Table 1: Decision Making.

<u>Variable</u>	<u>Description</u>
cg_dm_01	Does your household engage in agricultural decisions?
cg_dm01contr_hhhead_1	Does the household head participate in the agricultural decisions?

cg_dm01c_dec_hhhead_1_1	Does household head make these agricultural decisions alone ?
cg_dm01c_dec_hhhead_1_2	Does household head make these agricultural decisions jointly ?
cg_dm01contr_caregive_2	Does the Caregiver participate in the agricultural decisions?
cg_dm01c_dec_caregive_2_1	Does Caregiver make these agricultural decisions alone ?
cg_dm01c_dec_caregive_2_2	Does Caregiver make these agricultural decisions jointly ?
cg_dm01contr_othfemalehh_3	Does other female household member(s) participate in the agricultural decisions?
cg_dm01c_dec_othfemalehh_3_1	Does other female household member(s) make these agricultural decisions alone ?
cg_dm01c_dec_othfemalehh_3_2	Does other female household member(s) make these agricultural decisions jointly ?
cg_dm01contr_othmalehh_4	Does other male household member(s) participate in the agricultural decisions?
cg_dm01c_dec_othmalehh_4_1	Does other male household member(s) make these agricultural decisions alone ?
cg_dm01c_dec_othmalehh_4_2	Does other male household member(s) make these agricultural decisions jointly ?
cg_dm01contr_nonfemalehh_5	Does other female non household member(s) participate in the agricultural decisions?
cg_dm01c_dec_nonfemalehh_5_1	Does other female non household member(s) make these agricultural decisions alone ?
cg_dm01c_dec_nonfemalehh_5_2	Does other female non household member(s) make these agricultural decisions jointly ?
cg_dm01contr_nonmalehh_6	Does other male non household member(s) participate in the agricultural decisions?
cg_dm01c_dec_nonmalehh_6_1	Does other male non household member(s) make these agricultural decisions alone ?
cg_dm01c_dec_nonmalehh_6_2	Does other male non household member(s) make these agricultural decisions jointly ?
cg_dm_02	Does your household engage in decisions concerning income generating activities?
cg_dm02contr_hhhead_1	Does the household head participate in income generating activities decisions?
cg_dm02c_dec_hhhead_1_1	Does household head make income generating activities decisions alone ?
cg_dm02c_dec_hhhead_1_2	Does household head make income generating activities decisions jointly ?
cg_dm02contr_caregive_2	Does the Caregiver participate in income generating activities decisions?
cg_dm02c_dec_caregive_2_1	Does Caregiver make income generating activities decisions alone ?

cg_dm02c_dec_caregive_2_2	Does Caregiver make income generating activities decisions jointly ?
cg_dm02contr_othfemalehh_3	Does other female household member(s) participate in income generating activities decisions?
cg_dm02c_dec_othfemalehh_3_1	Does other female household member(s) make income generating activities decisions alone ?
cg_dm02c_dec_othfemalehh_3_2	Does other female household member(s) make income generating activities decisions jointly ?
cg_dm02contr_othmalehh_4	Does other male household member(s) participate in income generating activities decisions?
cg_dm02c_dec_othmalehh_4_1	Does other male household member(s) make income generating activities decisions alone ?
cg_dm02c_dec_othmalehh_4_2	Does other male household member(s) make income generating activities decisions jointly ?
cg_dm02contr_nonfemalehh_5	Does other female non-household member participate in income generating activities decisions?
cg_dm02c_dec_nonfemalehh_5_1	Does other female non-household member(s) make income generating activities decisions alone ?
cg_dm02c_dec_nonfemalehh_5_2	Does other female non-household member(s) make income generating activities decisions jointly ?
cg_dm02contr_nonmalehh_6	Does other male non-household member(s) participate in income generating activities decisions?
cg_dm02c_dec_nonmalehh_6_1	Does other male non-household member(s) make income generating activities decisions alone ?
cg_dm02c_dec_nonmalehh_6_2	Does other male non-household member(s) make income generating activities decisions jointly ?
cg_dm03contr_hhhead_1	Does the household head participate in the decisions concerning how household income should be allocated?
cg_dm03c_dec_hhhead_1_1	Does household head make these decisions concerning how household income should be allocated alone ?
cg_dm03c_dec_hhhead_1_2	Does household head make these decisions concerning how household income should be allocated jointly ?
cg_dm03contr_caregive_2	Does the caregiver participate in the decisions concerning how household income should be allocated?
cg_dm03c_dec_caregive_2_1	Does caregiver make these decisions concerning how household income should be allocated alone ?
cg_dm03c_dec_caregive_2_2	Does caregiver make these decisions concerning how household income should be allocated jointly ?
cg_dm03contr_othfemalehh_3	Does other female household member(s) participate in the decisions concerning how household income should be allocated?
cg_dm03c_dec_othfemalehh_3_1	Does other female household member(s) make these decisions concerning how household income should be allocated alone ?
cg_dm03c_dec_othfemalehh_3_2	Does other female household member(s) make these decisions concerning how household income should be allocated jointly ?
cg_dm03contr_othmalehh_4	Does other male household member(s) participate in the decisions concerning how household income should be allocated?

cg_dm03c_dec_othmalehh_4_1	Does other male household member(s) make these decisions concerning how household income should be allocated alone ?
cg_dm03c_dec_othmalehh_4_2	Does other male household member(s) make these decisions concerning how household income should be allocated jointly ?
cg_dm03contr_nonfemalehh_5	Does other female Non-household member(s) participate in the decisions concerning how household income should be allocated?
cg_dm03c_dec_nonfemalehh_5_1	Does other female non-household member(s) make these decisions concerning how household income should be allocated alone ?
cg_dm03c_dec_nonfemalehh_5_2	Does other female non-household member(s) make these decisions concerning how household income should be allocated jointly ?
cg_dm03contr_nonmalehh_6	Does other male non-household member(s) participate in the decisions concerning how household income should be allocated?
cg_dm03c_dec_nonmalehh_6_1	Does other male non-household member(s) make these decisions concerning how household income should be allocated alone ?
cg_dm03c_dec_nonmalehh_6_2	Does other male non-household member(s) make these decisions concerning how household income should be allocated jointly ?

Table 2: Employment.

<u>Variable</u>	<u>Description</u>
emp01	Household head worked for unpaid apprentice/trainee in last 7 days even if just for one hour.
emp02	Household head worked as an employee for a wage, salary, commission or any payment in kind; including doing paid apprenticeship, domestic work or paid farm work even if for one hour.
emp03	Household head run a non-farm business of any size for himself or the household, even if for one hour.
emp05	Household head worked on household agricultural activities (including farming, raising livestock or fishing, whether for sale or for household food) in last 7 days even if just for one hour.

