secB	INTERVIEWER: ADMINISTER INFORMED CONSENT TO RESPONDENT BEFORE YOU BEGIN. B. CONSENT My name is [A2]. May I please speak to [caregiver] ? I work with Innovations for Poverty Action (IPA), a research organization based in Accra. You have been chosen to participate in this survey because your child attends [A6] and we have obtained your contact from [head] of the school. If you could spare some time, I would like to ask you a few questions about your background; living conditions; involvement in school activities, and perception about early childhood development and kindergarten. This should only take about 30 minutes. This survey is being conducted by researchers at IPA and New York University in the United States. These institutions, together with the Ghana Education Service and the National Nursery Teacher Training Centre are researching on how to provide kindergarten teachers with effective training and support so they can best teach young	

	<p>children to learn. Our research team wants to learn from you. The information you share with us will contribute to the improvement of kindergarten education in the region.</p> <p>Your participation in this study is voluntary. You do not have to participate if you do not want to and there is no known risk to you if you choose to participate. Please rest assured that our conversation will remain fully confidential – any responses you give will not harm you, your child or the school your child attends. You may refuse to answer any of the questions and you may end the interview at any time; however, your decision will not in any way affect you or your child. We will not share this information with the head teacher, proprietor or school teachers.</p> <p>To thank you for your participation in this survey, at the end we will give you 5 Ghana Cedis of airtime for your mobile phone. We really appreciate you taking the time to speak with us today.</p> <p>If you have any questions, comments, or concerns about taking part in this survey, then please let me know. If you have additional questions, you may also contact the IPA Research Associate, Edward Tsinigo on [0203899660] or Research Manager, Maham Farhat on [0267979638] to ask questions you may have about this research.</p> <p>Do you have any questions that I can answer?</p>
