**SECTION E: PERCEPTIONS OF RECENT CHANGES IN EDUCATION**

As you know there has been an economic crisis in Indonesia. Lots of people have made lots of statements about the impact of the crisis. I am going to make some statements and I would like to find out whether, based on your experience and observations, you agree or disagree with the statement, and the extent to which you agree or disagree. [Put an X in the column that corresponds to the answer, and write the code (1,2,3,4,5) in the last column]. IF RESPONDENT ANSWERS “NO OPINION” REMIND THEM THAT THIS IS BASED ON THEIR EXPERIENCE AND OBSERVATION, THERE IS NO “RIGHT ANSWER”.

	1	2	3	4	5	Code
	I strongly agree	I agree	I disagree	I strongly disagree	No opinion	1,2,3,4,5
1. The crisis has caused enrollments to fall in this school.						
2. The crisis has caused absenteeism to increase in this school.						
3. The crisis has worsened the health and nutrition levels of students in this school.						
4. The crisis has made it difficult to provide quality schooling in this school.						
5. The crisis made an impact on this school.						
[if disagree or strongly disagree with 5, skip to 6]						
5a. The crisis made an impact on this school and it is still affected						
5b. The crisis made an impact on this school and the impact is bigger in this school year than last.						
5c. The crisis made an impact on this school but it is no longer affected
