## Identification

### SURVEY ID NUMBER

IND\_2010\_SAGE-PAVS\_v01\_M

### TITLE

SAGE Physical Activity Validation Study 2010

### COUNTRY

Name	Country code
India	IND

### STUDY TYPE

Other Household Survey [hh/oth]

### ABSTRACT

Using the same study population from the 2005 SAGE Pilot, this 2010 sub-study on physical activity (measured using accelerometer and self-reported using the Global Physical Activity Questionnaire(GPAQ)) was conducted in a sample of 200: 72 men and 128 women between the ages of 49 and 90 years in Jodhpur, Rajasthan, India.

Respondents wore ActiGraph (Pensacola, FL) GT3X accelerometers at the hip (~1 cm toward the midline from the iliac crest) for seven consecutive days, with the accelerometer set to record data for all three axes at 60 second epochs.

Anthropometric dimensions (weight, height, body mass index]) were obtained following standard practices.

The SAGE PA VALIDATION sub-study used a short survey questionnaire derived from the larger SAGE survey instrument and covered a range of topics, including economic well-being and work history, health state and functioning, preventive health behaviours, social cohesion, and time-use. The interview process also included a timed 4-meter walk and grip strength.

### KIND OF DATA

Sample survey data [ssd]

### UNIT OF ANALYSIS

individuals

## Version

### VERSION DESCRIPTION

Version 01: Edited, anonymous dataset for public distribution.

### VERSION DATE

2014-11-11

## Scope

### NOTES

The scope of the PA Validation sub-study includes:

- Respondent Characteristics: age, sex, employment
- Health State Description: self-reported difficulties experienced in several domains of health (including Self-care, mobility, vision, pain and discomfort, cognition, sleep and energy, affect, interpersonal activities), functional ability in activities of daily living and instrumental activities of daily living.
- Chronic Condition: self-reported chronic diseases (angina, arthritis, stroke, hypertension, lung disease, diabetes, eye problems, oral health, asthma, and injuries).
- Preventive Health Behaviours: nutrition and physical activity.
- Anthropometric Measurements: weight, height.
- Social Cohesion, Subjective Well-being, Accelerometry.

## TOPICS

Topic	Vocabulary
Physical Activity Validation Study (PAVS)	Survey

## KEYWORDS

Keyword
Ageing, Asthma, Cancer, Chronic diseases, COPD, Depression, Diabetes, Diet, Disabilities, Edentulism, Epidemiology, Health surveys, Heart disease, Injury, Nutrition, Obesity, Oral Health, Physical activity, Risk factors, Statistics, Visual impairment

## Coverage

## GEOGRAPHIC COVERAGE

Jodhpur, Rajasthan, India

## UNIVERSE

The survey covered all de jure household members (usual residents), 49+ years resident in the household.

## Producers and sponsors

## PRIMARY INVESTIGATORS

Name	Affiliation
Dr MATHUR, Arvind	Dr. S.N. Medical College (Jodhpur)

## PRODUCERS

Name	Affiliation	Role
CEPONS ROBINS, Tara	University of Oregon	cleaning of accelerometry data and creation of derived variables
LIEBERT, Melissa	University of Oregon	cleaning of accelerometry data and creation of derived variables

## FUNDING AGENCY/SPONSOR

## ACCESS CONDITIONS

The data is accessible under the following terms and conditions:

1. The data and other materials will not be redistributed or sold to other individuals, institutions, or organizations without the written agreement of The World Health Organization(WHO).
2. The data will be used for statistical and scientific research purposes only. They will be used solely for reporting of aggregated information, and not for investigation of specific individuals or organizations.
3. No attempt will be made to re-identify respondents, and no use will be made of the identity of any person or establishment discovered inadvertently. Any such discovery would immediately be reported to WHO.
4. No attempt will be made to produce links among datasets provided by the WHO Multi-Country Studies Data Archive, or among data from the WHO Multi-Country Studies Data Archive and other datasets that could identify individuals or organizations.
5. Any books, articles, conference papers, theses, dissertations, reports, or other publications that employ data obtained from the WHO Multi-Country Studies Data Archive will cite the source of data in accordance with the Citation Requirement provided with each dataset.
6. An electronic copy of all reports and publications based on the requested data will be sent to the The World Health Organization.

