Section 00 Geographic Orientation			
Reading 1 – select a central location in the village/community the community questionnaire focuses on			
0.31	Number of satellite signals received(must be 3 or more, preferably more)		_ satellite signals
0.32	Accuracy (should be 50 meters or less)		_ _ meters
0.33	Latitude	N or S (circle one)	_ _ _ _ . _ _ _ _ _ _ _ _
0.34	Longitude	E or W (circle one)	_ _ _ _ . _ _ _ _ _ _ _ _
0.35	Elevation	_ _ _ _ meters	
0.36	Waypoint- describe location		
Reading 2 – take a second reading within 20 meters of the first reading			
0.41	Number of satellite signals received(must be 3 or more, preferably more)		_ satellite signals
0.42	Accuracy (should be 50 meters or less)		_ _ meters
0.43	Latitude	N or S (circle one)	_ _ _ _ . _ _ _ _ _ _ _ _
0.44	Longitude	E or W (circle one)	_ _ _ _ . _ _ _ _ _ _ _ _
0.45	Elevation	_ _ _ _ meters	
0.46	Waypoint- describe location		

SECTION 1 – DEMOGRAPHICS:			
1.1	What is the estimated number of people currently living in this community?	Persons	
1.2	What is the estimated number of dwellings/ houses in this community?	Dwellings/ Houses	
1.3	What is the gender distribution in this community? Use percentage.	Gender	
		a	Male
		b	Female
1.4	What is the religious distribution within this community? Use percentage.	Religion	
		a	Christianity
		b	Islam
		c	Traditional
		d	No religion
		e	Other
SECTION 2 – SOCIOECONOMIC INFORMATION AND INFRASTRUCTURE:			
2.1	What is the percentage of poor, moderate and rich households in this community?	Income/Wealth	
		a	Low/ Poor
		b	Middle/ Moderate
		c	High/ Rich
2.2	What are the three main activities in which the majority of people in this community are engaged in to obtain income and/or food? Rank by order of importance (1 being the most important). Use codes below.		
	Rank	2.2a Activity	2.2b What percentage of the people in the community is involved in each activity?
	1	_____	_____%
	2	_____	_____%
	3	_____	_____%
Livelihood source codes			
Agriculture, Fishing, Livestock, etc.		Supported	
01	Food crop production (including home gardening)	41	Receiving support from family/friends in Ghana
02	Cash crop production	42	Begging on the street
03	Fishing/fish processing/selling of fish/fishfarming	43	Pension
04	Livestock production/Animal husbandry/poultry	44	Receiving support from family/friends outside Ghana
05	Agricultural wage labour	45	Assistance from Gov't/NGO/UN/Church, etc.
06	Beekeeping	Regular Employment	
07	Mushroom production	51	Employment in private or public company, enterprise
08	Snail rearing/collecting	52	Self-employed (taxi driver, carpenter, etc.)
09	Trapping/hunting	53	Service Sector (waiter/waitress, sales men/woman)
Creative		54	Government employment
10	Artisanry (basked weaving; batik making, etc.)	55	Religious (preacher, Imam, etc.)
11	Tailor/ fashion design	56	Skilled labour
12	Hairdressing	57	Work for UN/NGO/Int'l org.
Trading, Commerce, Selling		Other	
21	Petty trade, street vending	61	Mining (gold, diamond, iron, etc.)
22	Selling of firewood/charcoal	62	Rubber tapping
23	Commercial trading	63	Kayayee
24	Sales of fruits, vegetables	64	Unskilled/casual labour (e.g. construction, housemaid work, sweeping)
25	Sales of prepared meals (e.g. kenkey, "fast food")	65	Salt winning
26	Shop owner	66	Renting out land
27	Baker (bread, pastry)	67	Renting out rooms/apartments/houses (owner)
Food processing			
31	Food processing, agricultural product transformation (shea butter, palm oil, milling, etc.)	88	Other _____
31	Palm wine tapper	99	No other activity
33	Local Brewery (Pito, Akpeteshie, etc.)		

2.3	2.3a Does any household in this community own any of the following items/services? Please insert as appropriate. 1 = Yes 2 = No → skip to next asset		2.3b If yes, how many households within the community own the following items/services? If the number of households is unknown, please enter "UN" and skip to (c) for percentage.		Do not answer if number of households is already recorded in 2.3b 2.3c What is the percentage of households in this community that own these items/services? %										
	1	Generator/Inverter	_ _	_ _	_ _	_ _									
	2	Boat without motor	_ _	_ _	_ _	_ _									
	3	Boat with motor	_ _	_ _	_ _	_ _									
	4	Car/truck	_ _	_ _	_ _	_ _									
	5	Bicycle	_ _	_ _	_ _	_ _									
	6	Electricity	_ _	_ _	_ _	_ _									
	7	Radio	_ _	_ _	_ _	_ _									
	8	Television	_ _	_ _	_ _	_ _

	10	Mobile phone	_ _	_ _	_ _	_ _									
	11	Computer	_ _	_ _	_ _	_ _									
2.4	Does a motorable road pass by this community?		1 Yes → skip to Q 2.5	2 No											
2.4a	If not, how far from this community is the next motorable road? Please answer in minutes walking AND kilometers, if possible.		Kilometres	Insert the means of transportation and indicate the minutes it takes to get there and back? Means of Transport Codes: 1 = walking 2 = car/bus/motorbike 3 =bicycle											
			_ _ km	_ _	Minutes										
2.5	Was the motorable road that reaches (or passes near) this community not accessible/ passable at any point over the last 12 months?		1 Yes	2 No → skip to Q. 2.6	3 Don't know → skip to Q. 2.6										
2.5a	If so, please indicate when the road was not accessible over the past 12 months? Circle all that apply														
	Nov 2007	Dec 2007	Jan 2008	Feb 2008	March 2008	April 2008	May 2008	June 2008	July 2008	Aug 2008	Sept 2008	Oct 2008	Nov 2008	Always	Never
2.6	Is there a market in this community? Circle one.		1 Yes → skip to Section 3	2 No											
2.6a	If there is no market in the community, how far away is the nearest one (round trip, there and back)? Please answer in minutes walking AND kilometers, if possible.		Kilometres	Insert the means of transportation and indicate the minutes it takes to get there and back? Means of Transport Codes: 1 = walking 2 = car/bus/motorbike 3 =bicycle											
			_ _ km	_ _	Minutes										

SECTION 3 – WORKING POPULATION MIGRATION													
3.1	Over the past 12 months, have there been members of this community who LEFT to work (or look for work) elsewhere for 3 months or more continuously?				1	Yes	2	No → skip to Q. 3.5	3	Don't Know → skip to Q. 3.5			
3.2	If yes, please indicate the age and gender of the majority of people who LEFT this community to work (or look for work) elsewhere for 3 months or more continuously. Please circle as appropriate												
	1	Young men (approx. 15 – 29 years old)			3	Adult men (approx. 30-59 years old)							
	2	Young women (approx. 15 – 29 years old)			4	Adult women (approx. 30-59 years old)							
3.3	Where did the majority of them migrate to? Please circle one.												
	1	Another village in Ghana			2	Another town/ city in Ghana			3	Another country			
3.4	Do they generally send back any support to their families in the community? Circle one.				1	Yes		2	No		3	Don't Know	
3.5	Over the past 12 months, have any people ARRIVED from outside this community to work here (or look for work) for 3 months or more continuously? Circle one.				1	Yes		2	No → skip to Section 4		3	Don't Know → skip to Section 4	
3.6	If yes, please indicate the age and gender of the majority of people who ARRIVED in this community to work (or look for work) for 3 months or more continuously. Please circle as appropriate												
	1	Young men (approx. 15 – 29 years old)			3	Adult men (approx. 30-59 years old)							
	2	Young women (approx. 15 – 29 years old)			4	Adult women (approx. 30-59 years old)							
3.7	Where did the majority of people migrate from? Please circle one.												
	1	Another village in Ghana			2	Another town/ city in Ghana			3	Another country			

