Technical record

Study #

Turkey 2007_v20180912

TURKEY 2007

Geographical scope:

Turkey

Principal investigator(s):

Yilmaz Esmer

Data Collection Organization:

SAM, Levent, Istanbul

Fieldwork Period:

28-01-2007 - 05-03-2007.

Universe:

National Population, Both sexes, 18 and more years

Sample size:

1346

Questionnaire:

50 interviews were carried out to test the translations of new questions in the questionnaire. These 50 respondents included males and females, people of different educational levels and different SES. V175 and V176 both foreign aid questions Reason(s) not included: The questions, irrelevant in the Turkish context, were omitted with the approval of the Executive Committee.

Sample:

1st stage: Random selection of statistical blocks of 150 households each. 2nd stage: Random selection of addresses within blocks. 3rd stage: Random selection of the individual to be interviewed within the household.

Remarks about sampling:

NUTS-1 level was used for stratification (selection of blocks). There are 12 NUTS-1 regions in Turkey.

Survey procedure:

Personal Face to Face Interview

Fieldwork:

Substitution was permitted for a) invalid addresses b)hard refusals c)selected individual would be unavailable within a reasonable period of time. In those cases, another random selection of household was made within the same statistical block. All interviews face to face.

Remarks about non-response:

Response rate, after substitutions, was 74%.

Weighting:

The weight variable is constructed so that each stratum has the number of cases proportional to its population. However, weighted and unweighted results differ only minimally if at all.

V122.- Some people believe that individuals can decide their own destiny, while others think that it is impossible to escape a predetermined fate. Please tell me which comes closest to your view on this scale on which 1 means "everything in life is determined by fate," and 10 means that "people shape their fate themselves." (Code one number):

Turkey 2007(N=1346)

Bazı insanlar kendi kaderlerini kendilerinin çizdiğine inanırlar. Diğer bazıları ise, hayatlarının akışını kaderin tayin ettiğine inanırlar. Bu cetvelin bir ucunda, insanın elinden hiçbir şey gelmediğine, herşeyin kadere bağlı olduğuna inananlar var. Diğer uçta ise, kader diye birşey olmadığına, kişinin kendi kaderini kendisinin yaptığına inananlar var. Siz kendinizi bu cetvelin neresine yerleştirirsiniz?

	TOTAL	Sex		Age

V174.- I'm going to read out another list of global problems, and goals that world leaders have set to reduce them. Indicate for each of these goals how high a priority your own country's leaders should give to it, using this card. (Read out and code one answer for each goal): About 840 million people around the world live in slums. The goal is to make a significant improvement in the housing of at least 100 million people.

Turkey 2007(N=1346)

Şimdi size gene dünya liderlerinin çözmeye çalıştığı bir küresel sorunlar ve hedefler listesi okuyacağım. Bunların herbirine bizim ülkemizin yöneticileri ne kadar öncelik vermeli. Yani bu sorunlara bizim liderlerimiz en üst yani birinci derecede öncelik mi tanısın? Üst düzeyde öncelik mi tanısın? Orta derecede öncelik mi, yoksa düşük öncelik mi versin?

Dünyada yaklaşık 840 milyon insan, çok kötü evlerde yaşıyor. Hedef, en az 100 milyon insanı daha iyi evlere kavuşturmak.

	TOTAL	Sex		Age		
		Male	Female	Up to 29	30-49	50 and up
Top priority	61.1	60.1	62.0	60.7	60.5	63.4
