Number of the Family on the Governorate Level
No. of family at the level of the sheyakha / village / city
No. of family in the sample frame ()

Income, expenditure and consumption Survey 2014 / 2015

A- Expenditure and Consumption Form

Induction Data :

Research Cycle No.:

Governorate :

District/Kism:

Shetakha/ village/ city:

Street Name/Block No. :

Research period:

urban/rural :

PSU No.

Building No./Landlord's name:

MONTH

YEAR

--

--

--

-Is the data of the examined family complete?

(1) Yes (2) No

--

- What is the reason for incomplection ?

--

(1) Family could not be found

(2) Building has been demolished

(3) The dwelling was changed into a facility

(4) The dwelling was closed during the research period (5) The dwelling was vacant/closed during the research period

(6) The family partially completed the form then left the dwelling

(7) Please specify if other :

1st visit	2nd visit	3rd visit	4th visit

13	Is the quantity of water supplied by the public network sufficient?	(1) Yes	<< 15	(2) No			
15							
16							
Item		Please circle the correct answer					
14	How do you overcome the insufficient/out water from the public network?	(1) Buying (5) Procuring water from elsewhere	(2) Canal (6) Use of waterpump	(3) Well (7) Water Storage	(4) Using public tap of the area (proceed to Q 17)		
15	Do you treat the water before consumption?	(1) Yes	(2) No				
16	How do you treat the water?	(1) Boiling	(2) Percolation	(3) Chemical treatment	(4) Other (specify)		
17	Family bathroom placement and circumstance	(1) Inside the housing unit and private (3) Outside the housing unit and private		(2) Inside the housing unit and shared (4) outside the housing unit and shared		(5) none	
18	Which type of water cycle?	(1) Western-style flushable (5) bucket/barrel	(2) Local-style and flushable (6) non/field	(3) Local-style non-flushable (7) other	(4) hole/latrine		
19	Kitchen	(1) Private	(2) Shared	(3) None			
20	Sewage means	(1) public network (5) pipe disposing into canal	(2) civil network (6) In the street (no sewage system)	(3) trench (4) cesspool	(7) other (specify)		
21	Is there seepage of sewage water?	(1) No seepage	(2) once a month	(3) once a week	(4) 5. Daily		
22	Primary garbage disposal method	(1) garbage collector (5) Fed to animals	(2) Cleaning company (6) burnt	(3) disposal in public waste containers (7) other, please mention (**)	(4) disposal on the street		
23	How often is waste collected	(1) daily (4) once bi-monthly or less	(2) twice or more per week	(3) once a week (5) irregularly			
		C-Energy Supply					
24	Primary means of lighting	(1) electricity	(2) kerosene	(3) butagas	(4) other		
25	Are there electricity cutouts ?*	(1) None	(2) once a month	(3) once a week	(4) more than once a week	5. Daily	
26	Primary fuel used in cooking	(1) butagas (5) wood or firewood	(2) natural gas	(3) kerosene	(4) electricity		

*** Other includes: in a deserted areas, in the water canal, ect.

Section 7: Family possession of means of transportation & telecommunication and home appliances

Item	Reference	Please circle the correct answer. When answer is Yes, please specify the quantity in the appropriate column			
		(1) Yes	(2) No	Quantity as per their order in the question	
First: Private means of transportation and telecommunication					
1 -private transport vehicle	1				
2 - bicycle	2				
3 - motorcycle/skooter	3				
4 - land line	4				
5 - regular cellular phone	5				
6- smart advanced cellular phone	6				
7 - Internet/ Internet cable/ router	7				
Second: Home appliances					
1 - refrigerator	8				
2 - deep freezer	9				
3- oven (butagas, electrical)	10				
4 - stove (butagas / electricity / natural gas)	11				
5 - microwave oven/ grill	12				
6 - electric washing machine	13				
7 - semi-automatic washing machine	14				
8 - automatic washing machine	15				
9 - dishwasher	16				
10 - water heater (butagas/electric/natural gas)	17				
11 - vacuum cleaner	18				
12 - air conditioner	19				
13 - electric fan/ exhaust fan	20				
14 - heater (electric/butagas/kerosene)	21				
15- electric iron	22				
16 - color television	23				
17 - black and white television	24				
18- VCR / DVD player	25				
19- Music player (MP3, MP4, MP5)	26				
20- cassette player (mono/ stereo / radio)	27				
21 - satellite dish / satellite installation	28				
22 - personal computer/laptop	29				
23- iPad/ tablet	30				
24 - analog camera	31				
25 - digital camera/video camera	32				
26 - water filter	33				
27- blender / chopper	34				
28- kitchen machine	35				
29 - sewing machine	36				

