

## Palestinian Central Bureau of Statistics

As another step towards the implementation of its dissemination strategy, the Palestinian Central Bureau of Statistics (PCBS) has started to provide micro data for public use on CD-ROM. A user friendly CD-ROM of micro data has been prepared for each household or enterprise survey conducted by PCBS. This CD-ROM contains the micro data for public use from the Socio-economic Monitoring of the Palestinian Households' Survey - 2010.

By taking this step of releasing micro data through PUF, we aim at maximizing utilization of PCBS data by various stakeholders

### About the Socio-economic Monitoring of the Palestinian Households' Survey 2010:

Socio-economic Monitoring of the Palestinian Households' Survey 2010 is considered as one of the main statistical aspects, this survey was planned to meet the needs of all users in this field in the Palestinian Territory in cooperation with FAO and

WFP. It covers socio- economic indicators forward formulation of comprehensive database on these indicators in the Palestinian Territory.

This survey is providing mainly the following indicators:
