THE REPUBLIC OF UGANDA
INTEGRATED HOUSEHOLD(PILOT) SURVEY 1991-COMMUNITY QUESTIONNAIRE

1

SECTION 1 : IDENTIFICATION PARTICULARS

1. Stratum/Area <input type="text"/>	2. Urban Centre <input type="text"/>
3. County <input type="text"/>	4. Sub-County <input type="text"/>
5. Parish <input type="text"/>	
6. E.A.No. <input type="text"/>	

SECTION 2 : MARKETS (To be answered by one male and one female leader)
PART A : GENERAL INFORMATION

Sr. No.	Category	Market Name	Distance	Access Code	Importance Code
(1)	(2)	(3)	(4)	(5)	(6)
1	Nearest consumer market				
2	Most important consumer market in the district or adjoining district if nearer				
3	Nearest local farm input market				
4	Most important farm input market in district or adjoining district, if nearer				
	<u>Produce Outlet</u>				
5	Trader				
6	Market				
7	Market depot				
8	Official cooperative				
9	Local informal cooperative, if any				
10	Others (specify)				
11	Most important nearest local produce outlet				
12	Most important district produce outlet or adjoining district, if nearer				

Notes: (1) Distance should be as '00' if the market is in the RC1. (2) If the market is not in the RC1, distance should be given in kms. from the centre of RC1. (3) Access codes are:- Not at all -0; All year -1, Dry Season only -2. (4) Importance codes:- Not important -0; Some what important -1; Very important -2; Most important -3. (5) If entry in column (3) against items 11 and 12 coincide with any item from 5 to 10 record the serial number of the item on this column and repeat corresponding entries in columns (4) to (6).

SECTION - 2 : MARKETS
PART B : AVAILABILITY AND PRICE

Code	Commodities	Specifications	Availability on date of survey locally (Code)	Availability last 12 months		Unit of Qty (Code)	Price per unit locally	
				Loca- lly (Code)	At Dist- rict (Code)		As repor- ted (8)	As Obser- ved (9)
(1)	(2)	(3)	(4)	(5)	(6)	(7)	(8)	(9)
0	Staple food							
01	Matooke	Fresh and mature						
1	Animal proteins							
2	Other foods							
21	Cooking oil							
22	Sugar							
23	Salt							
24	Beans							
3	Other items							
31	Men's second hand shirt							
32	Women's dress material							
33	Washing soap							
34	Aspirin							
35	Charcoal							
36	Batteries 'D'							
37	Ironsheets (Mabati)							

- (1) For columns (1) and (2) refer to Annex 21 of the code-list booklet. From amongst staple foods select additional two most important items other than matooke consumed in the area and record their codes and names in columns (1) and (2) below 01 and matooke. Similarly choose three most important animal protein items from the Annex to be recorded in columns (1) and (2) for getting information on availability and prices in columns (3) to (9).
- (2) In column (3) record specifications commonly used in the area, e.g. for maize flour specifications would be locally ground-coarse or Mbale-fine, for cooking oil specify local/imported vegetable oil or groundnut oil, soyabean oil etc.
- (3) Codes for availability in column (4) are Yes - 1, No - 2. Locally will comprise local producers local shops or market.
- (4) Codes for column (5) and (6) are : Yes, all months - 1; Yes, some months - 2; No- 3; District will mean the most important market in the district or adjoining district, if nearer.
- (5) For unit of quantity codes in column (7) refer to Annex 15 of the code-list book-let.
- (6) In column (8) record prices as reported by the community leaders while in column (9) record prices actually collected from the most important outlets.

SECTION - 2 : MARKETS

PART C : LOCAL AND DISTRICT INPUT MARKETS

Sr. No.	Items	Availability on date of survey		Availability during last 12 months		Local prices as on date survey		
		Local Mkt.	Dist. Mkt.	Local Mkt.	Dist. Mkt.	Unit Code	As repo- rted	As obser- ved
(1)	(2)	(3)	(4)	(5)	(6)	(7)	(8)	(9)
1	Hoe							
2	Panga							
3	Wheelbarrow							
4	Bicycle							
5	Fertiliser (50Kg. bag)							
6	Fertiliser (small qy)							
7	Petrol							
8	Engine oil							
9	Electricity							

- Notes:** (i) For columns (3) and (4) use codes :- Yes - 1; No - 2;
(ii) For columns (5) and (6) use codes :- Yes - All months - 1;
Yes - Some months - 2; Not available during last 12 months.
(iii) Use standard unit code as per Annex 15 of code-list booklet.
(iv) Local market will include local producers and shops.
(v) Information should refer to an adjoining district market,
if nearer than own district market.
(vi) Local prices as reported by the community leaders should be
recorded in column (8), Prices are to be collected by the
Supervisor locally and recorded in column (9).