Table 3: Plot Roster.

<u>Variable</u>	<u>Description</u>
agl01	Household member cultivated or used land/plot, whether owned or not, during the previous agricultural season (June 2018 to May 2019).

Table 4: Livestock.

<u>Variable</u>	<u>Description</u>
lvk01	Household member who owns livestock or who has owned livestock over the , during the past 12 months?

Table 5: Beta Done Come.

<u>Variable</u>	<u>Description</u>
beta_02_cg	Has anyone in your Household enrolled in the Beta Don Come program?
beta_03_cg	Has your Household received a cash transfer from Beta Don Come?
beta_05year_cg_1	First time Household received the transfer from Beta Don Come: 2015
beta_05year_cg_2	First time Household received the transfer from Beta Don Come: 2016
beta_05year_cg_3	First time Household received the transfer from Beta Don Come: 2017
beta_05year_cg_4	First time Household received the transfer from Beta Don Come: 2018
beta_05year_cg_5	First time Household received the transfer from Beta Don Come: 2019
beta_05month_cg_1	First time Household received the transfer from Beta Don Come: January.
beta_05month_cg_2	First time Household received the transfer from Beta Don Come: February.
beta_05month_cg_3	First time Household received the transfer from Beta Don Come: March.
beta_05month_cg_4	First time Household received the transfer from Beta Don Come: April.
beta_05month_cg_5	First time Household received the transfer from Beta Don Come: May.
beta_05month_cg_6	First time Household received the transfer from Beta Don Come: June.
beta_05month_cg_7	First time Household received the transfer from Beta Don Come: July.
beta_05month_cg_8	First time Household received the transfer from Beta Don Come: August.
beta_05month_cg_9	First time Household received the transfer from Beta Don Come: September.
beta_05month_cg_10	First time Household received the transfer from Beta Don Come: October.
beta_05month_cg_11	First time Household received the transfer from Beta Don Come: November.
beta_05month_cg_12	First time Household received the transfer from Beta Don Come: December.
num_times_rceivecash_cg	Number of times Caregiver received cash transfer since the program started?
beta_06_cg_1	How often does Household receive the transfer from Beta Don Come: Annually.
beta_06_cg_2	How often does Household receive the transfer from Beta Don Come: Monthly.
beta_06_cg_3	How often does Household receive the transfer from Beta Don Come: Bi-monthly(Once in 2m).
beta_06_cg_4	How often does Household receive the transfer from Beta Don Come: Other(specify).

beta_07_cg	How much does Household receive per transfer from Beta Don Come?
beta_08_caregiverid_cg	Caregiver ID
beta_08_alter_memid_cg	Alternate Household Member ID
beta_09prycaregivstat_cg_1	Is the Caregiver ID Captured? (caregiver barcode)
beta_09prycaregivstat_cg_2	Respondent does not have an ID
beta_09prycaregivstat_cg_3	Don't know if Caregiver ID Captured
beta_09prycaregiv_cg_1	Is the Caregiver ID Captured? (caregiver barcode)
beta_09prycaregiv_cg_2	Respondent does not have an ID
beta_09prycaregiv_cg_3	Don't know if Caregiver ID Captured
prox_caregiver	Are you the proxy caregiver?
prox_alternate	Are you the proxy alternate?
beta_10_cg_1	Who in the Household picks up the payment most often: Alternate.
durationInMonths	How many months has the Household been receiving cash transfers?
beta_11_cg_1	How Household used the money received from the program: Paid Health Bill.
beta_11_cg_2	How Household used the money received from the program: Utility Bill.
beta_11_cg_3	How Household used the money received from the program: Tuition Fees.
beta_11_cg_4	How Household used the money received from the program: Purchase of school uniforms.
beta_11_cg_5	How Household used the money received from the program: Purchase of books & shoes
beta_11_cg_6	How Household used the money received from the program: Purchased Household consumable items
beta_11_cg_7	How Household used the money received from the program: Farm products
beta_11_cg_8	How Household used the money received from the program: Used as capital(new business)
beta_11_cg_9	How Household used the money received from the program: Used for herbicides
beta_11_cg_10	How Household used the money received from the program: Saved part of it
beta_11_cg_99	How Household used the money received from the program: Other (specify)
beta_12be_enrolled_cg	Have Caregiver/your Household paid anything(in cash/in-kind) to be enrolled?

beta_12receive_transfer_cg	Have Caregiver/your Household paid anything(in cash/in-kind) to receive the transfer?
beta_12through_tax_cg	Have Caregiver/your Household paid anything through tax/charge after receiving transfer?
beta_13_cg	Caregiver been asked to save some of the transfers received?
beta_14_cg	Caregiver made savings from some of the transfers received?
beta_15_cg	How much Caregiver saved from the transfers you have received since the start
beta_16_cg	Is saving mandatory in order to stay enrolled in the program?
beta_18_cg	Caregiver is aware of any Beta Don Come savings groups in the community?
beta_19_cg	Caregiver/Household member part of a savings group with other people enrolled in the program?
beta_20_cg	Caregiver/Household member have a specific role in the savings group?
beta_22_cg_1	How often do Caregiver/Household member meet with your savings group: Weekly
beta_22_cg_2	How often do Caregiver/Household member meet with your savings group: Fortnightly(twice a month)
beta_22_cg_3	How often do Caregiver/Household member meet with your savings group: Monthly
beta_22_cg_4	How often do Caregiver/Household member meet with your savings group: Quarterly
beta_23_cg	Number of regular members of your savings group?
beta_24_cg	Household contribution when group savings are collected.
beta24b_cg_1	How often do Caregiver/Household member make this contribution: Weekly
beta24b_cg_2	How often do Caregiver/Household member make this contribution: Fortnightly(twice a month)
beta24b_cg_3	How often do Caregiver/Household member make this contribution: Monthly
beta24b_cg_4	How often do Caregiver/Household member make this contribution: Quarterly
beta_25_cg	Have Caregiver/Household member ever taken out credit from your savings?
beta_26_cg	How much money have Caregiver/Household member take out from the savings group?
beta_27_cg_1	Caregiver/Household use money taken out from savings group: Purchased food(Household consumption)
beta_27_cg_2	Caregiver/Household use money taken out from savings group: Pay school fees
beta_27_cg_3	Caregiver/Household use money taken out from savings group: For farming
beta_27_cg_4	Caregiver/Household use money taken out from savings group: Invested in Household non-farm enterprise

beta_27_cg_5	Caregiver/Household use money taken out from savings group: Other(specify)
beta_28_cg_ctf_name	Caregiver provided the name of his/her cash transfer facilitator (Cash Transfer Facilitator (CTF))?
beta_29_cg_1	How happy is the Caregiver with the services provided by Cash Transfer Facilitator (CTF): Very Happy
beta_29_cg_2	How happy is the Caregiver with the services provided by Cash Transfer Facilitator (CTF): Rather Happy
beta_29_cg_3	How happy is the Caregiver with the services provided by Cash Transfer Facilitator (CTF): Not Very Happy
beta_29_cg_4	How happy is the Caregiver with the services provided by Cash Transfer Facilitator (CTF): Not happy at all

Table 6 Beta Don Come Trainings.

