trucks/garbage service -1</p> <p>Garbage pit, then garbage is burned -2</p> <p>River -4</p> <p>Others (please write down) -8</p> <p>b. Most people dispose their garbage to (please choose one circled in option R504a)</p> <p>c. A temporary disposal site (TPS) in the urban/rural village:</p> <p>Yes        -1                No        -2</p>									
505	<p>Toilet of most households:</p> <table><tr><td>Own toilet</td><td>-1</td><td>Public toilet</td><td>-3</td></tr><tr><td>Communal/Shared toilet</td><td>-2</td><td>Non toilet</td><td>-4</td></tr></table>	Own toilet	-1	Public toilet	-3	Communal/Shared toilet	-2	Non toilet	-4	
Own toilet	-1	Public toilet	-3							
Communal/Shared toilet	-2	Non toilet	-4							
506	<p>a. River that passes through the rural/urban village: Yes        -1                No        -2</p> <p>b. If R506a=1, river water is used for:</p>									

	1) Bathing/washing                      Yes   -1                      No   -2 2) Drinking                                      Yes   -3                      No   -4 3) Drinking water supply                      Yes   -5                      No   -6 4) Irrigation                                      Yes   -7                      No   -8 5) Industry/manufacture                      Yes   -1                      No   -2 6) Transportation                              Yes   -3                      No   -4 7) Others                                      Yes   -5                      No   -6	
507	a. Families living on river embankment: Yes                      -1                      No                      -2        ----> R508  b. If R507a=1, 1) Number of households                      ..... families ---> Check with R401c 2) Number of houses                      ..... unit	
508	a. Families living under high voltage power lines (>500 KV): Yes                      -1 No                      -2 No high voltage power lines                      -3  b. If R508a=1 1) Number of families                      ..... families -> Check with R401c 2) Number of houses                      .....unit	
509	a. Slum area                      Yes   -1                      No                      -2        ----> R510 b. If R509=1, 1) Number of location:                      ..... location 2) Number of houses:                      ..... unit 3) Number of families:                      ..... families ---> check with R410c	
510	Environmental pollution within the past one year	
	Types of pollution	Yes   -1 No   -2
		Source of pollution If Column (2) = 1 Main source of pollution Household waste   -1 Manufacturing/industrial waste                      -2 Other wasates                      -3 If answer is coded 3, please write it down
		Complaints to Head of village Yes   -1 No   -2
	(1)	(2)
	(3)	(4)
	a. Water b. Soil c. Air d. Noise	
511	a. Land/field burning within the past one year Yes                      -1                      No                      -2 b. If R511a=1, the size of land being burned                      ..... Ha	
512	Location of C-type quarry in the urban/rural village (stones, sands, etc.) Yes   -1                      No                      -2	

VB. DISASTER and DISASTER RESPONSE			
513	Disasters within the past three years that caused damages:		
	Types of disasters	Yes   -	If Column (2) = 1

		1 No -2				
			Number of disaster	The year of disaster's peak	Casualties	Material losses (in million Rupiah)
	(1)	(2)	(3)	(4)	(5)	(6)
	a. Landslides b. Floods c. Flash floods d. Earthquake e. Earthquake with Tsunami f. Rising tides g. Cyclone/Typhoon h. Volcano eruption i. Forest fire					
514	If any answer in R513 Column (2) is coded "1", source and types of disaster aid					
	Source of aid	Yes -1 No -2	If Column (2)=1 main source of aid *)		Most involved donors (Please fill in with any code from Column (1) )	
	(1)	(2)	(3)		(4)	
	01. Community 02. Village government 03. City/district government 04. Provincial government 05. Central government 06. Political party 07. NGO (domestic) 08. Mass media 09. Community organization/community groups/religious group 10. Foreign source 11. Others _____ (plesae write down)					
	*) Code for Column (3) Emergency tents -1      Food/drinks -3      Public/open kitchen -5      Others -7 Rubber boats -2      Clothing -4      Free medical service -6					
515	a. What measures have been taken/already available in the rural/urban village to anticipate natural disaster: 1. Early warning system (for villages prone to tsunami) 2. Emergency kits (rubber boats, tents, masks, etc.) 3. Communal work 4. Disaster mitigation (including disaster simulation)		Yes -1    No -2  Yes -3    No -4  Yes -5    No -6 Yes -7    No -8			

