

Contents of the 1989 Survey Instruments by Village¹

Debre Berhan
Questionnaire A. Household Demographics
A1. Family structure
A2. Migration History
A3. Farm History
G1. Household Drought Experience
G1-G2
Food Aid
G4-G25
Questionnaire B. Assets and Stock Holdings
B1. Housing Stock
B2. Material Assets/Household Assets
B3. Livestock Holdings
B4. Land and Grazing holdings (Livestock Holdings)
B5a. Recall Livestock Stocking Level
ILCA Ox/seed project participants Questionnaire
Questionnaire C: Production and Inputs
C1-C3. 1988 Meher Production/farm inputs
C4. Use of 1980 Meher Harvest
C5. 1988 Belg Production/farm inputs
C6. Use of 1980 Belg Harvest
C7. Present Storage
C8. Other farm input costs for Kiremt 1980
Questionnaire D: Non farm Income and Expenditures
D1: Income from Hiring out factors
D2: Wild Food Income
D3: Livestock Income
D4: Non-farm Employment
D5: Recall non-farm employment
D6: Remittances and Loans
D7: Savings
D8: Bulk Food Purchase
D9: Expenditure on Household Consumables
D10: Nonfood Expenditure (Durables, etc)
Questionnaire E: Mothers' Questionnaire
E1: Cooking patterns
E2: Eating patterns
E3: Weekly Food Consumption
Questionnaire I: Evaluation - ILCA Single Ox plough project
I1. Single ox Plough
I2: Cross-bred cow project
Feed costs

¹ These notes were prepared by Yisehac Yohannes, International Food Policy Research Institute, Washington DC.

Dinki
Questionnaire A. Household Demographics
A1: Family structure
A2: Migration History
A3-A12: Farm History
G1: Household Drought Experience
G1-G2
Food Aid
G4-G25
Questionnaire B. Assets and Stock Holdings
B1. Household Assets
B2-B3: Livestock holdings
ILCA Ox/seed project participants Questionnaire
B4. Land and Grazing holdings (Livestock Holdings)
B5a. Recall Livestock Stocking Level
Questionnaire C: Production and Inputs
C1: Farm Assets
C2-C3: 1988 Meher Production/farm inputs
C4: Use of 1980 Meher Harvest
C5: Recall of Meher Production- 1979-80, 1978-79, 1977-78, 1976-77
C6: 1988 Belg Production/farm inputs
C7: Use of 1980 Belg Harvest
C8: Present Storage
C9: Other farm input costs for Kiremt 1980
Questionnaire D: Non farm Income and Expenditures
D1: Income from Hiring out factors
D2: Wild Food Income
D3: Income from sale of livestock products
D4: Bulk Food Purchase
D5: Non-farm Employment
D6: Recall non-farm employment
D7: Remittances and Loans
D8: Savings
D9: Nonfood Expenditures
Questionnaire E: Mothers' Questionnaire
E1: Cooking and eating patterns
E2: Housing stock/housing materials
E3: Weekly Food Consumption
Women's Drought experience
Questionnaire I: Evaluation - ILCA Single Ox plough project
I1. Single ox Plough
I2: Cross-bred cow project
Feed costs

Harer(Adele Keke)
Questionnaire A. Household Demographics and Drought experience
A1. Family structure
A2. Migration History
A3. Farm History
G1. Household Drought Experience
G1-G2
Food Aid
G4-G13
Questionnaire B. Assets, Crop production and Livestock Holdings
B1: Housing Stock
B2: 1980/81 E.C. Meher Production- Area planted/farm inputs/harvest
B3: Use of 1980-81 Meher harvest
B4: Recall of Meher crop production 1979-80, 1978-79, 1977-78, 1976-77
B4 (?): Present Storage (Grain)
B5: Other farm input costs
B6: Livestock Holdings
Questionnaire C: Income
C1: Income from hiring out oxen, labor and tools
C2. Income from sale of wild foods, wood, food aid, crops
C3. Gross income from sale of animal products
C4. Bulk Food purchase
C5. Recall Non-farm Employment
C6. Remittances and Loans
C7. Savings
C8. Non food expenditures
No quest. D
Questionnaire E: Mothers' Questionnaire
E1: Weekly Food Consumption and expenditures
E2: Womens' Drought Experience