<u>Variable</u>	<u>Description</u>
beta0_cg	Caregiver have been invited to a workshops/trainings for Beta Don Come?
anybetacome_train_cg	Caregiver have attended any workshops/trainings for Beta Don Come?
beta2_cg_1	Which topics were the workshops/trainings on: Health attended
beta2_cg_2	Which topics were the workshops/trainings on: Education attended
beta2_cg_3	Which topics were the workshops/trainings on: Life skills attended
beta2_cg_4	Which topics were the workshops/trainings on: Environment attended
beta2_cg_5	Which topics were the workshops/trainings on: Nutrition attended
beta2_cg_6	Which topics were the workshops/trainings on: Financial inclusion and savings attended
beta2_cg_99	Which topics were the workshops/trainings on: Other topics attended (specify).
beta2_cg__98	Which topics were the workshops/trainings on: Don't remember the topic attended.
beta1_cg_1	Number of trainings Caregiver attended related to Health.
beta1_cg_2	Number of trainings Caregiver attended related to Education.
beta1_cg_3	Number of trainings Caregiver attended related to Life skills.
beta1_cg_4	Number of trainings Caregiver attended related to Environment.
beta1_cg_5	Number of trainings Caregiver attended related to Nutrition.
beta1_cg_6	Number of trainings Caregiver attended related to Financial inclusion and savings.
beta1_cg_7	Number of trainings Caregiver attended related to Other topics(specify)
beta3_cg_1	Reason for household not attended any workshop: Haven't heard
beta3_cg_2	Reason for household not attended any workshop: Have not been invited.
beta3_cg_3	Reason for household not attended any workshop: Topic not interesting/relevant.
beta3_cg_4	Reason for household not attended any workshop: Too busy to attend.
beta3_cg_5	Reason for household not attended any workshop: Takes too much time to get there.
beta3_cg_6	Reason for household not attended any workshop: Cost too much to get there.
beta3_cg_99	Reason for household not attended any workshop: Other (specify).

beta4_cg	Have you heard about the grievances redress mechanism?
beta5_cg_1	Channels to communicate complaints about the programme: Hotline.
beta5_cg_2	Channels to communicate complaints about the programme: Savings Group Leader.
beta5_cg_3	Channels to communicate complaints about the programme: Cash Transfer Facilitator (CTF) Officer.
beta5_cg_4	Channels to communicate complaints about the programme: Grievance Redress Officer.
beta5_cg_5	Channels to communicate complaints about the programme: Other(specify).

Table 7: Issues.

<u>Variable</u>	<u>Description</u>
issues_savings_cg	Caregiver is comfortable talking with Cash Transfer Facilitator (CTF) about savings .
issues_employact_cg	Caregiver is comfortable talking with Cash Transfer Facilitator (CTF) about employment activities .
issues_grieviances_cg	Caregiver is comfortable talking with Cash Transfer Facilitator (CTF) about grievances .
issues_grpdynamics_cg	Caregiver is comfortable talking with Cash Transfer Facilitator (CTF) about group dynamics .
issues_trainin_wrkshop_cg	Caregiver is comfortable talking with Cash Transfer Facilitator (CTF) about trainings/Workshops .

Table 8: Gender of Cash Transfer Facilitator (CTF).

<u>Variable</u>	<u>Description</u>
gender_ctf_cg_male	Caregiver's Cash Transfer Facilitator (CTF) is a male .
gender_ctf_cg_female	Caregiver's Cash Transfer Facilitator (CTF) is a female .
gender_ctf_cg_dk	Caregiver's don't know the gender of Cash Transfer Facilitator (CTF)
gender_prefer_ctf_cg_male	Caregiver's prefers Cash Transfer Facilitator (CTF) to be a male
gender_prefer_ctf_cg_female	Caregiver's prefers Cash Transfer Facilitator (CTF) to be a female
gender_prefer_ctf_cg_np	Caregiver's has no preference on gender of the Cash Transfer Facilitator (CTF)

Table 9: Businesses.

<u>Variable</u>	<u>Description</u>
count_bus01_1	Household head owned/provided a non-agricultural business/service, during the past 12 months.
count_bus01_2	Household head processed/purchased crops or livestock products for sale, during the past 12 months.
count_bus01_3	Household head owned a trading business on a street or in a market, during the past 12 months.
count_bus01_4	Household head offered any service, hawking, sold anything on a street or in a market, during the past 12 months.
count_bus01_5	Household head owned/ offered a professional office/services from home , during the past 12 months.
count_bus01_6	Household head driven a household-owned or rented taxi , during the past 12 months.
count_bus01_7	Household head owned a bar or restaurant or food stand , during the past 12 months.
count_bus01_8	Household head owned any other non-agricultural business , during the past 12 months.
count_bus01_9	Household head owned any other business , during the past 12 months.
sum_bus01	Total number of household businesses.

Table 10: Other Income.

<u>Variable</u>	<u>Description</u>
other_income_01_101	Household received income from savings/investment income , during the past 12 months.
other_income_01_102	Household received income from rental of property , during the past 12 months
other_income_01_103	Household received income from pension/retirement benefits , during the past 12 months.
other_income_01_104	Household received income from any other type (specify) , during the past 12 months.
other_income_01_100	Household did not receive any other regular income , during the past 12 months.
other_income_03_1_1	Household head self-decide uses of Household income received from savings/investment income .
other_income_03_2_1	Partner decide uses of Household income received from savings/investment income .
other_income_03_3_1	Other male household decide uses of Household income received from savings/investment income .
other_income_03_4_1	Other female household decide uses of Household income received from savings/investment income .
other_income_03_5_1	Other non-Household decide uses of Household income received from savings/investment income .
other_income_03_1_2	Household head self-decide uses of Household income received from rental of property .
other_income_03_2_2	Partner decide uses of Household income received from rental of property .
other_income_03_3_2	Other male household decide uses of Household income received from rental of property .
other_income_03_4_2	Other female household decide uses of Household income received from rental of property .
other_income_03_5_2	Other non-Household decide uses of Household income received from rental of property .
other_income_03_1_3	Household head self-decide uses of Household income received from pension/retirement benefits .
other_income_03_2_3	Partner decide uses of Household income received from pension/retirement benefits .
other_income_03_3_3	Other male household decide uses of Household income received from pension/retirement benefits .
other_income_03_4_3	Other female household decide uses of Household income received from pension/retirement benefits .
other_income_03_5_3	Other non-Household decide uses of Household income received from pension/retirement benefits .