	5. Others _____ (please write down)	Yes -1 No -2	
	b. If any answer in R515a is coded as odd number, the source of aid to anticipate natural disaster comes from		
	1. Community	Yes -1 No -2	
	2. Village government	Yes -3 No -4	
	3. City/district government	Yes -5 No -6	
	4. Provincial government	Yes -7 No -8	
	5. Central government	Yes -1 No -2	
	6. Political party	Yes -3 No -4	
	7. NGO (domestic)	Yes -5 No -6	
	8. Mass media	Yes -7 No -8	
	9. Community organization/community groups/religious group	Yes -1 No -2	
	10. Foreign source	Yes -3 No -4	
	11. Others _____ (please write down)	Yes -5 No -6	

VI. EDUCATION AND HEALTH				
601	Education	Number of schools		If Column (2)=0 and Column (3)=0, distance to closest school (km)
		Public	Private	
	(1)	(2)	(3)	(4)
	a. Kindergarten/similar level b. Primary school/similar level c. Junior high school/similar level d. High school/similar level e. Vocational high school f. College/university/similar level g. School for Different Abilities h. Islamic boarding school i. Islamic school (Madrasah Diniyah) j. Catholic boarding school/similar school			
602	Vocational institution in the village			
	Types of vocations	Yes -1	No -2	If Column (2)=1, number
	(1)	(2)		(3)
	a. Foreign language b. Computer c. Tailor/Fashion d. Beauty class e. Mechanics (car/motorbike) f. Electronics g. Others _____ (please write down)			
603	a. Literacy eradication within the past three years			

	Yes -1      No -2  b. Early Childhood Education Post Yes -1      No -2  c. Community library Yes -1      No -2				
604	Health facility	Yes -1 No -2	If Column (2)=1, Number	If Column (2)=2	
				Distance to closest health facility	Level of ease to reach Very easy -1 Easy -2 Difficult -3 Very difficult -4
	(1)	(2)	(3)	(4)	(5)
	a. Hospital b. Maternity hospital c. Polyclinics d. Community health post e. Supporting health post f. Medical doctor practice g. Midwife practice h. Village-level health post i. Village clinics j. Pharmacy k. Medicine store/herbal store				
605	Activities in Supporting health post (Posyandu) within the past year (If R604j Column (2)=1) a. Supporting health post activities All active -1 Some active -2 None active -3 ---→R606  b. If R506a=1 or 2, it is held every: Month -1      More than one month -2				
606	Medical professional living in this village a. 1. Male doctor: ..... person 2. Female doctor: ..... person b. Dentist: ..... person c. Midwife: ..... person d. Other medical professional (Registered nurse/mantri kesehatan): .... person e. Traditional baby shaman (Dukun bayi): ..... person				
607	Epidemy in the past one year	Yes -1 No -2	If Column (2)=1		
			Number of patients	Number of deaths	
	(1)	(2)	(3)	(4)	
	a. Diarrhoea b. Dengue fever				