SECTION - 2 : MARKETS

PART D : BULK-SALE PRICE OF AGRICULTURAL PRODUCE[illegible]

Notes:

- (i) For item-description and code to be recorded in columns (1) and (2) refer to Annex 19 of the code-list book-let. Limit collection of information for the most important crops only in the area (not more than 10)
- (ii) For column (3) use code-list at Annex 15 of the code-list booklet.
- (iii) In columns (4) and (7) sale price will be either at farm or within the RC1 or at the nearest local market depending upon where mostly the farmers sell their produce.
- (vi) District and Regional markets are the most important markets for the concerned commodities at that level.
- (v) Columns (7) to (9) relate to harvest prices or in full season when the outputs are maximum. In case there is no fixed harvest season, record the lowest price during last 12 months.

SECTION 3 : DEMOGRAPHIC INFORMATION (To be answered by one male and female community leader).

 1. Age of the village/community in the RC1 in years

 2. Migration - type code during last 3 years

3. Name and percentage of ethnic groups in the RC1 :

Sr. No.	Name of ethnic group	Code	Percentage to total inhabitants
(1)	(2)	(3)	(4)
3.1			
3.2			
3.3			
3.9	Others		

4. Common languages spoken by the population of the RC1

Sr. No.	Language (description)	Code	Percentage of population speaking the language
4.1			
4.2			
4.3			
4.9	Others		

 5. Families' settlement pattern (code)

 6. General practice of inheritance of land and assets on owner's death (code)
Notes:

- (i) Against item 1, record the number of years in completed years (99 for 99 years and above), the village or community of the RC1 has been in existence at the location. If not known, record '00'.
- (ii) Migration type code : Many families (20% and above) have not migrated - 0; Many families have migrated but in-migration is larger than out-migration - 1; Many families have migrated but out-migration is larger than in-migration - 2; In-migration approximately equals out migration - 3.
- (iii) Codes for ethnic groups and languages are to be left blank.
- (iv) Item 5 codes are : Nearby own relatives - 1; Nearby spouse's relatives - 2; Nearby friends or common ethnic group - 3; No common pattern - 9.
- (v) Item 6 codes are : Spouse mainly - 1; Eldest son mainly - 2; Shared equally amongst spouse and children - 3; Next brother mainly - 4; Shared equally amongst brothers - 5; To be decided by community leaders - 6; No common practice - 9.

SECTION 4 : ACCESS TO PHYSICAL AND ECONOMIC INFRASTRUCTURE
(To be answered by one male and female community leader)

S.No.	Infrastructure	Dist.(Km)	Notes
(1)	(2)	(3)	(i)
01	Dry season only feeder roads		Distance is to be recorded in Kms.(000) from the central point of the RC1. In case an item is situated in the RC1, record 000 Kms.
02	All season feeder roads		
03	Murram roads		
04	Tarred roads		(ii) Availability codes for fuel are: All year - 1; Some months only - 2; Not available - 9.
05	Public road transport		
06	Private road transport		
07	Railway stop		
08	Water transport		
09	District administration		
10	Primary school		
11	Secondary school		
12	Post office		
13	Telephone		
14	Telegraph office		
15	Primary Health Centre		
16	Hospital		
17	Do you have electricity in the RC1? (Code:Yes - 1; No - 2;) <input type="checkbox"/>		
18	Availability of fuel for cooking		
	Code	Fuel	Availability code
	01	Firewood	
	02	Charcoal	
	03	Paraffin	
	04	Electricity	
	05	Gas	
	09	Others	
19	Which is the most important fuel? Record one out of the above codes.		