Table 11: Remittance.

<u>Variable</u>	<u>Description</u>
remittances_01	Household receive a monetary assistance from non-Household member in the , during the past 12 months.

Table 12: Finance.

<u>Variable</u>	<u>Description</u>
cg_formal_account	Caregiver has any formal financial account.
hhh_formal_account	Household head has any formal financial account.
finid_1	Household have received a loan from savings group , during the past 12 months.
finid_2	Household have received a loan from a bank/microcredit/microfinance institution/NGO or other formal institution , during the past 12 months.
finid_3	Household have received a loan from mobile money loan , during the past 12 months.
finid_4	Household have received a loan from a shopkeeper , during the past 12 months.
finid_5	Household have received a loan from a local money lenders , during the past 12 months.
finid_6	Household have received a loan from a friend/neighbor , during the past 12 months.
finid_7	Household have received a loan from family outside the household , during the past 12 months.
finid_97	Household have not received a loan , during the past 12 months.
finid_99	Household have received a loan from another person/group (to specify) , during the past 12 months.
finid_id_1	
finid_id_2	
finid_id_3	
fin07_cg_0	Caregiver have no any account/savings
fin07_cg_1	Caregiver have an account/savings with Commercial bank .
fin07_cg_2	Caregiver have an account/savings with mobile money .
fin07_cg_3	Caregiver have an account/savings using an informal savings club .
fin07_cg_4	Caregiver have an account/savings with Microfinance institution .
fin07_cg_5	Caregiver have an account/savings with family outside the Household .
fin07_cg_6	Caregiver have an account/savings with friends/neighbors .
fin07_cg_7	Caregiver have an account/savings with a shopkeeper .
fin07_cg_8	Caregiver have an account/savings with at home/on property .

fin07_cg_9	Caregiver have an account/savings with a Local money lenders .
fin07_cg_10	Caregiver have an account/savings in a Secret place .
fin07_cg_99	Caregiver have an account/savings elsewhere (to specify) .
finid_cg	In the last 12 months, Caregiver have received a loan from a lender.
finid_cg_1	Caregiver have received a loan from savings group , during the past 12 months.
finid_cg_2	Caregiver have received a loan from a bank/microcredit/microfinance institution/NGO or other formal institution , during the past 12 months.
finid_cg_3	Caregiver have received a loan from mobile money loan , during the past 12 months.
finid_cg_4	Caregiver have received a loan from a shopkeeper , during the past 12 months.
finid_cg_5	Caregiver have received a loan from a Local money lenders , during the past 12 months.
finid_cg_6	Caregiver have received a loan from a friend/neighbor , during the past 12 months.
finid_cg_7	Caregiver have received a loan from family outside the Household , during the past 12 months.
finid_cg_97	Caregiver have not received a loan , during the past 12 months.
finid_cg_99	Caregiver have received a loan from any other person/group (to specify) , during the past 12 months.
fin18_cg	Caregiver usually manage to put some money aside from monthly income.
fin19_cg	Caregiver spend the major part of income as soon as Caregiver gets it.
fin20_cg	Caregiver all my major purchases are made by borrowed money.
fin21_cg	Caregiver often spend money in the manner that nothing is left for the next day.
fin22_cg	Caregiver hate having debts, Caregiver tries not to borrow money from friends.
fin23_cg	Caregiver often face unforeseen expenses.
fin24_cg	Caregiver put most of money into a safe place in order to avoid quick spending
fin25_cg	Caregiver have many urgent needs, Caregiver can't keep money for the things she would like to do.

Table 13: Assets.

<u>Variable</u>	<u>Description</u>
ast01_sewmaschine	Household owns at least one Sewing machine .
ast01_gas	Household owns at least one Gas cooker .
ast01_stove_electric	Household owns at least one stove (electric) .
ast01_stovegas_table	Household owns at least one stove gas (table) .
ast01_stove_kerosene	Household owns at least one stove (kerosene) .
ast01_fridge	Household owns at least one fridge .
ast01_freezer	Household owns at least one freezer .
ast01_airconditioner	Household owns at least one Air conditioner .
ast01_washmachine	Household owns at least one washing Machine .
ast01_mattress	Household owns at least one mattress .
ast01_bicycle	Household owns at least one bicycle .
ast01_motorbike_scooter	Household owns at least one motorbike/scooter/Vespa .
ast01_cars_otherveh	Household owns at least one cars and other vehicles .
ast01_smartphones	Household owns at least one smart phone
ast01_generator	Household owns at least one generator .
ast01_inverter	Household owns at least one inverter .
ast01_radio	Household owns at least one radio .
ast01_microwave	Household owns at least one microwave .
ast01_iron	Household owns at least one iron .
ast01_tvset	Household owns at least one TV Set .
ast01_laptop_deskcomp	Household owns at least one laptop/desktop Computer .
ast01_satellitedish	Household owns at least one satellite dish .
pmt01_furniture_sofa	Household owns at least one furniture-sofa .
pmt01_furniture_table	Household owns at least one furniture-table

pmt01_bed	Household owns at least one bed .
pmt01_hifi	Household owns at least one Hifi .
pmt01_video_dvd	Household owns at least one video DVD .
pmt01_ironcharcoal	Household owns at least one Iron charcoal .
pmt01_fixedphone	Household owns at least one fixed telephone .
pmt01_mobilephone	Household owns at least one regular mobile phone .
pmt01_motorcycle	Household owns at least one motorcycle .
pmt01_land	Household owns at least one land – either farmland/housing land.
pmt01_boat	Household owns at least one boat .
pmt01_canoes	Household owns at least one canoe .
ast01_sewmachine_cg	Household owns at least one Sewing machine .
ast01_gas_cg	Household owns at least one Gas cooker .
ast01_stove_electric_cg	Household owns at least one stove (electric) .
ast01_stovegas_table_cg	Household owns at least one stove gas (table) .
ast01_stove_kerosene_cg	Household owns at least one stove (kerosene) .
ast01_fridge_cg	Household owns at least one fridge .
ast01_freezer_cg	Household owns at least one freezer .
ast01_airconditioner_cg	Household owns at least one Air conditioner .
ast01_washmachine_cg	Household owns at least one washing Machine .
ast01_mattress_cg	Household owns at least one mattress .
ast01_bicycle_cg	Household owns at least one bicycle .
ast01_motorbike_scooter_cg	Household owns at least one motorbike/scooter/Vespa .
ast01_cars_otherveh_cg	Household owns at least one cars and other vehicles .
ast01_smartphones_cg	Household owns at least one smart phone .
ast01_generator_cg	Household owns at least one generator .