SECTION 4 – FOOD SECURITY																
4.1	How many meals a day do people typically eat in this community? Circle one.							1	1 time a day		2	2 times a day		3	3 or more times a day	
4.2	Is there a period during the course of a normal year, when it is difficult for households in this community to get enough food? Circle one.				1	Yes		2	No → skip to question 4.3		3	Don't know → skip to question 4.3				
4.2a	If yes, which are the month(s) during which it is generally difficult for households in this community to get enough food? Circle all that apply															
	Jan	Feb	March	April	May	June	July	Aug	Sept	Oct	Nov	Dec	Always			
4.3	Over the past 12 months, was there a period in which it was difficult for households in this community to get enough food? Circle one.				1	Yes		2	No → skip to question 4.4							
4.3a	If yes, during which months was it difficult for households in this community to get enough food? Circle all that apply															
	Nov 2007	Dec 2007	Jan 2008	Feb 2008	March 2008	April 2008	May 2008	June 2008	July 2008	Aug 2008	Sept 2008	Oct 2008	Nov 2008	Always	Never	
4.4	Would you say that more, less or the same number of households have access to enough food compared to 12 months ago? Circle one.				1	More		2	Less		3	Remained the same → skip to Section 5				

4.4a	What are the reasons for the change?
------	--------------------------------------

SECTION 5 – HEALTH

5.1	Would you say the health conditions of adults and children under 5 years in your community have improved or gotten worse over the past 12 months? Circle one for adults and children.						
5.1a	Adults	1	Improved	2	Worsened	3	Remained the same
5.1b	Children under 5 years:	1	Improved	2	Worsened	3	Remained the same

5.2	What percentage of people would you estimate are CURRENTLY affected by each of the following health conditions?	Health Conditions					%
		a	Fever, chills, and muscle aches (Malaria)				____%
		b	Chronic illness lasting for at least 3 months				____%
		c	Acute watery diarrhea				____%
		d	Rapid onset coughing with difficulty breathing and fever among children (Acute respiratory infection, pneumonia)				____%
		e	Fever, a generalized rash that lasts greater than three days (Measles)				____%
		f	Disability				____%

5.3	How many children under 5 years of age have died in the community (during birth and/or later) over the past 12 months? _____
-----	--

5.4	To better understand the community's access to health care professionals and health services , please complete the following table:				
		5.4a Please indicate whether any of the health facilities/ health care professionals can be found within this community? 1 = Yes → proceed to Q 5.4b 2 = No → proceed to next	If not, how far is the nearest one		
			5.4b In kilometers? Insert 99 if not known, but ONLY after probing!	5.4c Insert the means of transportation and indicate the minutes it takes to get there and back? Means of Transport Codes: 1 = walking 2 = car/bus/motorbike 3 =bicycle	
	1	Hospital	_ _	____ km	____ mins
	2	Polyclinic/Rural Health Centre	_ _	____ km	____ mins
	3	Community based Health planning & Services (CHPS- mobile)	_ _	____ km	____ mins
	4	Chemist/Drug Store	_ _	____ km	____ mins
	5	Pharmacy	_ _	____ km	____ mins
	6	Doctor	_ _	____ km	____ mins
	7	Nurse	_ _	____ km	____ mins
	8	Family planning worker	_ _	____ km	____ mins
	9	Community health worker	_ _	____ km	____ mins
	10	Trained midwife	_ _	____ km	____ mins
	11	Traditional birth attendant	_ _	____ km	____ mins
12	Traditional healer	_ _	____ km	____ mins	