	c. Measles d. Acute respiratory infection e. Malaria f. Avian flu g. TBC h. Others _____ (please write down)			
608	Number of malnutrition in the past three years ..... person			
609	Number of families receiving Card of Insurance for the Poors (Askeskin) within the past one year ..... person			
610	Number of poverty certificate (SKTM) released by the village in the past one year ..... certificate			
611	Have you been heard of and knew about "Desa Siaga" (Alert Village)? Yes -1      No -2			
612	a. Water for drinking and cooking are taken from: Water utilities/bottled water -1      River/lake -5 Electric pumps/hand pumps -2      Rain water -6 Wells -3      Others _____ (please write down) Spring water -4  b. People in this villagers buy water for drinking and cooking: Yes -1      No -2			
VII. SOCIAL CULTURE				
701	Religion/faith of this village Islam -1      Catholic -4      Buddha -16      Others -64 Christian -2      Hindu -8      Konghucu -32 (if there is only one religion, go to R703)			
702	The main religion/faith of this village (please choose one circled answer in R701)			
703	Number of places of workshop: a. Mosque ..... unit b. Small mosque ..... unit c. Christian church ..... unit d. Catholic church ..... unit e. Hindu temple ..... unit f. Buddhist temple ..... unit			
704	Community institution/organization			
	Types of community institution	Existence Yes -1      No -2	Activity Yes -1      No -2	
	(1)	(2)	(3)	
	1) Koran study group 2) Bible study group/Church mass group 3) Funeral service 4) Non profit organization			
705	People with Different Abilities			
	Types of disabilities	Existence Yes -1      No -2	If Column (2)=1, number of people	

	(1)	(2)	(3)
	a. Visual impairment b. Hearing impairment c. Speech impairment d. Hearing and speech impairment e. Paraplegia f. Mental disability g. Socially-challenged h. Leprosy i. Multiple diffabilities		
706	People in this village who gambles (chicken fight, lottery, and such) Many -1      Some -2      None -3		
707	People in this village who are of more than one ethnic origin Yes -1      No -2		
708	Ethnic majority of this village: .....		Filled in by the supervisor

	VIII. ENTERTAINMENT AND SPORTS		
801	a. Cinema      Yes -1      No -2 b. If R801a=2, distance to the closest cinema: ..... km		
802	a. Pub/discotheque/karaoke      Yes -1      No -2 b. If R802a=2, distance to the closest pub/discotheque/karaoke: ..... km		
803	Sports		
	Types of sports	Field	Activity group
	(1)	(2)	(3)
	a. Soccer b. Volley ball c. Badminton d. Basketball e. Indoor tennis f. Swimming g. Table tennis h. Martial arts	Yes -1      No -2 Yes -3      No -4 Yes -5      No -6 Yes -7      No -8 Yes -1      No -2 Yes -3      No -4 Yes -5      No -6 Yes -7      No -8	Yes -1      No -2 Yes -3      No -4 Yes -5      No -6 Yes -7      No -8 Yes -1      No -2 Yes -3      No -4 Yes -5      No -6 Yes -7      No -8

	IX TRANSPORTATION, COMMUNICATION, INFORMATION			
901	Transportation facilities and infrastructure between villages			
	a. Traffic from one village to another Land -1      Land and water -3 Water -2 --→R902 b. If R901a=1 or 3 1. Type of longest road: Asphalt/concrete -1      Soil -3 Hardened (stones, gravels) -2      Others____ (please write down) -4 2. Can four-wheel ed or more vehicle drive through the road all year long? Yes -1      No -2			
902	Distance, time of travel and type of public transport			
	From village to:	Distance	Time of	Public transport used

		(km)	travel with fastest vehicle	Type of public transport	Main public transport
	(1)	(2)	(3)	(4)	(5)
	Sub-district capital City/district capital Other closest city/district				
	*) Code for Column (4) and Column (5) Rickshaw, horsecart -1      Boats without motor -16 Motorbike taxi -2      Motorboats -32 Tri-wheeled vehicle -4      Plane -64 Four-wheeled vehicle or more -8      Others -128				
903	Number of households subscribing to cabled telephone service: ..... households				
904	Active public telephone booths    Yes -1    No -2				
905	Telecommunication kiosks/telephone kiosks/Tourism, post and telecommunication kiosks      Yes -1    No -2				
906	Internet cafe      Yes -1    No -2				
907	Post office/supporting post office    Yes -1    -→ R908    No -2				
908	Mobile postal service      Yes -1    No -2				
909	TV program received in the village (without satellite dish/cable TV): a. TVRI      Yes -1    No -2 b. Domestic private TV    Yes -3    No -4 c. Foreign TV      Yes -5    No -6 d. Local TV      Yes -7    No -8				
910	Cellular telephone signal in this urban/rural village Yes, strong -1      Yes, weak -2      None -3				

