The Procedure for Filling in the Table of the Section 3 Column (see next page)

All the departure/arrival/return trips of each H/H members who have answered "Yes" to the questions S2.32 and S2.41, made since 1 January, 2014 for 3 months or more for work/family/ permanent residence or study/education are to be completed:

a) In the **1st column** write down the serial number of H/H member who has answered "Yes" to the questions S2.32 and S2.41. Try to formulate the questions with a personal approach, trying to remember the names of H/H members: for example, "What was the nature of Armen's trip in 2014?" and so on.

b) Write all entries horizontally. This means write down all the characteristics of the trip (departures/arrivals) of the given H/H member (**3.1. First year and month of the trip 3.2. Nature of the trip, 3.3. The country/region of departure /arrival**) according to the columns and making appropriate notes in the "Transition" field and only after that move on to the next H/H member.

3.1. First year and month of the trip

c) Fill in the columns for each H/H member starting from the year and month of the first departure/arrival since 1 January 2014, indicating the year with four characters, and the month with two characters, in the appropriate row. **The year of the first trip can be earlier than 2014 only if the first trip of the H/H member after 1 January 2014 is a return from a trip made before 2014.**

d) Each successive entry not only signifies the beginning of the trip, but the end of the previous one. If there is one record or the trip has an odd serial number, it means that the H/H member **either has arrived at that settlement for the first time, or is an absentee of that settlement.**

3.2. Nature of the trip – see possible versions of the answers at the bottom of the table on the next page.

3.3. The country/març of the last trip (departure/arrival) – write down according to order, described in the column.

3.4. Serial number of the trip (departure/return/arrival) – write down the trips of H/H member, starting from the first one

e) Coding procedure of "**Transition**" field:

- ✚ if THE LAST TRIP of the H/H migrant member was departure, first symbol of '3.2' is '1', then write 'S5' in the 'Transition' column next to the ➔ symbol and continue the interview by Section 5,
- ✚ if THE LAST TRIP of the H/H migrant member was return, first symbol of '3.2' is '2', then write 'S4' in the 'Transition' column next to the ➔ symbol and continue the interview by Section 4,
- ✚ if the H/H member has had ONLY ONE TRIP, that was arrival of a person who had never been in Armenia before, first symbol of '3.2' is '3', then write '0' in the 'Transition' column next to the ➔ symbol and finish the interview.

f) In cases when the number of H/H's members that have participated in migration trips is more than 5, or when the number of trips, made by one member is more than 7, fill the information about 6th and next members and 8th and more trips in "Section 3. Addition" sheet due to regulations of 3.4.3 and 3.4.4 points of "Instructions-Guidelines" for the interviewer.
