

Poverty profile 2002 Makedonia HBS

Poverty line for 2002 is calculated by pricing out the food basket of 2002 by 2002 food prices and the 2002 non-food share (43.77%) is added to calculate the complete poverty line

Food line is 54.82 MKD/day per capita = 20009 MKD annual per capita

Complete poverty line is 97.48 MKD/day per capita = 35580 MKD annual per capita

Relative poverty line (70% of per capita consumption) is 121.67 MKD/day per capita = 44410 MKD annual per capita

Relative poverty line (70% of adult equivalent consumption) is 110.85 MKD/day per adult equivalent = 40460 MKD annual adult equivalent