	X. LAND USE	
1001	The size of the rural/urban village (R1002a+R1002b+R1002c): .... ha	
1002	Land use structure: a. Rice fields 1. Technical irrigated land: .....ha 2. Non-technical irrigated land: .....ha 3. Non-irrigated land: .....ha b. Non-rice fields land (fields, fish farm, orchards, community forest, farm, etc.) .....ha c. Non-agricultural land (industry, housing, office, shops, etc.) .....ha	
1003	a. Agricultural land conversion into non-agricultural (industry, housing, office, shop, etc. ) in the rural/urban village in the past 3 years Yes -1      No -2 b. If R1003a=1, usually the conversion takes place from agricultural land to: Housing -1      Shops -3      Others _____ (please write down) -5 Industry -2      Office -4	

	XI. ECONOMY	
1101	Agricultural product kiosk a. Owned by Village Cooperative Unit (KUD) ..... unit b. Owned by Non KUD ..... unit	
1102	Small industry (5-19 workers) and Home industry (1-4 workers) a. Leather industry : ..... unit b. Wooden industry : ..... unit c. Metal/precious metal industry : ..... unit d. Weaving industry : ..... unit e. Earthenware/ceramics industry : ..... unit f. Weaving industry : ..... unit g. Food and drinks industry : ..... unit h. Others (please write down) : ..... unit	
1103	a. Retail/shop group Yes -1 -> R1104 No -2 b. If R1103a=2, distance to closest shopping area: ..... km	
1104	a. Market with permanent/semi permanent building: Yes -1 -> R1105 No -2 b. If R1104=2, distance to closest market: .....km	
1105	Market without building ..... unit	
1106	Mini market ..... unit	
1107	Restaurant ..... unit	
1108	Diners/food joints ..... unit	
1109	Small grocery shop ..... unit	
1110	Hotel ..... unit	
1111	Hostel/motel/inn ..... unit	
1112	Number of cooperatives ..... unit a. Village Cooperative Unit (KUD) ..... unit b. Small Industry and Community Handicraft Cooperative ..... unit c. Saving and Lending Cooperative (Credit Union) ..... unit d. Other Non KUD Cooperative ..... unit	
1113	Credit facilities accepted by the people in the village within the past one year: a. Food security credit Yes -1 No -2 b. Small bussiness credit Yes -3 No -4 c. Home ownership credit Yes -5 No -6 d. Other credit (please write down) Yes -7 No -8	

XII SECURITY						
1201	a. Has there been any mass fighting in the past one year? Yes   -1                      No    -2 ->R1203  b. Type of mass fighting and its losses in the past one year:					
	Type of Fighting	Number of incidents	If Column (2) ≥ 1			Main cause (Code)
			Victim			
			Died	Injured	Material losses (in million Rupiah)	
	(1)	(2)	(3)	(4)	(5)	(6)
	a. Fighting between community groups b. Fighting between rural/urban villages c. Fighting between community and security officers d. Fighting between community and government staff e. Fighting among students/university students f. Fighting between tribes/ethnics g. Others (please write down)					
	*) Code for Column (6) Treasure                      -1                      Sports                      -5 Power/Authority            -2                      Crowds/show           -6 Women                        -3                      Others                     -7 Difference in ideology/faiths   -8					
1202	a. Mass fighting that happens most often (biggest number in Column (2) R1201b), can it be resolved? Yes   -1                      No    -2  b. Initiator/mediator of the conflict is: Community leader        -1                      Government staff -4    Others    -16 Religious leader           -2                      Security officer -8    None    -00					
1203	a. Type of crime in the past one year:					
	Type of crime	Yes   -1	No	If Column (2)=1 or crime tends to be		

