

QUALITY PRESCHOOL FOR GHANA (QP4G) STUDY

BASELINE II TRAINING

Organised by

IPA-Ghana and NYU-New York

Jack and Jill School, Accra

24th August to 4th September 2015

Training Objectives

By the end of this training, you will be able to:

- State roles, responsibilities and expectations for your involvement in the Baseline II survey.
- Understand the survey and Baseline II survey modules.
- Explain the field operations and survey process.
- Carry out an effective interview, using the tablet.
- Carry out the survey in the field, following the correct protocols prescribed during the training.

Expected outcomes of training

By the end of this training, participants will be:

- positive about their involvement in the survey process;
- confident that they are well-prepared for the field survey operations (e.g., interviewing, recording);
- confident that they are fully supported by the survey management and supervisory/monitoring team, and in the field by the team leaders.