SECTION 4 : ACCESS TO PHYSICAL AND ECONOMIC INFRASTRUCTURE
(To be answered by one male and female community leader)

S.No.	Infrastructure	Dist.(Km)	Notes
(1)	(2)	(3)	(i)
01	Dry season only feeder roads		Distance is to be recorded in Kms.(000) from the central point of the RC1. In case an item is situated in the RC1, record 000 Kms.
02	All season feeder roads		
03	Murram roads		
04	Tarred roads		
05	Public road transport		(ii) Availability codes for fuel are: All year - 1; Some months only - 2; Not available - 9.
06	Private road transport		
07	Railway stop		
08	Water transport		
09	District administration		
10	Primary school		
11	Secondary school		
12	Post office		
13	Telephone		
14	Telegraph office		
15	Primary Health Centre		
16	Hospital		
17	Do you have electricity in the RC1? (Code:Yes - 1; No - 2;) <input type="checkbox"/>		

18 Availability of fuel for cooking				
	Code	Fuel	Availability code	Distance where available
	01	Firewood		
	02	Charcoal		
	03	Paraffin		
	04	Electricity		
	05	Gas		
	09	Others		
19	Which is the most important fuel? Record one out of the above codes.			

SECTION 5 : AGRICULTURE (To be answered by one male and one female leader)
PART A : AVAILABILITY OF AGRICULTURAL LAND

Sr.No.	Type of land	Availability code
(1)	(2)	(3)
1	Land to be allocated for cultivation	
2	Land for sharecropping	
3	Land for sale	
4	Land for rent	
5	Other agricultural land	

Note : Availability code: Land not available - 0; Land available - 1;
 Type not practiced - 3; Type not permitted - 4.

SECTION 5 : AGRICULTURE
PART B : GENERAL CHARACTERISTICS

1. If shifting cultivation, how long is fallow period in number of years.	<input type="text"/>
2. Status of new land cultivation (code)	<input type="text"/>
3. Availability of a pair of oxen for ploughing (code)	<input type="text"/>
4. Availability of tractor for ploughing (code)	<input type="text"/>
5. Availability of oxen transport (code)	<input type="text"/>
6. Availability of tractors for transport (code)	<input type="text"/>
7. Availability of trucks for transport (code)	<input type="text"/>
8. Percentage of households having at least one irrigated plot	<input type="text"/>
9. Is there any improved storage facility found in the RC1? (Yes - 1; No - 2.)	<input type="text"/>
10. If yes, percentage of households using the storage facility	<input type="text"/>
11. Availability of agricultural extension agencies (code)	<input type="text"/>
12. Facilities provided by extension agencies if available (code)	<input type="text"/>

Codes: (i) New land cultivation code :- No new land cultivated - 0; Most fallow land cultivated - 1; Mostly forest areas cultivated - 2; Mostly new hillside areas cultivated - 3; Mostly never earlier cultivated, arable areas cultivated - 4;
 (ii) Codes for items 3 to 7 :- Not at all - 0; Sufficient - 1; Scarce - 2.
 (iii) Code for item 11 :- Neither in the RC1 nor in district - 0; Not in RC1 but in the district - 1; Yes in the RC1 - 2.
 (iv) Code for item 12 :- Give advice only - 1; Give advice and provide credit only - 2; Give advice and provide input only - 3; Give advice, provide credit and inputs - 4; Provide credit only - 5; Provide credit and inputs - 6; Provide inputs only - 7.

SECTION 5 : AGRICULTURE (To be answered by one male and one female leader)
PART A : AVAILABILITY OF AGRICULTURAL LAND

Sr.No.	Type of land	Availability code
(1)	(2)	(3)
1	Land to be allocated for cultivation	
2	Land for sharecropping	
3	Land for sale	
4	Land for rent	
5	Other agricultural land	

Note : Availability code: Land not available - 0; Land available - 1;
 Type not practiced - 3; Type not permitted - 4.

SECTION 5 : AGRICULTURE
PART B : GENERAL CHARACTERISTICS

1. If shifting cultivation, how long is fallow period in number of years.	<input type="text"/>
2. Status of new land cultivation (code)	<input type="text"/>
3. Availability of a pair of oxen for ploughing (code)	<input type="text"/>
4. Availability of tractor for ploughing (code)	<input type="text"/>
5. Availability of oxen transport (code)	<input type="text"/>
6. Availability of tractors for transport (code)	<input type="text"/>
7. Availability of trucks for transport (code)	<input type="text"/>
8. Percentage of households having at least one irrigated plot	<input type="text"/>
9. Is there any improved storage facility found in the RC1? (Yes - 1; No - 2.)	<input type="text"/>
10. If yes, percentage of households using the storage facility	<input type="text"/>
11. Availability of agricultural extension agencies (code)	<input type="text"/>
12. Facilities provided by extension agencies if available (code)	<input type="text"/>