		-2	Lower than last year: Lower -1 The same -2 Higher -3	
	(1)	(2)	(3)	
	01. Theft 02. Robbery 03. Looting 04. Assault/violence 05. Arson 06. Rape 07. Drug abuse 08. Illegal drug dealing 09. Murder 10. Human trafficking 11. Others (please write down)			
	b. If any answers in R1203a Column (2) is coded 1, the type of crime that happens the most (code is taken from details in R1203 Column (1) )			
1204	Is there an agent looking for migrant workers in this village? Yes -1 No -2			
1205	Prostitution area Yes -1 No -2			
1206	Efforts of local citizen to keep their neighborhood safe in the past one year: a. Building neighborhood watch post Yes -1 No -2 b. Forming neighborhood watch group Yes -3 No -4 c. Adding the number of security personnel Yes -5 No -6 d. Checking on every outside visitor Yes -7 No -8 e. Others (please write down) Yes -1 No -2			
1207	Neighborhood watch facility	Yes -1 No -2	If Column (2)=2	
			Closest distance (km)	Level of ease to reach the facility Very easy -1 Easy -2 Difficult -3 Very difficult -4
	(1)	(2)	(3)	(4)

	a. Security guard post b. Police post			
1208	a. Number of security guards: ..... person b. Number of village security support (Babinsa): ..... person c. Number of police: ..... person			

## XII VILLAGE AUTONOMY AND POVERTY ERADICATION PROGRAM

If Block III of Details 301 is coded 2 or 4 (village administration status or others) please go to R1302

1301	Financial source of the village and its use in 2007			
	Source	Type of PAD/PAN/aid: Money -1 Goods & service -2 Money, goods & service -3 None -4	If Column (2) is coded 1, 2 or 3 Value of PAD/PAN/aid (in million Rp) Use*)	
	(1)	(2)	(3)	(4)
	1. PAD/PAN 2. Aid: a. City/district government b. Provincial government c. Central government d. Foreign e. Private f. Others (please write down)			
	*) Code for Column (4) Routine expenses -1      Road/bridge construction -16 Posyandu activities -2      Other physical construction -32 Sports activities -4      Economy empowerment for the villagers -64 Place of worship construction -8      Others -128			
1302	Program/poverty eradication efforts (other than PNPM) such as P2KT, PPK, BLT, PKH, Raskin and ASKESKIN) in the past 3 years, that has been implemented in the village using funding from outside the village:			
	Program/activities	Yes -1 No -2	If Column (2) = 1	
			Donor institution *)	Beneficiaries **)
	(1)	(2)	(3)	(4)
	a. Skill training b. Capital for nonagricultural			

	business c. Food for work d. Agricultural business aid e. House renovation program f. Community rehabilitation program g. Slum area rehabilitation program h. Others (please write down			
	<div> <div> *) Code for Column (3)  District head -1  Department office at city/district -2  Provincial government -3  Central government -4  Others -5 </div> <div> **) Code for Column (4)  Only poor people -1  Smallholder farmers -2  Farmers (in general) -4  Villagers (in general) -6  Community business group -16 </div> </div>			
1303	Program to help poor community that purely initiated by the village (self-funded by the village) in the past 3 years: a. Food for work, where the poor people participated Yes -1 No -2 b. Business capital aid Yes -3 No -4 c. Agricultural seeds aid Yes -5 No -6 d. Others (please write down) Yes -7 No -8			

XIV. REMARKS OF VILLAGE OFFICERS					
1401	Village officers	Yes -1 No -2	If Column (2) =1		
			Age	Gender Male -1 Female -2	Education *) Highest completed
	(1)	(2)	(3)	(4)	(5)
	a. Head of Village b. Village secretary c. Head of Village representative body d. Head of Village Government Institution