Dr. S.N. Medical College (Jodhpur), The World Health Organization(WHO) and the US National Institute on Aging(NIA) bear no responsibility for use of the data or for interpretations or inferences based upon such uses.

## CITATION REQUIREMENTS

Publications based on SAGE Physical Activity Validation data should use the following acknowledgement:

"This paper uses data from the WHO SAGE Physical Activity Validation Study, A Study on Global AGEing and Adult Health (SAGE) sub-study."

V16	q0401	Q0401: Total number of persons in HH	What is the total number of people who live in this household? (including the respondent)
V17	q0727	Q0727: Enough?	Thinking about the income for this household, do you believe that it is enough money to cover your daily living needs and obligations?
V18	q0728	Q0728: Situation	Would you say your household's financial situation is...?
V19	q1503	Q1503: Currently working?	Have you worked for at least 2 days during the last 7 days?
V20	q1509	Q1509: Main job - employer	Who is/was your employer in your current/most recent MAIN job?
V21	q2000	Q2000: Health today	In general, how would you rate your health today?
V22	q2001	Q2001: Activities	Overall in the last 30 days, how much difficulty did you have with work or household activities?
V23	q2002	Q2002: Moving around	Overall in the last 30 days, how much difficulty did you have with moving around?

ID	Name	Label	Question
V24	q2003	Q2003: Vigorous activities	Overall in the last 30 days, how much difficulty did you have in vigorous activities ('vigorous activities' require hard physical effort and cause large increases in breathing or heart rate)?
V25	q2004	Q2004: Self-care	Overall in the last 30 days, how much difficulty did you have with self-care, such as bathing/washing or dressing yourself?
V26	q2005	Q2005: Appearance	Overall in the last 30 days, how much difficulty did you have in taking care of and maintaining your general appearance (for example, grooming, looking neat and tidy)?
V27	q2006	Q2006: Time by yourself	Overall in the last 30 days, how much difficulty did you have in staying by yourself for a few days (3 to 7 days)?
V28	q2007	Q2007: Bodily pains	Overall in the last 30 days, how much of bodily aches or pains did you have?
V29	q2008	Q2008: Bodily discomfort	Overall in the last 30 days, how much bodily discomfort did you have?
V30	q2009	Q2009: Difficulty b/c pain	Overall in the last 30 days, how much difficulty did you have in your daily life because of your pain?
V31	q2010	Q2010: Memory	Overall in the last 30 days, how much difficulty did you have with concentrating or remembering things?
V32	q2011	Q2011: Learning	Overall in the last 30 days, how much difficulty did you have in learning a new task (for example, learning how to get to a new place, learning a new game, learning a new recipe)?
V33	q2012	Q2012: Relationships	Overall in the last 30 days, how much difficulty did you have, with personal relationships or participation in the community?
V34	q2013	Q2013: Conflicts	Overall in the last 30 days, how much difficulty did you have, in dealing with conflicts and tensions with others?
V35	q2014	Q2014: Friendships	Overall in the last 30 days, how much difficulty did you have, with making new friendships or maintaining current friendships?
V36	q2015	Q2015: Dealing with strangers	Overall in the last 30 days, how much difficulty did you have, with dealing with strangers?
V37	q2016	Q2016: Sleep	Overall in the last 30 days, how much of a problem did you...have with sleeping, such as falling asleep, waking up frequently during the night or waking up too early in the morning?
V38	q2017	Q2017: Rested	Overall in the last 30 days, how much of a problem did you...have due to not feeling rested and refreshed during the day (for example, feeling tired, not having energy)?
V39	q2018	Q2018: Depression	Overall in the last 30 days, how much of a problem did you have with feeling sad, low or depressed?
V40	q2019	Q2019: Worry	Overall in the last 30 days, how much of a problem did you have with worry or anxiety?
V41	q2020	Q2020: Years ago eyes examined	When was the last time you had your eyes examined by a medical professional?
V42	q2021	Q2021: Visual aids far away	Do you use eyeglasses or contact lenses to see far away (for example, across the street)?
V43	q2022	Q2022: Visual aids close	Do you use eyeglasses or contact lenses to see up close (for example at arms length, like when you are reading)?
V44	q2023	Q2023: Visual difficulty	In the last 30 days, how much difficulty did you have in seeing and recognising an object a person you know across the road (from a distance of about 20 meters)?
V45	q2024	Q2024: Visual difficulty	In the last 30 days, how much difficulty did you have in seeing and recognising an object at arm's length (for example, reading)?
V46	q2027	Q2027: Standing up	In the last 30 days, how much difficulty did you have in standing up from sitting down?