5.5	What is the name and type of the nearest health facility (include hospital, Community Based Health Planning & Services (CHPS) and Polyclinic/Rural Health Centre) (if within the community, please fill the information for the most important one)?													
	5.5a	Name: _____												
	5.5b	Type: _____												
5.6	What are the capacities of this health facility in terms of number of the following....? Insert the number(s). Put "DK" for don't know.													
	Beds	_____	Nurses	_____	Doctors	_____	Health workers	_____						
5.7	Does this facility have...? Circle as applies.													
	a	Grid electricity?	1	Yes	2	No	3	Don't Know						
	b	Generator?	1	Yes	2	No	3	Don't Know						
	c	Computer(s)?	1	Yes	2	No	3	Don't Know						
	d	Phone lines?	1	Yes	2	No	3	Don't Know						
	e	Internet access?	1	Yes	2	No	3	Don't Know						
5.8	When people are sick, what are the three most common obstacles in this community that prevent them from getting medical advice & treatment? Please circle the numbers in front of the identified reason.													
	00	None												
	1	Getting permission to go?												
	2	Getting the money needed for transport and/or treatment?												
	3	Lack of transport/ road infrastructure?												
	4	The distance to the health facility?												
	5	Having to go alone? (esp. for women)												
	6	Concern that there could be a lack of qualified health personnel ?												
	7	Concern that there may not be a female health provider? (esp. for women)												
	8	Concern that there may not be any health provider?												
9	Concern that there may be no drugs or medical supplies available?													
10	Other(s), specify _____													
5.9	To better understand the community's access to public health campaigns/ interventions, please complete the following table as instructed.													
Have there been any health related campaigns in this community in the past 12 months? Circle all that are mentioned and indicate the month(s) in which they took place with an X.		Nov 07	Dec 07	Jan 08	Feb 08	Mar 08	April 08	May 08	June 08	July 08	Aug 08	Sept 08	Oct 08	Nov 08
Awareness Raising														
a	Drought													
b	Natural disaster													
c	Malaria													
d	HIV/AIDS													
e	Hygiene and childhood disease													
f	Safe Motherhood													
g	Other _____													
Intervention														
h	Immunization/ Vaccination													
i	Vector control (e.g. Indoor spraying)													
j	HIV/AIDS prevention													
K	Malaria													
l	Vitamin A													
m	General Health (e.g. eye screening, etc.)													
n	Epidemic control (e.g. water treatment)													

5.10	What percentage of households in this community has access to the following sources of drinking water?	Source of drinking water	%
		a Piped water	____%
		b Well water	____%
		c Borehole	____%
		d Stream/ River/ Spring	____%
		e Pond	____%
		f Rainwater	____%
		g No easy access to water	____%
		h Other, please specify	____%

5.11	Over the last 12 months, did your community experience periods without access to safe (clean) water? Circle one.	1 Yes	2 No → skip to Section 6	3 Don't know → skip to Section 6
------	---	-------	-----------------------------	-------------------------------------

5.12 If yes, what was the main reason why the community did not have access to safe water?
Please indicate the reason in the table below and mark the month(s) during which this happened.

Month	Nov 2007	Dec 2007	Jan 2008	Feb 2008	March 2008	April 2008	May 2008	June 2008	July 2008	Aug 2008	Sept 2008	Oct 2008	Nov 2008
a Normal water sources dried up													
b Flooding contaminated water supply													
c Community was displaced													
d Other: _____													
e Other:: _____													
f Other: _____													

SECTION 6 – EDUCATION

To better understand the communities access to education, please complete the following table as instructed:			
6.1		6.1a Can any of these types of schools be found in this community? 1 = Yes 2 = No	6.1b If not, how far is the nearest one In kilometers? 6.1b Insert the means of transportation and indicate the minutes it takes to get there and back? Means of Transport Codes: 1 = walking 2 = car/bus/motorbike 3 =bicycle
		1 Primary School	_____ km _____ mins
		2 Junior high school	_____ km _____ mins
		3 Senior high school	_____ km _____ mins

