

## QUALITY PRESCHOOL FOR GHANA STUDY

### Reflecting and Learning from the Field Practice Experience

Question	Themes				
	<i>Participating in the survey</i>	<i>Working as a survey team</i>	<i>Logistics and administration</i>	<i>Survey instruments: IDELA, child-parent listing form, KG teacher survey, videotaping.</i>	<i>Using the tablet</i>
What went well?					
Challenges					
Lessons learnt					
Recommendations					

#### Participating in the Field Practice

1. What did you most enjoy about participating in the field practice?
2. What did you like the least?
3. Did you gain any new knowledge or skills because of your participation in the field practice? If yes, can you give an example?
4. What suggestions do you have for improving the field survey?

#### Using the Tablet

1. Which difficulties did you face in using the tablet?
2. Which difficulties did you face in sending data to the server (Team Leaders)?

#### Working as a Survey Team

1. What did you do in your team that helped with teamwork?
2. Which lessons did you learn about working well in a team?

3. Identify at least two recommendations for working in a team in the Baseline II survey.

### **Logistics and Administration**

1. What suggestions do you have for improving the survey logistics and administration?

### **Survey instruments - IDELA, Child-Parent Listing Form, KG Teacher Survey, Video taping**

1. How did the survey instrument(s) work on the field?
2. Which issues did you identified with the survey instrument on the field?
3. How did you resolve those issues on the field?