Wolayta (GaraGodo)
Questionnaire A. Household Demographics and Drought experience
A1. Family structure
A2. Migration History
A3. Farm History
G1. Household Drought Experience
G1-G2
Food Aid
G4-G13
Questionnaire B. Assets, Crop production and Livestock Holdings
B1: Housing Stock
B2: 1980/81 E.C. Meher Production- Area planted/farm inputs/harvest
B3: Use of 1980-81 Meher harvest
B4: Recall of Meher crop production 1979-80, 1978-79, 1977-78, 1976-77
B4 (?): Present Storage (Grain)
B5: Other farm input costs
B6: Livestock Holdings
Questionnaire C: Income
C1: Income from hiring out oxen, labor and tools
C2. Income from sale of wild foods, wood, food aid, crops
C3. Gross income from sale of animal products
C4. Bulk Food purchase
C5. Recall Non-farm Employment
C6. Remittances and Loans
C7. Savings
C8. Non food expenditures
No quest. D
Questionnaire E: Mothers' Questionnaire
E1: Weekly Food Consumption and expenditures
E2: Womens' Drought Experience

Arssi (Korodegaga)	
Questionnaire A. Household Demographics and Drought experience	I
A1: Family structure	
A2: Migration History	
A3: Farm History	
A11: Planted Area and harvest during the last Kiremt(1980-1981 E.C.)	
A12: Household Assets	
A13: Current Livestock Holdings	
A14: Current grain storage	
A15: Number of meals /day last week	
A17: Weekly food consumption and expenditures	
A18: Household Drought experience	
A19: Food Aid	
UN(1)- UN(28)	
Questionnaire A. Worst Hunger Period, Livestock, Crops production and use	II
Worst Hunger Q1-Q5	
Livestock	
Q6: Livestock sold during the hunger period	
Q9: Livestock death during the worst time of drought	
Q17: Recall of Livestock stocking level (Kiremt 1980-81, Kiremt 1979-80)	
Crops Production and Production recalls	
Q18: Recall of Meher Crop production (1979-80, 1978-79, 1977-78, 1976-77)	
Q19: Crops grown in the last Meher 1980	
Q20: Use of 1980 Meher	
Income	
Q21: Income from hiring out oxen, labor and tools	
Q22: Income from sale of wild foods, wood, food aid, crops	
Q23: Gross income from sale of animal products	
Q27: Employment away from village in the past five years	
Q28: Remittances and Loans	
Q29: Savings	
Questionnaire E: Mother's questionnaire	III
Q1: Cooking patterns	
Q2: Home made drinks	
Q3: Housing Stock (Housing materials)	
Womens' drought experience	
Earnings since Kiremt 1980	
Food for work	
UN (i)-UN(vi)	

Gam Gofa (Doma)	
Questionnaire A. Household Demographics and Drought experience	I
A1: Family structure	
A2: Migration History	
A3-A8: Farm History	
A11: Planted Area and harvest during the last Kiremt(1980-1981 E.C.)	
A12: Household Assets	
A13: Current Livestock Holdings	
A14: Current grain storage	
A15: Number of meals /day last week	
A17: Weekly food consumption and expenditures	
A18: Household Drought experience	
A19: Food Aid	
A20-A21: Worst year	
UN (1)- UN (28)	
Questionnaire A. Worst Hunger Period, Livestock, Crops production and use	
II	
Worst Hunger and drought experience G1-G17	
Livestock	
G6: Livestock sold during the hunger period	
G9: Livestock death during the worst time of drought	
G17: Recall of Livestock stocking level (Kiremt 1980-81, Kiremt 1979-80)	
Crops Production and Production recalls	
Q18: Recall of Meher Crop production (1979-80, 1978-79, 1977-78, 1976-77)	
Q19: Crops grown in the last Meher 1980	
Q20: Use of 1980 Meher harvest	
Income	
Q21: Income from hiring out oxen, labor and tools	
Q22: Income from sale of wild foods, wood, food aid, crops	
Q23: Gross income from sale of animal products	
Q27: Employment away from village in the past five years	
Q28: Remittances and Loans	
Q29: Savings	
Questionnaire E: Mother's questionnaire	
III	
Q1: Cooking patterns	
Q2: Home made drinks	
Q3: Housing Stock (Housing materials)	
Womens' drought experience	
Food for work	
UN (i)-UN(vi)
