

**INTEGRATED HOUSEHOLD LIVING CONDITIONS ASSESSMENT
IN THE UNION OF MYANMAR**

Community Price Questionnaire

A. Identification of the market

A 1	STATE/DIVISION (S/D)				
A 2	DISTRICT				
A 3	TOWNSHIP (TW)				
A 4	WARD/VILLAGE TRACT(W/V/T)				
A 5	URBAN/RURAL	1. Urban	2. Rural		
A 6	WARD SEGMENT/VILLAGE.....				
A 7	NAME OF MARKET.....				

Instructions:

1) The community price survey should be undertaken in the market where most households in the ward/village buy the majority of their food products (as determined by the Key Informants Survey for the same ward/village). Usually this will be at the local market, and in some cases at the regional market.

2) The questionnaire should be completed by a (lady) enumerator coming from the same local area, in order to minimise potential biases in respondents' answers.

3) Prices should be surveyed in 3 different locations for each item.

4) Please identify all shops/stands/vendors/ service provider visited towards completion of the Price Questionnaire in each ward/village.

B. Identification of locations (shops/stands/vendor/ service provider)

Shop/stand/ vendor/ service provider ID	Date of visit		Location of market/ service provider		Type of shop/ service provider		Shop/stand/ vendor/ service provider ID	Date of visit		Location of market/ service provider		Type of shop/ service provider