ast01_inverter_cg	Household owns at least one inverter .
ast01_radio_cg	Household owns at least one radio .
ast01_microwave_cg	Household owns at least one microwave .
ast01_iron_cg	Household owns at least one iron .
ast01_tvset_cg	Household owns at least one TV Set .
ast01_laptop_deskcomp_cg	Household owns at least one laptop/desktop Computer .
ast01_satellitedish_cg	Household owns at least one satellite dish .
pmt01_furniture_sofa_cg	Household owns at least one furniture-sofa .
pmt01_furniture_table_cg	Household owns at least one furniture-table .
pmt01_bed_cg	Household owns at least one bed .
pmt01_hifi_cg	Household owns at least one Hifi .
pmt01_video_dvd_cg	Household owns at least one video DVD .
pmt01_ironcharcoal_cg	Household owns at least one Iron charcoal .
pmt01_fixedphone_cg	Household owns at least one fixed telephone .
pmt01_mobilephone_cg	Household owns at least one regular mobile phone .
pmt01_motorcycle_cg	Household owns at least one motorcycle .
pmt01_land_cg	Household owns at least one land – either farmland/housing land.
pmt01_boat_cg	Household owns at least one boat .
pmt01_canoecg	Household owns at least one canoe .

Table 14: Husband Decision Making.

<u>Variable</u>	<u>Description</u>
hsub_dc1_1	Household head never give money for household needs to wife/partner
hsub_dc1_2	Household head give money daily for household needs to wife/partner
hsub_dc1_3	Household head give money Weekly for household needs to wife/partner
hsub_dc1_4	Household head give money Less than once a month for household needs to wife/partner
hsub_dc1_5	Household head give money Monthly for household needs to wife/partner
hsub_dc2_1	Household head decide how much to give partner for Household needs, amount changes every time
hsub_dc2_2	Household head decide how much to give partner for Household needs, amount usually the same
hsub_dc2_3	Household head sit together with partner and decide based on how much needed for Household needs
hsub_dc2_4	Household head decide but consult with partner on how much needed for Household needs
hsub_dc2_5	Partner tells Household head how much is needed to cover the needs of the Household
husb_dc3	How much did you give your partner for Household needs in the past 30 days?
husb_dc4_1	Household head decides on how the income Household head earned personally will be spent
husb_dc4_2	Partner decides on how the income Household head earned personally will be spent
husb_dc4_3	Household head & Partner decides on how the income Household head earned personally will be spent
husb_dc4_4	Someone else decides on how the income Household head earned personally will be spent
husb_dc4_5	3000
husb_dc5_1	Household decides on how the income Partner earned personally will be spent
husb_dc5_2	Partner decides on how the income Partner earned personally will be spent
husb_dc5_3	Household head & Partner decides on how the income Partner earned personally will be spent
husb_dc5_4	Someone else decides on how the income Partner earned personally will be spent
husb_dc5_5	4500
husb_dc6_1	Household decides on Household major purchases
husb_dc6_2	Partner decides on Household major purchases
husb_dc6_3	Household head & Partner decides on Household major purchases

husb_dc6_4	Someone else decides on Household major purchases
husb_dc6_5	2500
husb_7_1	Household head desired future occupation for their sons: Join family farming
husb_7_2	Household head desired future occupation for their sons: Run family business
husb_7_3	Household head desired future occupation for their sons: Professional-teacher/doctor
husb_7_4	Household head desired future occupation for their sons: Join armed forces
husb_7_5	Household head desired future occupation for their sons: Government job
husb_7_6	Household head desired future occupation for their sons: Private sector job
husb_7_7	Household head desired future occupation for their sons: Don't want work outside home
husb_7_8	Household head desired future occupation for their sons: Don't have sons
husb_7_9	Household head desired future occupation for their sons: Other(specify)
husb_9_1	Household head desired future occupation for their daughters: Join family farming
husb_9_2	Household head desired future occupation for their daughters: Run family business
husb_9_3	Household head desired future occupation for their daughters: Professional-teacher/doctor
husb_9_4	Household head desired future occupation for their daughters: Join armed forces
husb_9_5	Household head desired future occupation for their daughters: Government job
husb_9_6	Household head desired future occupation for their daughters: Private sector job
husb_9_7	Household head desired future occupation for their daughters: Don't want work outside home
husb_9_8	Household head desired future occupation for their daughters: Don't have sons
husb_9_9	Household head desired future occupation for their daughters: Other(specify)

Table 15: Household Dynamics.

<u>Variable</u>	<u>Description</u>
hh_dyn1_cg_1	Caregiver have quarrels or hostility with their spouse: Never
hh_dyn1_cg_2	Caregiver have quarrels or hostility with their spouse: Rarely
hh_dyn1_cg_3	Caregiver have quarrels or hostility with their spouse: Sometimes
hh_dyn1_cg_4	Caregiver have quarrels or hostility with their spouse: Often
hh_dyn1_cg_5	Caregiver have quarrels or hostility with their spouse: Always
hh_dyn1_cg_6	Caregiver have quarrels or hostility with their spouse: Doesn't apply(Not married)
hh_dyn1_1	Household head have quarrels or hostility with their spouse: Never
hh_dyn1_2	Household head have quarrels or hostility with their spouse: Rarely
hh_dyn1_3	Household head have quarrels or hostility with their spouse: Sometimes
hh_dyn1_4	Household head have quarrels or hostility with their spouse: Often
hh_dyn1_5	Household head have quarrels or hostility with their spouse: Always
hh_dyn1_6	Household head have quarrels or hostility with their spouse: Doesn't apply(Not married)
hh_dyn2_cg_1	Caregiver and partner manage to sort out their disagreements: Never
hh_dyn2_cg_2	Caregiver and partner manage to sort out their disagreements: Rarely
hh_dyn2_cg_3	Caregiver and partner manage to sort out their disagreements: Sometimes
hh_dyn2_cg_4	Caregiver and partner manage to sort out their disagreements: Often
hh_dyn2_cg_5	Caregiver and partner manage to sort out their disagreements: Always
hh_dyn2_cg_6	Caregiver and partner manage to sort out their disagreements: Doesn't apply(Not married)
hh_dyn2_1	Household head and partner manage to sort out their disagreements: Never
hh_dyn2_2	Household head and partner manage to sort out their disagreements: Rarely
hh_dyn2_3	Household head and partner manage to sort out their disagreements: Sometimes
hh_dyn2_4	Household head and partner manage to sort out their disagreements: Often
hh_dyn2_5	Household head and partner manage to sort out their disagreements: Always
hh_dyn2_6	Household head and partner manage to sort out their disagreements: Doesn't apply(Not married)