Codes: (i) New land cultivation code :- No new land cultivated - 0; Most fallow land cultivated - 1; Mostly forest areas cultivated - 2; Mostly new hillside areas cultivated - 3; Mostly never earlier cultivated, arable areas cultivated - 4;
 (ii) Codes for items 3 to 7 :- Not at all - 0; Sufficient - 1; Scarce - 2.
 (iii) Code for item 11 :- Neither in the RC1 nor in district - 0; Not in RC1 but in the district - 1; Yes in the RC1 - 2.
 (iv) Code for item 12 :- Give advice only - 1; Give advice and provide credit only - 2; Give advice and provide input only - 3; Give advice, provide credit and inputs - 4; Provide credit only - 5; Provide credit and inputs - 6; Provide inputs only - 7.

SECTION 6 : EMPLOYMENT AND LABOUR MIGRATION

(To be answered by one male and female community leader)

PART A : JOB AVAILABILITY

Serial No.	Sectors	Permanent		Temporary	
		Men	Women	Men	Women
(1)	(2)	(3)	(4)	(5)	(6)
1	Farming				
2	Cattle keeping and Dairy				
3	Fishing				
4	Small scale production				
5	Medium & large scale manufacturing				
6	Other sectors				

Notes: (i) Codes for columns (3) to (6) are :- None - 0; A few - 1; Some - 2; Many - 3.

(ii) Job availability in and within 3 Kms. of the RC1 is to be considered only.

SECTION 7 : EMPLOYMENT AND LABOUR MIGRATION**PART B : WAGES**

Sr.No.	Sector	Men	Women	Notes : daily wage-rates in shillings normally paid are to be recorded only. If work is paid per piece, wages per day on the basis of average work done in one day to be calculated.
(1)	(2)	(3)	(4)	
1	Farming			
2	Non-farming			

SECTION 7 : EMPLOYMENT AND LABOUR MIGRATION
PART C : MIGRATION FOR EMPLOYMENT

Sr.No.	Item-description	Men	Women
(1)	(2)	(3)	(4)
1	Do people commonly leave the RC1 to look for seasonal short-term employment, or for periods of one year or more or for both? (No, they do not leave - 0; Yes for seasonal employment only - 1; Yes for periods of one year or more - 2; Yes, for both - 3.)		
2	For seasonal employment, where do they generally go? (Code)		
3	For periods of one year or more, where do they generally go? (Code)		

Notes : (1) Codes for item (2) and (3) : Other nearby rural areas - 1; Other nearby urban areas - 2; Capital - 3; Any rural area in the district - 4; Any urban area in the district - 5; Any rural area in the country - 6; Any urban area in the country - 7; Abroad - 8; Others - 9.

SECTION 8 : ECONOMIC INFRASTRUCTURE - CREDIT
 (To be answered by one male and female leader)

Sr.No	Source of Credit	Availability (code)	Security requirement (code)	Accessibility to women (code)	Rate of interest
(1)	(2)	(3)	(4)	(5)	(6)
1	Bank				
2	Government agencies				
3	Co-operatives				
4	Money Lender				
5	Relatives/Friends				
6	Others				

(i) Codes for column 3 : Not available within 10 kms - 0; Available in RC1 - 1; Available within 5 kms. - 2; Available within 10 kms. - 3.

(ii) Codes for column 4 : No requirement - 0; Yes, land and other assets - 1; Yes, Group or responsible person - 2; Yes, Others - 3.

(iii) Codes for column 5 : No - 0; Yes, all women - 1; Yes, only female heads owning assets - 2.

(iv) In column (6), the percentage rate of interest normally charged by the agency is to be recorded.

SECTION 9 : SOCIAL INFRASTRUCTURE - EDUCATION; PART A : LITERACY PROGRAM
(To be answered by one male and female community leader)

Sr.No.	Item	Code	Notes
(1)	(2)	(3)	Codes for items (1) and (2): Yes in the RC1 - 1, Not in the RC1 but within 3 Kms - 2; Beyond 3 Kms - 3.
1	Literacy programme for men		
2	Literacy programme for women		
3	Expenses per year in shillings		

SECTION 9 : SOCIAL INFRASTRUCTURE - EDUCATION ; PART B: PRIMARY SCHOOL EDUCATION

1. Which are the three most popular primary schools where children from this RC1 go to study?

Sr.No.	Name	Distance(Km)	Time taken to reach (minutes)
(1)	(2)	(3)	(4)
1.1			
1.2			
1.3			

