consentnote1_cg	CONSENT 1L. *My name is [enumname_cg]. I work for Innovations for Poverty Action (IPA). IPA is doing a study to find out about the life and safety of small small girls in Nimba County. So, I will like to ask you to take part in a study. This study is looking at ways in which we can help make the life of girls better in this village.*		
consentnote2_cg	CONSENT 2L. *Now that I finished talking with _____ (girl's name), we also want to ask question to people who are taking care of small small girls in Nimba County. Now, if you agree to take part, then you and I will talk in secret for about 15 minutes, and nobody will be there.*		
consentnote3_cg	CONSENT 3L. RISKS, BENEFITS, CONFIDENTIALITY: *If you take part in the study now, we may come back to talk to you in about two years' time. You can say no to take part in two years even if you take part in this one today.*		
consentnote4_cg	CONSENT 4L. *To take part in the study is free. There is no benefit or favors to you if you take part, and also nothing bad will happen if you take part. Also nobody will do anything to you if you don't take part. When we start talking, if you don't feel like answering some questions, you are not force to answer. You can stop talking to us any time you want to and nobody will do anything to you for not talking.*		
consentnote5_cg	CONSENT 5L. *Again, I say every answer you give will be secret, nobody will know or hear about it. There's a small small chance that accident may occur with the information that you give us. But we do our possible best to protect your information. The information you give us can be used in our reports. Your name, family name, or even town name will not be mention in any reports. We hope the answers you give us will help make girls better in Nimba County.*