ID	Name	Label	Question
V47	q2028	Q2028: Standing	In the last 30 days, how much difficulty did you have in standing for long periods?
V48	q2032	Q2032: HH responsibilities	In the last 30 days, how much difficulty did you have in taking care of your household responsibilities?
V49	q2033	Q2033: Community activities	In the last 30 days, how much difficulty did you have in joining in community activities (for example, festivities, religious or other activities) in the same way as anyone else can?
V50	q2035	Q2035: Concentration	In the last 30 days, how much difficulty did you have concentrating on doing something for 10 minutes?
V51	q2036	Q2036: Walking	In the last 30 days, how much difficulty did you have in walking a long distance such as a kilometer?
V52	q2037	Q2037: Washing body	In the last 30 days, how much difficulty did you have in bathing/washing your whole body?
V53	q2038	Q2038: Dressing	In the last 30 days, how much difficulty did you have in getting dressed?
V54	q2039	Q2039: Daily work	In the last 30 days, how much difficulty did you have in your day to day work?
V55	q2042	Q2042: Eating	In the last 30 days, how much difficulty did you have with eating (including cutting up your food)?
V56	q2043	Q2043: Getting up from lying down	In the last 30 days, how much difficulty did you have with getting up from lying down?
V57	q2044	Q2044: Using toilet	In the last 30 days, how much difficulty did you have with getting to and using the toilet?
V58	q2045	Q2045: Bowel control	In the last 30 days, how much difficulty did you have with control of your bowel or bladder functions?
V59	q2046	Q2046: Going out	In the last 30 days, how much difficulty did you have getting out of your home?
V60	q2047	Q2047: Emotional effect	In the last 30 days, how much difficulty did you have In the last 30 days, how much have you been emotionally affected by your health condition(s)?
V61	q2048	Q2048: Interference with daily life	Overall, in the last 30 days, how much did these difficulties interfere with your life?
V62	q2049	Q2049: how many days difficulties present	Overall, in the past 30 days, how many days were these difficulties present?
V63	q2504	Q2504: Self-reported height	What is your height in centimeters?
V64	q2505	Q2505: Self-reported weight	What is your weight in kilograms?
V65	q25xx	Q25xx: Filter for Q2504-Q2505	Can respondent stand up, yes or no?
V66	q2506	Q2506: Measured height (cm)	Measured height
V67	q2507	Q2507: Measured weight (kg)	Measured weight (kg)
V68	q2508	Q2508: Tandem stand	Measured time for balance - tandem stand
V69	q2509	Q2509: Side by side stand	Measured time - side-by-side stand
V70	q2510	Q2510: Normal walk	Did respondent complete the walk at usual pace?
V71	q2511	Q2511: 4 m. time	Time at 4 metres
V72	q2512	Q2512: Rapid walk	Did respondent complete the walk at rapid pace?
V73	q2513	Q2513: 4 m. time rapid	Time at 4 metres
V74	q2518	Q2518: Pain/surgery on left?	Have you had any surgery on your left arm, hand or wrist in the last 3 months OR arthritis or pain in your left hand or wrist?