6.2	a. Out of all the BOYS in the community eligible for primary school, what percentage is actually enrolled and regularly attend?	Boys	____%
	b. Out of all the GIRLS in the community eligible for primary school, what percentage is actually enrolled and regularly attend?	Girls	____%

What are the three main reasons why some children in this community are not attending primary school? Please circle the numbers in front of the identified reason(s).			
6.3	1 Inability of parents to fund children's' education	6 Dangers faced by children on their way to school	
	2 Lack of parental interest	7 Children are used for work	
	3 Lack of interest in schooling by children	8 Other; Specify:	
	4 School too far away		
	5 Inadequate schools/classrooms/facilities		

6.4	What are the two most serious schooling problems in your community? Please circle the numbers in front of the identified reason.			
	1	Negative discrimination against girls	6	Lack of text books, stationary
	2	Insufficient furniture	7	Lack of accommodation for teachers
	3	Lack of school building	8	Costs of transportation to school
	4	Lack of teachers	9	No school in the community
	5	High school fees	10	Other; Specify:
SECTION 7 – EXTERNAL ASSISTANCE				
7.1	Has the community received any external assistance over the past 12 months?		1 Yes	2 No → skip to question 7.3
7.2	If assistance was provided, please complete the following table as indicated.			
		a) What type of external assistance was/has been provided to this community over the past 12 months? Please place an "X" by all the types of assistance received	b) Who is/was the main provider? Please write the name of the main provider USE BLOCK CAPITALS	c) Is this support ongoing? Please insert as appropriate. 1= Yes 2= No
	1	Water services		<input type="checkbox"/>
	2	Sanitation services		<input type="checkbox"/>
	3	Road/bridge rehabilitation		<input type="checkbox"/>
	4	Seeds and tools		<input type="checkbox"/>
	5	Agricultural extension/training		<input type="checkbox"/>
	6	School building (construction/rehabilitation)		<input type="checkbox"/>
	7	Support to education (teachers. School materials)		<input type="checkbox"/>
	8	Girls take home food ration		<input type="checkbox"/>
	9	School feeding/meals at school		<input type="checkbox"/>
	10	Health clinic (construction/rehabilitation)		<input type="checkbox"/>
	11	Health clinic support (personnel, medicine, equipment)		<input type="checkbox"/>
	12	Shelter (construction/rehabilitation)		<input type="checkbox"/>
	13	Vocational training/skills training		<input type="checkbox"/>
	14	Micro credits/loans		<input type="checkbox"/>
15	Livestock projects		<input type="checkbox"/>	
16	Other, specify		<input type="checkbox"/>	
7.3	Are there any local structures / networks / organizations in place in this community that provide support and services to people/households in times of need?		Local support structures. Circle as applies.	
			a	Women associations
			b	Farm work groups, Nnobo
			c	Support between neighbours
			d	Associations (i.e. savings groups, other)
		e	Others, Specify: _____	