2. Classify by degree of importance the reasons for some children not enrolled in these schools

Sr.No.	Reason	Code-list	Primary school		
			1	2	3
(1)	(2)	(3)	(4)	(5)	(6)
2.0	School too far away	Very important - 1 Important - 2 Not important - 3			
2.1	Official school fees too high				
2.2	PTA fees too high				
2.3	Text books and other expenses too high				
2.4	Children needed at home for work				
2.5	Too few teachers and too many students				
2.6	Lack of text books				
2.7	Lack of proper building				
2.8	Non-availability of needed religious affiliation				
2.9	Other reasons (Specify) (i) _____ (ii) _____				

SECTION 9 : SOCIAL INFRASTRUCTURE - EDUCATION AND CHILD-CARE; PART C : CHILD CARE

1. Is there a Nursery/K.G school or a child-care unit in the RC1? Yes - 1; No - 2. ☐
2. Common weaning age of the children (in months)
3. Number of meals commonly served to adults in the community
4. Number of extra meals served to children

SECTION 10 : SOCIAL INFRASTRUCTURE - HEALTH (To be answered by one male and female leader)
PART A : HEALTH SERVICES

Sr. No.	Health Services	Availability (code)	Ownership (code)	Distance Kms.	Transport costs	Initial consultation fees	Notes:
1)	(2)	(3)	(4)	(5)	(6)	(7)	<u>Availability code</u> Available in RC1-1; Not in RC1 but in the nearest town-2; Nearest available in district town only - 3; Not even in the district but only in Kampala city - 4.
1	Hospital						<u>Ownership code</u> Government - 1; International N.G.O. - 2; Local Non-profit institution or N.G.O - 3; Private - 4.
2	Health-clinic						
3	Maternity clinic						
4	Doctor						
5	Traditional doctor						
6	Pharmacy						
7	Qualified nurse/midwife						
8	Traditional midwife						
9	Others _____						

SECTION - 10 SOCIAL INFRASTRUCTURE - HEALTH; PART B : REASONS FOR NOT USING HEALTH CLINIC

Sr.No.	Reasons	Importance Code
(1)	(2)	(3)
1	Clinic too far away	
2	Consultation fees too high	
3	Lack of necessary drugs	
4	Drugs very costly	
5	Staff rude	
6	Staff normally not present	
7	Lack sterile needles/syringes	
8	Other reasons	

Notes :

- (1) If some families are not using the Health clinic, the reasons are to be coded according to the following codes:
 Very important - 1
 Important - 2
 Not important - 3

SECTION 10 : SOCIAL INFRASTRUCTURE - HEALTH
PART C : WATER AND SANITATION

1. Most important source of water during dry season
2. Most important source of water during rainy season
3. Most important way of disposing garbage
4. Most common type of toilet

Source of water codes: Indoor tap - 0; Private outside tap - 1; Public outside tap - 2; Water truck or tanker - 3; Water vendor - 4; Well/Tube well (protected) - 5; Unprotected well - 6; River, Lake, Pond, Spring - 7; Rainwater - 8; Other - 9.

Garbage disposal: Periodically collected from household - 1; Collected periodically from specified dumping points - 2; Household dump at places at their will - 3; Burned by households - 4; Buried by households - 5; Used as green manure - 6; Others - 9.

Type of toilet: Flush toilet - 1; Pit-latrline - 2; Pan/bucket - 3; No toilet - 4; Others - 9.

SECTION 11 : SOCIAL AND ECONOMIC NETWORK (To be answered by one male and female leader)

1. If families run short of food temporarily, are they supported by neighbours etc.? Supported by neighbours and relatives in all cases - 1; Supported by neighbours and relatives only for reasons considered valid such as sickness - 2; Supported only by neighbours in all cases - 3; Supported only by neighbours for valid reasons - 4; Supported only by relatives in all cases - 5; Supported only by relatives for valid reasons - 6; Supported by none at all - 7.
 2. If families run short of food for longer periods, are they supported? (Same as above)
 3. Obligation to share surplus produce with others. (Obliged to share with neighbours and relatives - 1; Obligated to share with relatives only - 2; Obligated to share with neighbours only - 3; not obliged at all - 4.
 4. How common is it to receive transfers in cash from friends and relatives from outside this RC1? Very common - 1; Quite common - 2; Only a few - 3; Not common - 4.
 5. How common is it to receive transfers in kind from friends and relatives from outside this RC1? Very common - 1; Quite common - 2; Only a few - 3; Not common - 4.
-