ID	Name	Label	Question
V75	q2519	Q2519: Pain/surgery on right?	Have you had any surgery on your right arm, hand or wrist in the last 3 months OR arthritis or pain in your right hand or wrist?
V76	q2520	Q2520: Dominant hand	First test left hand
V77	q2521	Q2521: Left 1	
V78	q2522	Q2522: Left 2	Second test left hand
V79	q2523	Q2523: Right 1	First test right hand
V80	q2524	Q2524: Right 2	Second test right hand
V81	q3012	Q3012: Fruits	How many servings of fruit do you eat on a typical day?
V82	q3013	Q3013: Veg	How many servings of vegetables do you eat on a typical day?
V83	q3014	Q3014: Eat less?	In the last 12 months, how often did you ever eat less than you felt you should because there wasn't enough food?
V84	q3015	Q3015: Hungry, no money to buy?	In the last 12 months, were you ever hungry, but didn't eat because you couldn't afford enough food?
V85	q3016	Q3016: Vigorous work	Does your work involve vigorous-intensity activity that causes large increases in breathing or heart rate, [like heavy lifting, digging or chopping wood] for at least 10 minutes continuously?
V86	q3017	Q3017: Days vigorous work	In a typical week, on how many days do you do vigorous-intensity activities as part of your work?
V87	q3018	Q3018: Time vig work	How much time do you spend doing vigorous- intensity activities at work on a typical day?
V88	q3019	Q3019: Moderate work	Does your work involve moderate-intensity activity that causes small increases in breathing or heart rate [such as brisk walking, carrying light loads, cleaning, cooking, or washing clothes] for at least 10 minutes continuously?
V89	q3020	Q3020: Days moderate work	In a typical week, on how many days do you do moderate-intensity activities as part of your work?
V90	q3021	Q3021: Time mod work	How much time do you spend doing moderate- intensity activities at work on a typical day?
V91	q3022	Q3022: Walk/bike	Do you walk or use a bicycle (pedal cycle) for at least 10 minutes continuously to get to and from places?
V92	q3023	Q3023: Days walk/bike	In a typical week, on how many days do you walk or bicycle for at least 10 minutes continuously to get to and from places?
V93	q3024	Q3024: Time/day	How much time would you spend walking or bicycling for travel on a typical day?
V94	q3025	Q3025: Vigorous fitness/leisure	Do you do any vigorous intensity sports, fitness or recreational (leisure) activities that cause large increases in breathing or heart rate [like running or football], for at least 10 minutes continuously?
V95	q3026	Q3026: Days vig fitness/leisure	In a typical week, on how many days do you do vigorous intensity sports, fitness or recreational (leisure) activities?
V96	q3027	Q3027: Time vig fit/leisure	How much time do you spend doing vigorous intensity sports, fitness or recreational activities on a typical day?
V97	q3028	Q3028: Moderate fitness/leisure	Do you do any moderate-intensity sports, fitness or recreational (leisure) activities that causes a small increase in breathing or heart rate [such as brisk walking, cycling or swimming] for at least 10 minutes at a time?
V98	q3029	Q3029: Days mod fitness/leisure	In a typical week, on how many days do you do moderate-intensity sports, fitness or recreational (leisure) activities?
V99	q3030	Q3030: Time mod fit/leisure	How much time do you spend doing moderate intensity sports, fitness or recreational (leisure) activities on a typical day?
V100	q3031	Q3031: Leisure time/d	How much time do you usually spend sitting or reclining on a typical day?

