Household Attrition Form- Mosoriot Round 3

Household ID:	Date:	Interviewer:	Supervisor:

Instructions:
- This form is for recording households that were in our survey in round 2 but
  - have not been found in round 3, or
  - refused to be interviewed in round 3, or
  - divided into two parts between round 2 and 3.
- Use this form only if the ENTIRE household is not located (in-clinic respondent not found, or household not found in village)
- Try to obtain information on whereabouts by asking neighbors, village elders, or clinic outreach staff.
- If household has moved to another village within Kosirai Division, try to locate the household and complete the interview. On the survey cover sheet, you can record new GPS coordinates for the household.
- If household has been divided into two segments and the second segment is within Kosirai Division, conduct interview with original segment and create a new household number for the second segment.