SECTION 7

Date, condition and value of family transportation vehicle at the time of

Number of car	(cc)Vehicle Capacity	Year of Model	Acquisition Date	Condition upon purchase (1)new local (2)new imported (3)used	Value at time of purchase	Current value
			year		In LE	In LE
1						
2						
3						
4						
5						

Section 8

Citizens currently residing outside the country and internal & external tourism

First: Citizens currently residing outside the country for work

?Are there members of the Household residing in this house and currently out of country-1

Yes -1

No -2

(Move to next table)

In case of Yes, state total number residing outside the country -2

م	Number	Name	Value of cash transfers	Value of in-kind transfers
1				
2				
3				
4				
5				

Second: Internal and External Tourism

?Has any member of the Household travelled to any location inside Egypt for the purpose of tourism during the research period -1

Yes -1

No -2

Has any member of the Household travelled to any location outside Egypt for the purpose of tourism (including religious pilgrimage - 2 ?Hag and Omra)) during the research period)

Yes -1

No -2

SECTION 9

The Family Ration Supply Card

1 -Does the family have a ration supply card?

(1) Yes

(2) No

(Jump to the following table)

2 -If the answer is (Yes)

a-Please mention the number of persons enrolled on the supply card

person

b- Please mention the number of persons under 18 enrolled on the supply card

person

3-How satisfied are you with the quality of subsidized goods included in the Supply Card?

(1) fully satisfied

(2) somewhat satisfied

(3) dissatisfied

Period since the start of the family :

(1) Over a year (old family)

(2) less than a year (new family)

Number of months since this new family has been established:

SECTION 10

The major outlets for the purchase of goods and services

A: The main outlet for the procurement of food and drink

		1	2	3	4	5	6	7	8
	Food and drink sources of purchases	Grain, pulses and their products	Groceries	Fresh Vegetables	Fresh fruits	Meat	Poultry and poultry products	Seafood	Milk & dairy products
1	Regular shops								
2	Supermarket								
3	Open market								
4	Weekly market								
5	Ambulating vendors								
6	Other								

B. The main outlet for the procurement of fabric, clothing and footwear

	Source of purchases of goods	(1) Shop selling textiles, clothes or foot wear	(2) Open market	(3) Weekly market	(4) Shops with branches (Omar Efendi, Carrfour, Tawheed & Nour ...)	(5) Ambulating vendors	(6) Other sources (internet, tv, catalogues)
	Clothes and Textiles						
1	Textiles for men (for summer and winter)						
2	Textiles for women (for summer and winter)						
3	Ready made clothes for men (14 years and above)						
4	Ready made clothes for women (14 years and above)						
5	Ready made clothes for boys and girls from 0-13 years						
6	Other clothes and accessories						
	Foot Wear						
7	Footwear for men						
8	Footwear for women						
9	Footwear for boys and girls 0-13 years