ID	Name	Label	Question
V101	q4001	Q4001: Arthritis	Have you ever been diagnosed with/told you have arthritis (a disease of the joints, or by other names rheumatism or osteoarthritis)?
V102	q4010	Q4010: Stroke	Have you ever been told by a health professional that you have had a stroke?
V103	q4014	Q4014: Angina	Have you ever been diagnosed with angina or angina pectoris (a heart disease)?
V104	q4022	Q4022: Diabetes	Have you ever been diagnosed with diabetes (high blood sugar)?
V105	q4025	Q4025: Chronic lung disease	Have you ever been diagnosed with chronic lung disease (emphysema, bronchitis, COPD)?
V106	q4033	Q4033: Asthma	Have you ever been diagnosed with asthma (an allergic respiratory disease)?
V107	q4040	Q4040: Depression diagnosis	Have you ever been diagnosed with depression?
V108	q4060	Q4060: Hypertension	Have you ever been diagnosed with high blood pressure (hypertension)?
V109	q4062	Q4062: Cataracts	In the last 5 years, were you diagnosed with a cataract in one or both of your eyes (a cloudiness in the lens of the eye)?
V110	q4066	Q4066: Lost all teeth?	Have you lost all of your natural teeth?
V111	q4073	Q4073: Other bodily injury?	In the last 12 months, have you had any event where you suffered from bodily injury?
V112	q4073a	Q4073a: Where did injury occur	Where were you when you were injured?
V113	q4073a_other	Q4073a: other specify	Other specify
V114	q4074	Q4074: Cause of event	What was the cause of this injury?
V115	q4075	Q4075: How did happen?	How did the injury happen? Was it an accident, did someone else do this to you, or did you do this to yourself?
V116	q4076	Q4076: Treatment	Did you receive any medical care or treatment for your injuries?
V117	q4077	Q4077: Disability?	Did you suffer a physical disability as a result of being injured?
V118	q4077a_1	Q4077a: What type of disab?	In what ways were you physically disabled? 1. UNABLE TO USE HAND OR ARM
V119	q4077a_2	Q4077a: What type of disab?	In what ways were you physically disabled? 2. DIFFICULTY TO USE HAND OR ARM
V120	q4077a_3	Q4077a: What type of disab?	In what ways were you physically disabled? 3. WALK WITH A LIMP
V121	q4077a_6	Q4077a: What type of disab?	In what ways were you physically disabled? 6.WEAKNESS OR SHORTNESS OF BREATH

V127	q6004	Q6004: Neighborhood	How often in the last 12 months have you worked with other people in your neighborhood to fix or improve something?
V128	q6005	Q6005: Friends	How often in the last 12 months have you had friends over to your home?

ID	Name	Label	Question
V129	q6006	Q6006: In other home	How often in the last 12 months have you been in the home of someone who lives in a different neighbourhood than you do or had them in your home?
V130	q6007	Q6007: Coworkers	How often in the last 12 months have you socialized with coworkers outside of work?
V131	q6008	Q6008: Religious services	How often in the last 12 months have you attended religious services (not including weddings and funerals)?
V132	q6009	Q6009: How often go out?	How often in the last 12 months have you gotten out of the house/your dwelling to attend social meetings, activities, programs or events or to visit friends or relatives?
V133	q6010	Q6010: Want to get out more?	Would you like to go out more often or are you satisfied with how much you get out of the house?
V134	q6011	Q6011: Why not?	What is the main reason that you don't get out more?
V135	q7008a	Q7008a: Control	How often have you felt that you were unable to control the important things in your life?
V136	q7008b	Q7008b: Coping	How often have you found that you could not cope with all the things that you had to do?
V137	q7009	Q7009: Overall QoL	How would you rate your overall quality of life?
V138	q7010	Q7010: Happiness level	Taking all things together, how would you say you are these days? Are you....?
V139	q7013	Q7013: Awoke	At what time did you wake up yesterday?
V140	q7014	Q7014: went to sleep	At what time did you go to sleep yesterday?
V141	q7015_1	Q7015_1: activity 1	Please tell me the main things that you did yesterday morning from the time you woke up until around noon/mid-day. Please also mention if you were talking or interacting with anyone for any parts of the morning. By interacting with, I mean were you consistently paying attention to someone. For example, if you were bathing a young child you would be interacting with them even if you were not talking. On the other hand, talking to someone for less than 5 minutes does not count as interacting. Be sure to cover as much as you can remember. You don't have to go in order, but it's probably easier that way. Be sure to stop with activities from around noon/mid-day.
V142	q7015_2	Q7015_2: activity 2	Please tell me the main things that you did yesterday morning from the time you woke up until around noon/mid-day. Please also mention if you were talking or interacting with anyone for any parts of the morning. By interacting with, I mean were you consistently paying attention to someone. For example, if you were bathing a young child you would be interacting with them even if you were not talking. On the other hand, talking to someone for less than 5 minutes does not count as interacting. Be sure to cover as much as you can remember. You don't have to go in order, but it's probably easier that way. Be sure to stop with activities from around noon/mid-day.
V143	q7015_3	Q7015_3: activity 3	Please tell me the main things that you did yesterday morning from the time you woke up until around noon/mid-day. Please also mention if you were talking or interacting with anyone for any parts of the morning. By interacting with, I mean were you consistently paying attention to someone. For example, if you were bathing a young child you would be interacting with them even if you were not talking. On the other hand, talking to someone for less than 5 minutes does not count as interacting. Be sure to cover as much as you can remember. You don't have to go in order, but it's probably easier that way. Be sure to stop with activities from around noon/mid-day.

