CONSENT FORM

NOTE: NEED TO GIVE ONE COPY OF THE CONSENT FORM TO THE BARANGAY CAPTAIN

Good morning/afternoon, my name is _____ (state name) with the firm Philippine Survey and Research Center (PSRC). You are being asked to participate in a research study. The study is being done by the World Bank in cooperation with the Department of Social Welfare and Development (DSWD). The purpose of the study is to better understand the conditions within your community in order to improve available social programs. Your barangay has been selected for the interview on the basis of the results of lot drawing.

You are not obliged to answer every question we pose to you. All answers are strictly for research purposes, and will be kept confidential. This interview will take about 1 hour. The information you provide will help your local government and international organizations design programs that will improve the existing sanitation conditions in your area.

Thank you for your participation.

M109. Principal respondents

Fill in the following table with the names of potential interviewees as provided by the head of the village/barangay. Potential interviewees must be aware of and properly informed about government or other programs ongoing in the barangay.