Section One: Food Consumption Patterns and Coping Strategies

14

Write the family serial number in the framework						Code	Transitions
101	Over the past month, was your household's consumption of food:				Sufficient and ample		1 105
	For the researcher: Read the choices – please be meticulous with this question and ensure that the interviewee is comfortable with the selected answer (If a general answer is given such as “things are fine” or “we thank God for whatever he provides” the question must be rephrased)				Barely sufficient		2
					Not sufficient		3
102	For how long have you been struggling to make food sufficiently available?				Duration		
	For less than a year (1-11 months)					1	
	For the past one to two years (12-24 months)					2	
	For more than two years (> 24 months)					3	
103	Is there a particular season/seasons every year when the problem is aggravated (Ramadan/ before the school year begins/ before the harvest...)				Yes	No	Mention these seasons
					1	2	
104	In the past 30 days, did your family do any of the following acts to meet its food needs?				Yes	No	Does not apply
					1	2	3
	1- Rely on cheaper foods						
	2- Reduce weekly consumption of meat / poultry / fish						
	3- Borrow food / borrow money to buy food						
	4- Rely on assistance from family and friends						
	5- Buy food on credit						
	6- Use grains' stock (grains stored for the following season)						
	7- Seek for donations and alms to buy food						
	8- Send family members to eat with others						
	9- Reduce the meal size (food portions)						
	10- Reduce food consumption of adults to feed the children						
	11- Spend a day or more without food						
	12- Reduce the number of daily meals						
	13- Use/spend savings						
	14- Sell jewellery						
	15- Sell furniture, home appliances or automobile (sofa, TV set, family car)						
	16- Sell income-generating land, real estate and assets (agricultural land, rental apartments, commercial store, workshop, taxi cab, machinery)						
	17- Sell non income-generating land, real estate and assets (unproductive or unexploited land/vacant apartments)						
	18- Reduce average spending on education / health to spend on food						
	19- Discontinue a child's education and sending him to the job market						
	20- Other (specify)						
105	During the past month, what was the:						
105 a.	average number of meals per day for the whole household?				The average number of meals for the family at large		
	1=one meal/ 2=two meals/ 3=three meals /4=more than three meals						
105 b.	average number of meals per day for children 6-59 months?				The average number of meals for children (6-59 months)		
	One meal = 1/ two meals = 2/ three meals = 3/ four meals = 4						

Section One: Food Consumption Patterns and Coping Strategies (Continued)

15

106

During the past week (7 days), how many days did the household consume the following: (how many days not how many times) – very small quantities of any food, amounting to less than a teaspoonful per person, are recorded as condiments

Note: If the family eats two different kinds of the same group on the same day, it is to be counted as a single day! Example: if the family eats chicken on one day of the week and eggs on three days – one of which being the day it ate chicken – the total number of days recorded for the consumption of meats, poultry and eggs becomes 3 days only

Food Group	Code	Number of days (from 0-7 days)
1-Cereals, tubers and root crops: traditional balady bread/pita/bun/sun-baked/cracker/filo Grains: wheat / barley /rice / bulgur wheat / corn Their products: pasta / flour / pastry ..etc Root vegetables: potato / sweet potato / beetroot / taro / horseradish	1	
2-Pulses: fava beans/white beans/kidney beans/lentils/chickpeas ..etc	2	
3-Leafy and non-leafy vegetables: Leafy: corchorus/lettuce/spinach/watercress/cabbage Non-leafy: zucchini / green bean /green pea / cucumber / tomato / okra / onion / green pepper / eggplant / broccoli / et c....	3	
4 -Fruits: orange / mandarin / banana / melon / apple / date / fig / grapes	4	
5 -Meat, poultry, rabbit, fish, eggs or their livers or entrails Meat or entrails: Beef, buffalo, camel, sheep, or pork Poultry or entrails: chicken/duck/goose/turkey/pigeon/chicken livers Fish: fish mullet / tilapia / sardines / tuna / snakes / shrimp / fish Zazh any kind or canned Eggs: white/red/homegrown	5	
6 – Milk and dairy products except butter: (milk / powder / packed / types of cheese / cream / yogurt / sour cream ...)	6	
7 - Sugar, candy, honey: (sugar / halva / desserts / jam / honey / dates or molasses ..)	7	
8 –Oils, butter, ghee, margarine or any other fats	8	
9-Condiments (chicken bones/fish head and tail/stock cubes/milk added to tea/ poultry, meat or chicken in very small quantities amounting to only a teaspoonful or less per person for flavouring and insufficient to feed the family)	9	

107

Is the family keen on feeding children aged 6 months-5 years food items that are necessary for healthy growth (eggs, meat, fish, pulses, vegetables, fruits or dairy products) regardless of what the rest of the family will eat, or do the children eat whatever is available?

The family is keen on children obtaining these foods

Children are fed whatever is available to eat

(1)

(2)

108

During the past week (7 days), what is the the number of days during which children aged 6-59 months ate the following items (0-7 days)

Code

Number of days (0-7)

1. Eggs

1

2. Meat, pultry or fish

2

3. Fruits and vegetables

3

4. Any type of pulses (beans, lentils, chickpeas, white beans, kidney beans)

4

5. Milk or yoghurt or cheeses

5

109

Over the past year, was the household's total spending on non-food items (like health/education/clothing/housing/...) sufficient to cover the family's basic needs?

