

**Government of Armenia's response to
"Evaluation of the Water-to-Market Activity in Armenia"
Foreign Financing Projects Management Center (FFPMC) of the
Ministry of Finance of Armenia, March 31, 2013**

The Government of Armenia welcomes MCC's strong commitment to conducting rigorous impact evaluations of its programs and sharing the evaluation report with its counterpart. The findings and recommendations provided in the WtM evaluation report are useful for future program design and implementation in the agricultural sector of Armenia. This report will help us to rethink some of our approaches and strategies applied in the development of this sector.