### description

#### DEFINITION

Now I would like to review the different functions of your body. When answering these questions, I would like you to think about the last 30 days, taking both good and bad days into account. When I ask about difficulty, I would like you to consider how much difficulty you have had, on average, in the last 30 days, while doing the activity in the way that you usually do it. By difficulty I mean requiring increased effort, discomfort or pain, slowness or changes in the way you do the activity.

## Q2003: Q2003: Vigorous activities

**description**

## DEFINITION

Now I would like to review the different functions of your body. When answering these questions, I would like you to think about the last 30 days, taking both good and bad days into account. When I ask about difficulty, I would like you to consider how much difficulty you have had, on average, in the last 30 days, while doing the activity in the way that you usually do it. By difficulty I mean requiring increased effort, discomfort or pain, slowness or changes in the way you do the activity.

## description

### DEFINITION

These next questions ask about difficulties due to health conditions. By difficulty I mean requiring increased effort, discomfort or pain, slowness or changes in the way you do the activity. Health conditions include diseases or illnesses, other health problems that may be short or long lasting, injuries, mental or emotional problems, and problems with alcohol or drugs.

Think back over the last 30 days and answer these questions thinking about how much difficulty you had doing the following activities. Some of these questions may seem repetitive, but we do need your attention and it is important to give us answers to each question.

Measured time for balance - tandem stand

## CATEGORIES

Value	Category	Cases	
8		2	1%
10		180	91.8%
97	refused	2	1%
98	not able	12	6.1%
Sysmiss		4	

## INTERVIEWER INSTRUCTIONS

INTERVIEWER: Begin with a tandem stand (heel of one foot placed by the big toe of the other foot - that is, one foot in front of the other). Individuals unable to hold this position should try the side-by-side position.

INTERVIEWER: Demonstrate. Check their understanding and ability to do this.

If respondent can attempt, decide on forward foot. Then get the respondent into position. Stand next to the participant to help him or her into tandem position. Allow participant to hold onto your arms/wall/chair to get balance. Begin timing when participant has the feet in position and lets go. Stop when respondent touches arm/wall/chair, shifts her/his feet, or after 10 seconds.

## QUESTION POST TEXT

97. Refused

98. Not able

**description**

## DEFINITION

## Tandem stand

I would now like to assess your balance. Keep your shoes off for this test. Please try to stand with the heel of one foot in front of the toes of the other foot for 10 seconds. You may put either foot in front, whichever is more comfortable for you. Please watch while I demonstrate. You may use your arms, bend your knees, or move your body to maintain your balance, but try not to move your feet. Try to hold this position until I tell you to stop.

**Q2509: Q2509: Side by side stand****Data file: IndiaPAValidation****Overview**

Valid: 200 Invalid: 0

Type: Discrete Decimal: 0 Width: 8 Range: 1 - 8 Format: Numeric

## Questions and instructions

### QUESTION PRETEXT

Next I am going to ask you about the time you spend doing different types of physical activity in a typical week. Please answer these questions even if you do not consider yourself to be an active person. Think first about the time you spend doing work. Think of work as the things that you have to do such as paid or unpaid work, household chores, harvesting food/crops, fishing or hunting for food, providing care or seeking employment.

