

Quadro B.1 – Caraterísticas dempgráficas, pequenas e médias explorações, por provincia

Quadro C.1 - Distribuição das respostas a Seccao C por provincia, pequenas e médias explorações

Quadro D.1 - Pequenas e médias explorações, uso de mão-de-obra

Quadro E1.1 - Pequenas e médias explorações com cereais e amendoim

Quadro E1.2 Producao de cereais e amendoim (toneladas), pequenas e medias exploracoes

Quadro E2.1 – Pequenas e médias explorações com feijões, por provincia

Quadro E2.2 Produção das feijões (toneladas), pequenas e médias explorações

Quadro EF3.1 Pequenas e médias explorações com mandioca/batata doce, por provincia

Quadro EF3.2 Producao de mandioca e batata doce (toneladas, fresca com casca), pequenas e grandes exploracoes

Quadro G. Pequenas e médias explorações com culturas de rendimento por provincia

Quadro G.2 Producao e venda de culturas de rendimento (toneladas), pequenas e médias explorações

Quadro H.1 - Pequenas e médias explorações com horticolas

Quadro I.1 - Pequenas e médias explorações com fruteiras/ arvores de fruta

Quadro L.2 Numero de animais por provincia, pequenas e médias explorações

Quadro M.1 Percentagem de pequenas e medias exploracoes por utilizacao de asistencia tecnica veterinaria (criadores)

Quadro B.3 - Características demográficas, PEQUENAS E MEDIAS exploracoes
