Government Response to Georgia II Improving General Education Quality Interim Evaluation Report

Attn: Ms. Berta Heybey,
Managing Director of Monitoring and Evaluation
Millennium Challenge Corporation
1099 14th Street, NW
Washington, DC 20005

Dear Ms. Heybey,

In consultation with key partners in the education sector, we have reviewed the Improving General Education Quality Interim Evaluation Report. The memo was prepared by an independent evaluator – Mathematica Policy Research, contracted by MCC to evaluate MCC/MCA-G investments.

The Millennium Challenge Account - Georgia welcomes the report. The findings presented in the report provide valuable lessons regarding education.

Sincerely,

Magda Magradze

Chief Executive Officer