In answering the following questions 'vigorous activities' require hard physical effort and cause large increases in breathing or heart rate, 'moderate activities' require moderate physical effort and cause small increases in breathing or heart rate.

### LITERAL QUESTION

Does your work involve vigorous-intensity activity that causes large increases in breathing or heart rate, [like heavy lifting, digging or chopping wood] for at least 10 minutes continuously?

### Questions and instructions

#### LITERAL QUESTION

Please tell me the main things that you did yesterday morning from the time you woke up until around noon/mid-day. Please also mention if you were talking or interacting with anyone for any parts of the morning. By interacting with, I mean were you consistently paying attention to someone. For example, if you were bathing a young child you would be interacting with them even if you were not talking. On the other hand, talking to someone for less than 5 minutes does not count as interacting.

Be sure to cover as much as you can remember. You don't have to go in order, but it's probably easier that way. Be sure to stop with activities from around noon/mid-day.

3. Very much

## description

### DEFINITION

We often feel different things during different parts of the day. Sometimes we feel good, sometimes we feel less good. And some of the things we do are enjoyable, while some activities are not so enjoyable. Now, please think about how you felt yesterday morning. For the following questions, please respond "not at all", "a little", or "very much".

### Questions and instructions

### LITERAL QUESTION

Please tell me the main things that you did yesterday afternoon from around noon/mid-day until evening time (around 18.00 or 6pm). Please also mention if anyone was with you for any parts of the afternoon.

Be sure to cover as much as you can remember. You don't have to go in order, but it's probably easier that way. Be sure to describe only the activities from your afternoon yesterday between mid- day and evening.

### Questions and instructions

#### LITERAL QUESTION

Please tell me the main things that you did yesterday evening from around 6pm (18.00) until you went to sleep. Please also

mention if anyone was with you for any parts of the evening.

Be sure to cover as much as you can remember. You don't have to go in order, but it's probably easier that way.

5/17 was removed. Only one hour of data recorded for that day.		1	3.1%
5/19 and 5/20 were removed.		1	3.1%
5/21 and 5/28 were merged to create a full day.		1	3.1%
5/25 was removed.		1	3.1%
6/30 removed due to sparse data.		1	3.1%
6th day was removed because it was completely empty. Total is out of 6 days. Data is pretty sparse. Also has step data and inclinometry, if interested. I created a column just to report their presence.		1	3.1%
7th day removed because there was only 3 hours of data.		1	3.1%
7th day was spotty. Total is out of 6 days.		1	3.1%
Cannot be used because file was created with larger than 60 second epoch, cannot be reintegrated either.		2	6.3%
Consider scrapping this. Really spotty data. Hard to figure out what's sleeping and what isn't.		1	3.1%
Data hard to interpret. First few days are sparse. Lot's of small twitches of activity throughout. Difficult to assess minutes. Left it at 7 days, even though the first few may not have good data. They may have just not moved very much though.		1	3.1%
Deleted 5/13/2010 due to spotty data.		1	3.1%
Deleted two days of sparse data that only had 4 hours of activity per day (5/5 and 5/7).		1	3.1%
Does not appear to have slept.		1	3.1%
Does not seem to sleep.		1	3.1%
Does this person really weigh 169 kg????		1	3.1%
First day had no data. 6 days recorded.		2	6.3%
Might consider taking out of six days, because one of the days only has about 4 hours of data.		1	3.1%
Naps almost daily between 15:00 and 16:00, but still included as hours awake. Seems to sleep a lot.		1	3.1%
Only wore for 2 days. The rest of the data is pretty sparse.		1	3.1%
Originally over eight days. Last day full day and last half day removed.		2	6.3%
Seems to have forgotten to wear on sixth day. I deleted that day, so while daily average is only based on 6 days.		1	3.1%

There were 10 days total: I took out first day and last two.		1	3.1%
There were 10 days total: I took out first two days because they had the most spotty data and the last day.		1	3.1%
This person seriously did not sleep.		1	3.1%
Very sparse data. Only 48 hours seemed consistent.		1	3.1%
When there are slight amounts of data during sleeping hours, should they be removed from the total counts?		1	3.1%