hh_dyn3_cg_1	Caregiver feel appreciated by their partner: Never
hh_dyn3_cg_2	Caregiver feel appreciated by their partner: Rarely
hh_dyn3_cg_3	Caregiver feel appreciated by their partner: Sometimes
hh_dyn3_cg_4	Caregiver feel appreciated by their partner: Often
hh_dyn3_cg_5	Caregiver feel appreciated by their partner: Always
hh_dyn3_cg_6	Caregiver feel appreciated by their partner: Doesn't apply(Not married)
hh_dyn3_1	Household head feel appreciated by their partner: Never
hh_dyn3_2	Household head feel appreciated by their partner: Rarely
hh_dyn3_3	Household head feel appreciated by their partner: Sometimes
hh_dyn3_4	Household head feel appreciated by their partner: Often
hh_dyn3_5	Household head feel appreciated by their partner: Always
hh_dyn3_6	Household head feel appreciated by their partner: Doesn't apply(Not married)
hh_dyn4_cg_1	Caregiver receive practical help from their spouse: Never
hh_dyn4_cg_2	Caregiver receive practical help from their spouse: Rarely
hh_dyn4_cg_3	Caregiver receive practical help from their spouse: Sometimes
hh_dyn4_cg_4	Caregiver receive practical help from their spouse: Often
hh_dyn4_cg_5	Caregiver receive practical help from their spouse: Always
hh_dyn4_cg_6	Caregiver receive practical help from their spouse: Doesn't apply(Not married)
hh_dyn4_1	Household head receive practical help from their spouse: Never
hh_dyn4_2	Household head receive practical help from their spouse: Rarely
hh_dyn4_3	Household head receive practical help from their spouse: Sometimes
hh_dyn4_4	Household head receive practical help from their spouse: Often
hh_dyn4_5	Household head receive practical help from their spouse: Always
hh_dyn4_6	Household head receive practical help from their spouse: Doesn't apply(Not married)
hh_dyn5_cg_1	Caregiver express their opinion when they disagree with partner: Never

hh_dyn5_cg_2	Caregiver express their opinion when they disagree with partner: Rarely
hh_dyn5_cg_3	Caregiver express their opinion when they disagree with partner: Sometimes
hh_dyn5_cg_4	Caregiver express their opinion when they disagree with partner: Often
hh_dyn5_cg_5	Caregiver express their opinion when they disagree with partner: Always
hh_dyn5_cg_6	Caregiver express their opinion when they disagree with partner: Doesn't apply(Not married)
hh_dyn5_1	Household head express their opinion when they disagree with partner: Never
hh_dyn5_2	Household head express their opinion when they disagree with partner: Rarely
hh_dyn5_3	Household head express their opinion when they disagree with partner: Sometimes
hh_dyn5_4	Household head express their opinion when they disagree with partner: Often
hh_dyn5_5	Household head express their opinion when they disagree with partner: Always
hh_dyn5_6	Household head express their opinion when they disagree with partner: Doesn't apply(Not married)
hh_dyn6_cg_1	Caregiver share joyful moments their partner: Never
hh_dyn6_cg_2	Caregiver share joyful moments their partner: Rarely
hh_dyn6_cg_3	Caregiver share joyful moments their partner: Sometimes
hh_dyn6_cg_4	Caregiver share joyful moments their partner: Often
hh_dyn6_cg_5	Caregiver share joyful moments their partner: Always
hh_dyn6_cg_6	Caregiver share joyful moments their partner: Doesn't apply(Not married)
hh_dyn6_1	Household head share joyful moments their partner: Never
hh_dyn6_2	Household head share joyful moments their partner: Rarely
hh_dyn6_3	Household head share joyful moments their partner: Sometimes
hh_dyn6_4	Household head share joyful moments their partner: Often
hh_dyn6_5	Household head share joyful moments their partner: Always
hh_dyn6_6	Household head share joyful moments their partner: Doesn't apply(Not married)
hh_dyn7_cg_1	Caregiver feel they live in harmony with their partner: Never
hh_dyn7_cg_2	Caregiver feel they live in harmony with their partner: Rarely

hh_dyn7_cg_3	Caregiver feel they live in harmony with their partner: Sometimes
hh_dyn7_cg_4	Caregiver feel they live in harmony with their partner: Often
hh_dyn7_cg_5	Caregiver feel they live in harmony with their partner: Always
hh_dyn7_cg_6	Caregiver feel they live in harmony with their partner: Doesn't apply(Not married)
hh_dyn7_1	Household head feel they live in harmony with their partner: Never
hh_dyn7_2	Household head feel they live in harmony with their partner: Rarely
hh_dyn7_3	Household head feel they live in harmony with their partner: Sometimes
hh_dyn7_4	Household head feel they live in harmony with their partner: Often
hh_dyn7_5	Household head feel they live in harmony with their partner: Always
hh_dyn7_6	Household head feel they live in harmony with their partner: Doesn't apply(Not married)
hh_dyn8_cg_1	Caregiver feel their partner drinks too much: Never
hh_dyn8_cg_2	Caregiver feel their partner drinks too much: Rarely
hh_dyn8_cg_3	Caregiver feel their partner drinks too much: Sometimes
hh_dyn8_cg_4	Caregiver feel their partner drinks too much: Often
hh_dyn8_cg_5	Caregiver feel their partner drinks too much: Always
hh_dyn8_cg_6	Caregiver feel their partner drinks too much: Doesn't apply(Not married)
hh_dyn8_1	Household head feel their partner drinks too much: Never
hh_dyn8_2	Household head feel their partner drinks too much: Rarely
hh_dyn8_3	Household head feel their partner drinks too much: Sometimes
hh_dyn8_4	Household head feel their partner drinks too much: Often
hh_dyn8_5	Household head feel their partner drinks too much: Always
hh_dyn8_6	Household head feel their partner drinks too much: Doesn't apply(Not married)
hh_dyn9_cg_1	Caregiver feels partner spends Household money for personal leisure: Never
hh_dyn9_cg_2	Caregiver feels partner spends Household money for personal leisure: Rarely
hh_dyn9_cg_3	Caregiver feels partner spends Household money for personal leisure: Sometimes