SECTION 8 – PAST EVENT/ SHOCK IDENTIFICATION														
8.1	In the last 12 months, has your community been affected by any one shock or several shocks, including natural, man-made, pests, etc.?			1 Yes	2 No → skip to Section 9	3 Don't Know → skip to Section 9								
Has your community been affected by a NATURAL DISASTER in the last 12 months and in which month? Do not read options, circle numbers in front of identified event and place X in month when event occurred.														
			Nov 2007	Dec 2007	Jan 2008	Feb 2008	March 2008	April 2008	May 2008	June 2008	July 2008	Aug 2008	Sept 2008	Oct 2008
8.2	1	Earthquake												
	2	Landslide												
	3	Soil erosion												
	4	Coastal erosion												
	5	Expansive Clays/Soil												
	6	Floods												
	7	Rain/wind Storm												
	8	Drought												
	9	Fire (bush, domestic or industrial)												
	10	Other (Natural / Fire) Please specify: _____												
Has your community been affected by a PEST or INSECT INFESTATION (which affected crops/ food storage) in the last 12 months and in which month? Do not read options, circle numbers in front of identified event and place X in month when event occurred.														
		Month	Nov 2007	Dec 2007	Jan 2008	Feb 2008	March 2008	April 2008	May 2008	June 2008	July 2008	Aug 2008	Sept 2008	Oct 2008
8.3	11	Armyworm												
	12	Anthrax												
	13	Rabies												
	14	African Swine Fever												
	15	Tomato Wilt Disease												
	16	Wild snails												
	17	Caterpillar												
	18	Other (Pests & Insects) Please specify: _____												
Has your community been affected by a DISEASE or EPIDEMIC in the last 12 months and in which month? Do not read options, circle numbers in front of identified event and place X in month when event occurred.														
		Month	Nov 2007	Dec 2007	Jan 2008	Feb 2008	March 2008	April 2008	May 2008	June 2008	July 2008	Aug 2008	Sept 2008	Oct 2008
8.4	19	Meningitis												
	20	Cholera												
	21	Malaria												
	22	Diarrhoea												
	23	Measles												
	24	Yellow Fever												
25	Other (Diseases & Epidemics) Please specify: _____													
Has your community been affected by a MAN-MADE DISASTER in the last 12 months and in which month? Do not read options, circle numbers in front of identified event and place X in month when event occurred.														
		Month	Nov 2007	Dec 2007	Jan 2008	Feb 2008	March 2008	April 2008	May 2008	June 2008	July 2008	Aug 2008	Sept 2008	Oct 2008
8.5	26	Radiations												
	27	Collapse of buildings, mine and dams												
	28	Ethnic conflicts/wars												
	29	Industrial accidents												
	30	Pollution of water supply systems												
	31	Air pollution												
	32	Oil spillage												
33	Other (Man made)													

SECTION 9 – EMERGENCY PREPAREDNESS

9.1	Over the past 10 years, has there been a significant disaster, problem, etc. that affected the community particularly badly?	1	Yes	2	No/don't know → Skip to 9.6
------------	--	---	-----	---	-----------------------------

9.2	Which disaster/problem was it? Use code reported in questions 8.2 to 8.5.	_ _
------------	---	-----

9.3	When did it happen (year): _____
------------	----------------------------------

9.4	How many people were....?	Killed? _____ Disabled/ Injured? _____ Affected? _____
------------	---------------------------	--

9.5	To better understand the types of emergency preparedness and response measures that have been established and made available in the past, please complete the following table as indicated.	a) Were the following capacities/facilities accessible to the community during that event? 1= Yes 2= No → skip to point d) 3= Not applicable	b) Were they well prepared to respond to the event? 1= Yes 2= No 3= Not applicable	c) If not, have they been able to cope with the event ? 1= Yes 2= No	d) Are these capacities accessible to the community today? 1= Yes 2= No	e) Would they be better prepared today if the same event would happen again? 1= Yes 2= No 3 = Not applicable
	Communication at the community level					
		Early warning system				
		Phone lines				
		Mobile phones including GSM				
		HF Radios				
	Military forces/ Police covering the community					
		Army troops				
		Police				
	Fire/ Rescue Services covering the community					
		Government/ Private ambulance service				
		Government/ Private fire rescue service				
		Red Cross				
		Nearest health facility				
		Nearest pharmacy				
	Civil Defense					
Agricultural Extension Services covering the community						
	Agricultural Extension					
	Services/Officers					

9.6	Are you aware of the following capacity policies/structures related to emergency preparedness at the national level?							
	a	National Disaster Management plan (i.e. a plan at the national level to respond to disasters)	1	Yes	2	No	3	Don't Know
	b	National Disaster Management Organization (NADMO)	1	Yes	2	No	3	Don't Know
