CWIQ DATA DICTIONARY

The survey had three data files namely: -
- Indata.*
- Hhdata.*
- Chdata.*

It is foundation on these files that all data analyzes were based upon.

HOUSEHOLD LEVEL (HHDATA.*) DATA DICTIONARY

REGION   Region

          Value   Label

            1   Western
            2   Central
            3   Greater Accra
            4   Volta
            5   Eastern
            6   Ashanti
            7   Brong Ahafo
            8   Northern
            9   Upper East
          10   Upper West

A1   Cluster number

A2   Household number

A3   Interviewer's ID number

A4   Date of interview

A5   Time of start of interview

A5AP   Interview start time AM or PM?

          Value Label

         A   AM
         P   PM

A6   Respondent number on list of household members

A7   Number of questionnaires

          Value   Label

            1   One
            2   Two
            3   Three
            4   Four

A8   Result Code

          Value   Label

            1   Completed
            2   Completed repl. - refusal
            3   Completed repl. - not found
            4   Not completed

A9   Time at the end of Interview

```
A9AP        Interview end time AM or PM?

              Value   Label

               A      AM
               P      PM

F1          Dwelling ownership

            Value     Label

               1      Owns the dwelling
               2      Rents the dwelling
               3      Uses without paying rent

               4      Yes, private land provided free
               5      Yes, open access land

F6          Area of other land used by the household (hectares)

F7          How does the amount of other land used compare with one year

            Value     Label

               1      Less now
               2      Same now
               3      More now
               4      Do not know

F8          Number of cattle and other large livestock owned by the household?
```

F9   Number of large livestock compared to the number one year ago?

          Value   Label

               1   Less now
               2   Same now
               3   More now
               4   Do not know

F10   Number of sheep, goats, etc. owned by the household?

F11   Number of medium sized animals compared with one year ago?

          Value   Label

               1   Less now
               2   Same now
               3   More now
               4   Do not know

F12A   Does the household own an electric iron?

          Value   Label

               1   Yes
               2   No

F12B   Does the household own a refrigerator?

          Value   Label

               1   Yes
               2   No

F12C   Does the household own a television?

          Value   Label

               1   Yes
               2   No

F12D   Does the household own a video deck?

          Value   Label

               1   Yes
               2   No

F12E   Does the household own a cassette player/radio?

          Value   Label

               1   Yes
               2   No

```
F12F      Does the household own a stereo system?

          Value    Label

             1     Yes
             2     No

F12G      Does the household own a personal computer?

          Value    Label

             1     Yes
             2     No

F12H      Does the household own a GT fixed line?

          Value    Label

             1     Yes
             2     No

F12I      Does the household own a Westel phone?

          Value    Label

             1     Yes
             2     No

F12J      Does the household own a Capital Telecom?

          Value    Label

             1     Yes
             2     No

F12K      Does the household own a Mobile One Touch?

          Value    Label

             1     Yes
             2     No

F12L      Does the household own a Spacefon?

          Value    Label

             1     Yes
             2     No

F12M      Does the household own a Mobitel?

          Value    Label

             1     Yes
             2     No
```

F12N   Does the household own a Celltel?

           Value   Label

               1   Yes
               2   No

F12O   Does the household own a mattress or bed?

           Value   Label

               1   Yes
               2   No

F12P   Does the household own a watch or clock?

           Value   Label

               1   Yes
               2   No

F12Q   Does the household own a sewing machine?

           Value   Label

               1   Yes
               2   No

F12R   Does the household own a electric/gas stove?

           Value   Label

               1   Yes
               2   No

F12S   Does the household own a kerosene stove?

           Value   Label

               1   Yes
               2   No

F12T   Does the household own a fan?

           Value   Label

               1   Yes
               2   No

F12U   Does the household own a sofa?

           Value   Label

               1   Yes
               2   No

F12V   Does the household own a bicycle?

          Value   Label

            1   Yes
            2   No

F12W   Does the household own a motorcycle?

          Value   Label

            1   Yes
            2   No

F12X   Does the household own a vehicle?

          Value   Label

            1   Yes
            2   No

F12Y   Does the household own a generator?

          Value   Label

            1   Yes
            2   No

F12Z   Does the household own a canoe/boat?

          Value   Label

            1   Yes
            2   No

F13   Does household have electricity?

          Value   Label

            1   Yes
            2   No

F14   How often in the last year did you have problem satisfying food

          Value   Label

            1   Never
            2   Seldom
            3   Sometimes
            4   Often
            5   Always

F15   Economic situation of the household compared to one year ago

           Value   Label

                1   Much worse now
                2   A little worse now
                3   Same
                4   A little better now
                5   Much better now
                6   Do not know

F16   Economic situation of the community compared to one year ago

           Value   Label

                1   Much worse now