hh_dyn9_cg_4	Caregiver feels partner spends Household money for personal leisure: Often
hh_dyn9_cg_5	Caregiver feels partner spends Household money for personal leisure: Always
hh_dyn9_cg_6	Caregiver feels partner spends Household money for personal leisure: Doesn't apply(Not married)
hh_dyn9_1	Household head feels partner spends Household money for personal leisure: Never
hh_dyn9_2	Household head feels partner spends Household money for personal leisure: Rarely
hh_dyn9_3	Household head feels partner spends Household money for personal leisure: Sometimes
hh_dyn9_4	Household head feels partner spends Household money for personal leisure: Often
hh_dyn9_5	Household head feels partner spends Household money for personal leisure: Always
hh_dyn9_6	Household head feels partner spends Household money for personal leisure: Doesn't apply
hh_dyn10_cg_1	Caregiver feel their partner is rude to them: Never
hh_dyn10_cg_2	Caregiver feel their partner is rude to them: Rarely
hh_dyn10_cg_3	Caregiver feel their partner is rude to them: Sometimes
hh_dyn10_cg_4	Caregiver feel their partner is rude to them: Often
hh_dyn10_cg_5	Caregiver feel their partner is rude to them: Always
hh_dyn10_cg_6	Caregiver feel their partner is rude to them: Doesn't apply
hh_dyn10_1	Household head feel their partner is rude to them: Never
hh_dyn10_2	Household head feel their partner is rude to them: Rarely
hh_dyn10_3	Household head feel their partner is rude to them: Sometimes
hh_dyn10_4	Household head feel their partner is rude to them: Often
hh_dyn10_5	Household head feel their partner is rude to them: Always
hh_dyn10_6	Household head feel their partner is rude to them: Doesn't apply
hh_dyn11_cg_1	How Caregiver and partner divide task of Taking care of children: Caregiver do everything
hh_dyn11_cg_2	How Caregiver and partner divide task of Taking care of children: Usually Caregiver
hh_dyn11_cg_3	How Caregiver and partner divide task of Taking care of children: Shared equally
hh_dyn11_cg_4	How Caregiver and partner divide task of Taking care of children: Usually partner

hh_dyn11_cg_5	How Caregiver and partner divide task of Taking care of children: Partner do everything
hh_dyn11_1	How Household head and partner divide task of Taking care of children: Household head do everything
hh_dyn11_2	How Household head and partner divide task of Taking care of children: Usually Household head
hh_dyn11_3	How Household head and partner divide task of Taking care of children: Shared equally
hh_dyn11_4	How Household head and partner divide task of Taking care of children: Usually partner
hh_dyn11_5	How Household head and partner divide task of Taking care of children: Partner do everything
hh_dyn12_cg_1	How Caregiver and partner divide task of Cleaning house/clothes: Caregiver do everything
hh_dyn12_cg_2	How Caregiver and partner divide task of Cleaning house/clothes: Usually Caregiver
hh_dyn12_cg_3	How Caregiver and partner divide task of Cleaning house/clothes: Shared equally
hh_dyn12_cg_4	How Caregiver and partner divide task of Cleaning house/clothes: Usually partner
hh_dyn12_cg_5	How Caregiver and partner divide task of Cleaning house/clothes: Partner do everything
hh_dyn12_1	How Household head and partner divide task of Cleaning house/clothes: Household head do everything
hh_dyn12_2	How Household head and partner divide task of Cleaning house/clothes: Usually Household head
hh_dyn12_3	How Household head and partner divide task of Cleaning house/clothes: Shared equally
hh_dyn12_4	How Household head and partner divide task of Cleaning house/clothes: Usually partner
hh_dyn12_5	How Household head and partner divide task of Cleaning house/clothes: Partner do everything
hh_dyn13_cg_1	How Caregiver and partner divide task of Taking care of children: Caregiver do everything
hh_dyn13_cg_2	How Caregiver and partner divide task of Taking care of children: Usually Caregiver
hh_dyn13_cg_3	How Caregiver and partner divide task of Taking care of children: Shared equally
hh_dyn13_cg_4	How Caregiver and partner divide task of Taking care of children: Usually partner
hh_dyn13_cg_5	How Caregiver and partner divide task of Taking care of children: Partner do everything
hh_dyn13_1	How Household head and partner divide task of Taking care of children: Household head do everything
hh_dyn13_2	How Household head and partner divide task of Taking care of children: Usually Household head
hh_dyn13_3	How Household head and partner divide task of Taking care of children: Shared equally
hh_dyn13_4	How Household head and partner divide task of Taking care of children: Usually partner

hh_dyn13_5

How Household head and partner divide task of Taking care of children: **Partner do everything**

Table 16: Governance.

<u>Variable</u>	<u>Description</u>
notpay_tax_1_cg_1	Caregiver views on not paying taxes owed government : Not wrong at all
notpay_tax_1_cg_2	Caregiver views on not paying taxes owed government : Wrong but understandable
notpay_tax_1_cg_3	Caregiver views on not paying taxes owed government : Wrong and punishable
notpay_tax_1_cg_4	Caregiver views on not paying taxes owed government : Don't know
notpay_tax_1_1	Household head views on not paying taxes owed government : Not wrong at all
notpay_tax_1_2	Household head views on not paying taxes owed government : Wrong but understandable
notpay_tax_1_3	Household head views on not paying taxes owed government : Wrong and punishable
notpay_tax_1_4	Household head views on not paying taxes owed government : Don't know
gvt_taxauth_2_cg_1	government always have the right to make people pay taxes: Caregiver disagree
gvt_taxauth_2_cg_2	government always have the right to make people pay taxes: Caregiver Neither agree/disagree
gvt_taxauth_2_cg_3	government always have the right to make people pay taxes: Caregiver Agree
gvt_taxauth_2_cg_4	government always have the right to make people pay taxes: Caregiver don't know
gvt_taxauth_2_1	government always have the right to make people pay taxes: Household head disagree
gvt_taxauth_2_2	government always have the right to make people pay taxes: Household head Neither agree/disagree
gvt_taxauth_2_3	government always have the right to make people pay taxes: Household head Agree
gvt_taxauth_2_4	government always have the right to make people pay taxes: Household head don't know
pay_taxbill_cg_1	How much of the unexpected income of N10,000 Caregiver use to pay the tax bill of N10,000: Don't know
pay_taxbill_cg_2	How much of the unexpected income of N10,000 Caregiver use to pay the tax bill of N10,000: Refuse to answer
pay_taxbill_cg_3	How much of the unexpected income of N10,000 Caregiver use to pay the tax bill of N10,000: NIL
pay_taxbill_cg_4	How much of the unexpected income of N10,000 Caregiver use to pay the tax bill of N10,000: N1,000
pay_taxbill_cg_5	How much of the unexpected income of N10,000 Caregiver use to pay the tax bill of N10,000: N2,000
pay_taxbill_cg_6	How much of the unexpected income of N10,000 Caregiver use to pay the tax bill of N10,000: N3,000
pay_taxbill_cg_7	How much of the unexpected income of N10,000 Caregiver use to pay the tax bill of N10,000: N4,000
pay_taxbill_cg_8	How much of the unexpected income of N10,000 Caregiver use to pay the tax bill of N10,000: N5,000