Code

1=sufficient and ample 2=barely sufficient 3=not sufficient

1-Health

1

2- Education

2

3- Housing

3

4- Clothing

4

5- Transportation

5

Section Two: Shocks and Crises Faced by Households

Questions 202, 203 and 204 to be asked regarding the three most significant problems identified by the interview, leave the rest of the rows blank.

		202												203				204		
201		Upon inquiry (By probing the list of shocks)		Specify the three most significant problems faced by the household and rank them in order of severity			Did the problem cause the family to lose most of its running income and sources or its ability to purchase food or properties?				How did the household cope with these shocks? (Mention the three most important coping mechanisms/rankings and rank them by importance using the codes provided at the bottom of the page)									
During the past year, was the household exposed to any sort of shocks (crises) that affected the household's economic/financial status?		Spontaneous? Yes (list the interviewee list the shocks without probing any choices)		Yes	No	Most severe	Second most severe	Third most severe	Income loss	Loss of family assets or properties	Has this crisis impacted the family's ability to buy food?	Did not significantly impact the family income or food consumption	First	Second	Third					
Has your financial situation been affected by:		1	2	1	2	3			1	2	3	4								
		DESCRIPTION OF OTHER			DESCRIPTION OF OTHER			DESCRIPTION OF OTHER												
01	1- Weather conditions, such as extreme cold or heat, length of summer or winter, etc. ... affecting crops, cattle, food and the family's living conditions?																			
02	2 Diseases or pests inflicting crops																			
03	3 Price hikes of agricultural supplies and animal husbandry (such as animal food, fertilizer, seed, chemicals, ...)																			
04	4-Theft of livestock or death/dulling (due to bird flu or foot and mouth disease ...)																			
05	5-Exposure to other kinds of theft or thugger																			
06	6- The collapse of the main source of household income (salary, rent revenue, commercial profits ...)																			
07	7- Loss of salary-generating job, salary non-receipt or reduction																			
08	8-Halt/reduction in habitual aid or financial transfers incoming from outside the family																			
09	9-Loss or collapse of place of residence																			
10	10- Rise in food prices																			
11	11 Rise in prices of regular items other than food (home rental, private tutoring fees, ...)																			
12	12 Sudden illness affecting any of the family members and the due in cost of treatment and health care																			
13	13-Death of head of the family or any of its working members																			
14	14-Additional social events or conditions leading to urgent increase in family spending (marriage, birth, divorce of offspring...)																			
15	15-Due payment of debt or loan																			
16	16-Other (specify) ...																			

Question 204 codes

1-Expenditure of cash savings

2- Sale of non income-generating land, real estate and assets (unproductive or unoccupied land/vacant apartments)

3- Sale of income-generating land, real estate and assets (agricultural land, rental apartments, commercial store, workshop, taxi cab, machinery)

4- Sale of furniture, home appliances or automobile (bata, TV set, family car)

5- Increased number of working hours or multiple jobs

6- Dispatching non-working family members to the job market (including children)

7- Career change

8- Change of residence in search for work

9- Discontinuing children's schooling to reduce expenses

10- Dispatching children to work

11- Sending children to live with relatives

12- Reduction of non-nutritional expenses (health, transportation, private tutoring, clothing)

13- Lending money from relatives

14-Lending money from lenders

15- Lending money from institutions

16-Requesting or receiving assistance from local non-governmental bodies

17-Requesting or receiving assistance from the government

18-Requesting or receiving assistance from family and friends

19-Consumption of grains stored for another season

20- Consumption of less preferred or less quality foods because they are cheaper

21- Reducing food consumption

22- Other (specify)

Section Three: Height and weight of children 6-59 months) and females 20-49 years

17

301	302	303		304			305		306			307		308	309		310		311	312			
Name of member	Line number of eligible member	Is the member available for anthropometric measurements? If yes, proceed to 303; if not skip to question 311		Date of measurement			Was the birth certificate seen?		Date of birth (for female members 20-49 years go to the next question "306", for children 6-60 months go to question 307)			Age of females 20-49 years (then skip and go to question 309)		Age of Child 6-59 months	Was the height of children above 2 years of age (24 months) measured while lying down or standing? Children under 24 months must be measured while lying down		Height		Weight	If the eligible member was not measured, mention the reason
