## **INTRODUCTION TO THE HOUSEHOLD TO BE INTERVIEWED**

### **CONVEY THE FOLLOWING INFORMATION TO THE RESPONDENT:**

In 2008/2009, the National Bureau of Statistics in Tanzania selected over one hundred households in each region of the country to ask them questions about how they were living. The responses which were provided by the households to these questions were used to help the government of Tanzania do a better job in meeting the needs of all Tanzanians.

### **NEW HOUSEHOLDS IN MOROGORO, DAR ES SALAAM AND PWANI:**

Now in 2010/2011 we are expanding these efforts. Your household was selected as one of those to which the questions will be asked this time. You were not selected for any specific reason. Simply your name appeared on a list of all of the households in this area, and your name was chosen randomly.

### **NPS HOUSEHOLDS:**

Now in 2010/2011, we are returning the these same households to see how things are progressing.

### **SPLIT-OFF HOUSEHOLDS:**

At the time of that survey, one of your household members was living in a selected household, and we would like to see how things are progressing and how they, and the rest of their new household, are living now.

### **ALL:**

I would like to ask the questions in this form to you as head of household or spouse of the head. I will also need to ask questions to other members of your household, as well as weigh and measure the height of everyone who lives in your household. These questions will take several hours to complete. All of your answers will be held in confidence. The answers which you and the members of your household might give me will only be used by the NBS or under its supervision.

Before I start, do you have any questions or is there anything which I have said on which you would like any further clarification? May I proceed with interviewing you and members of your household?