SECTION 12 : YOUTH (To be answered by one male and one female leader)

A. Availability of opportunities of employment and self employment for boys and girls of age between 15 and 25.

Employment/Self employment Activities	Code	Availability of opportunities, Code Yes-1;No-2			
		In and around RC1		In the district	
		(within 3Kms radius)			
		For boys	For girls	For boys	For girls
(1)	(2)	(3)	(4)	(5)	(6)
Crop farming including fruits and vegetables	1				
Livestock farming and dairying	2				
Fishing	3				
Other agricultural activities	4				
Manufacturing - small scale	5				
Manufacturing - medium and large scale	6				
Construction	7				
Education and Health	8				
Transport and other services	9				

B. What do you recommend for boys and girls of age 15 - 25 of this RC1? To start farming here - 1; Remain here to get some employment or self employment opportunities - 2; Move to a town to get employment or self employment - 3.

For Boys	For girls

SECTION 9 - B : SOCIAL INFORMATION - EDUCATION; (To be answered by school officials)

(Note: In this section, information on primary schools will be recorded. If there are one or more primary schools in the RC1, include up to two primary schools. If none in the RC1, only the nearest and most common will be included (both if different). Respondents would be school officials.)

Item No.	Item	Code list	P.School 1	P.School 2
(1)	(2)	(3)	(4)	(5)
1	Name of School	xxxxxxxxxxx		
2	Distance from the centre of RC1	'0' for schools in RC1		
3	Number of shifts of teaching	xxxxxxxxxxx		
4	Number of grades taught	P1 to P7 - 7 P1 to P6 - 6 ----- P1 only - 1		
5	Is there a P.T.A. in the School?	Yes -1 ;No -2		
6	Official school fees per year (in the highest grade per child)	in shillings		
7	P.T.A. fees per year (highest grade) per child	in shillings		
8	Expenses for text books and other materials per child per year	in shillings		
9	Number of total students in the school	xxxxxxxxxxx		
10 a	Number of teachers with required qualifications	xxxxxxxxxxx	-----	-----
b	Number of teachers with 5 or more years of experience but without required qualifications	xxxxxxxxxxx	-----	-----
c	Number of teachers with less than 5 years' experience and without qualifications	xxxxxxxxxxx	-----	-----
11	Number of students per class (in highest grade)	xxxxxxxxxxx		
12	Age of school	Years		
13	General maintenance of the building	Well maintained-1; Average-2; Poor-3.		
14	Condition of furniture etc.	Good-1; Average-2; Poor-3.		
15	Has maintenance improved or deteriorated during last 12 months?	Improved-1; Same-2 Deteriorated-3		
16	Who takes care of the maintenance?	Mainly government -1; Mainly people in the community- 2; Shared equally -3;None-4;Others-9		

SECTION 10 B : SOCIAL INFRASTRUCTURE - HEALTH (Information has to collected for the nearest and most common clinic (both if different) in the district)
(To be answered by a Health Official)

Item No.	Item and Codes	Clinic 1	Clinic 2
(1)	(2)	(3)	(4)
01	Distance in Km from the centre of RC1 ('0' if in the RC1)		
02	Is there any doctor in the clinic? (Yes, full time - 1; Yes, part-time - 2; No - 3.)		
03	Are there nurses (or mid-wife) in the clinic? (Same codes as above)		
04	Number of hours open for public in a week		
05	Are malaria drugs available in the clinic? (Regular supply available - 1; Irregular supply - 2; No supply - 3.)		
06	Are there antibiotics available? (Same codes as above)		
07	Are there polio vaccines available (Same codes as above)		
08	Are there measles' vaccine available (same codes as above)		
09	Fee for initial consultation		
10	Price for malaria drugs - adult dosage		
11	Price for antibiotics - adult dosage		
12	How is maintenance of the clinic buildings? (Well maintained - 1; Average maintenance -2; Poorly maintained - 3; No maintenance - 4.)		
13	Is there any equipment to sterilize needles? (Yes - 1; No - 2.)		
14	Is there any cooling storage (fridge) with (back-up) power supply? (Yes, with back-up supply - 1; Yes, without back-up - 2; No - 3.)		
15	Is there a minimum supply of bandages and compresses available? (Yes - 1; No - 2.)		
16	Is there at least a minimum supply of sterile needles and syringes available? (Yes - 1; No - 2.)		

SECTION 13 A : SEASONAL HARDSHIP (To be answered by a group of men)