pay_taxbill_cg_9	How much of the unexpected income of N10,000 Caregiver use to pay the tax bill of N10,000: N6,000
pay_taxbill_cg_10	How much of the unexpected income of N10,000 Caregiver use to pay the tax bill of N10,000: N7,000
pay_taxbill_cg_11	How much of the unexpected income of N10,000 Caregiver use to pay the tax bill of N10,000: N8,000
pay_taxbill_cg_12	How much of the unexpected income of N10,000 Caregiver use to pay the tax bill of N10,000: N9,000
pay_taxbill_cg_13	How much of the unexpected income of N10,000 Caregiver use to pay the tax bill of N10,000: N10,000
pay_taxbill_1	How much of the unexpected income of N10,000 Household head use to pay the tax bill of N10,000: Don't know
pay_taxbill_2	How much of the unexpected income of N10,000 Household head use to pay the tax bill of N10,000: Refuse to answer
pay_taxbill_3	How much of the unexpected income of N10,000 Household head use to pay the tax bill of N10,000: NIL
pay_taxbill_4	How much of the unexpected income of N10,000 Household head use to pay the tax bill of N10,000: N1,000
pay_taxbill_5	How much of the unexpected income of N10,000 Household head use to pay the tax bill of N10,000: N2,000
pay_taxbill_6	How much of the unexpected income of N10,000 Household head use to pay the tax bill of N10,000: N3,000
pay_taxbill_7	How much of the unexpected income of N10,000 Household head use to pay the tax bill of N10,000: N4,000
pay_taxbill_8	How much of the unexpected income of N10,000 Household head use to pay the tax bill of N10,000: N5,000
pay_taxbill_9	How much of the unexpected income of N10,000 Household head use to pay the tax bill of N10,000: N6,000
pay_taxbill_10	How much of the unexpected income of N10,000 Household head use to pay the tax bill of N10,000: N7,000
pay_taxbill_11	How much of the unexpected income of N10,000 Household head use to pay the tax bill of N10,000: N8,000
pay_taxbill_12	How much of the unexpected income of N10,000 Household head use to pay the tax bill of N10,000: N9,000
pay_taxbill_13	How much of the unexpected income of N10,000 Household head use to pay the tax bill of N10,000: N10,000
hwmuch_left_4	How much of the unexpected income of N10,000 Household head left with after paying the tax bill
govt_mng_economy_cg_1	Caregiver views on how the current government manage the economy: Don't know
govt_mng_economy_cg_2	Caregiver views on how the current government manage the economy: Refused to answer
govt_mng_economy_cg_3	Caregiver views on how the current government manage the economy: Very badly
govt_mng_economy_cg_4	Caregiver views on how the current government manage the economy: Fairly badly
govt_mng_economy_cg_5	Caregiver views on how the current government manage the economy: Fairly well
govt_mng_economy_cg_6	Caregiver views on how the current government manage the economy: Very well

govt_mng_economy_1	Household head views on how the current government manage the economy: Don't know
govt_mng_economy_2	Household head views on how the current government manage the economy: Refused to answer
govt_mng_economy_3	Household head views on how the current government manage the economy: Very badly
govt_mng_economy_4	Household head views on how the current government manage the economy: Fairly badly
govt_mng_economy_5	Household head views on how the current government manage the economy: Fairly well
govt_mng_economy_6	Household head views on how the current government manage the economy: Very well

govt_add_eduneeds_cg_2	Caregiver views on how the current government is addressing education needs: Refused to answer
govt_add_eduneeds_cg_3	Caregiver views on how the current government is addressing education needs: Very badly
govt_add_eduneeds_cg_4	Caregiver views on how the current government is addressing education needs: Fairly badly
govt_add_eduneeds_cg_5	Caregiver views on how the current government is addressing education needs: Fairly well
govt_add_eduneeds_cg_6	Caregiver views on how the current government is addressing education needs: Very well
govt_add_eduneeds_1	Household head views on how the current government is addressing education needs: Don't know
govt_add_eduneeds_2	Household head views on how the current government is addressing education needs: Refused to answer
govt_add_eduneeds_3	Household head views on how the current government is addressing education needs: Very badly
govt_add_eduneeds_4	Household head views on how the current government is addressing education needs: Fairly badly
govt_add_eduneeds_5	Household head views on how the current government is addressing education needs: Fairly well
govt_add_eduneeds_6	Household head views on how the current government is addressing education needs: Very well
govt_impr_livstandd_poor_cg_1	Caregiver views on how the current government improve living standards: Don't know
govt_impr_livstandd_poor_cg_2	Caregiver views on how the current government improve living standards: Refused to answer
govt_impr_livstandd_poor_cg_3	Caregiver views on how the current government improve living standards: Very badly
govt_impr_livstandd_poor_cg_4	Caregiver views on how the current government improve living standards: Fairly badly
govt_impr_livstandd_poor_cg_5	Caregiver views on how the current government improve living standards: Fairly well
govt_impr_livstandd_poor_cg_6	Caregiver views on how the current government improve living standards: Very well
govt_impr_livstandd_poor_1	Household head views on how the current government improve living standards: Don't know

govt_impr_livstandd_poor_2	Household head views on how the current government improve living standards: Refused to answer
govt_impr_livstandd_poor_3	Household head views on how the current government improve living standards: Very badly
govt_impr_livstandd_poor_4	Household head views on how the current government improve living standards: Fairly badly
govt_impr_livstandd_poor_5	Household head views on how the current government improve living standards: Fairly well
govt_impr_livstandd_poor_6	Household head views on how the current government improve living standards: Very well
govt_impr_electsupply_cg_1	Caregiver views on how the current government improve electricity supply: Don't know
govt_impr_electsupply_cg_2	Caregiver views on how the current government improve electricity supply: Refused to answer
govt_impr_electsupply_cg_3	Caregiver views on how the current government improve electricity supply: Very badly
govt_impr_electsupply_cg_4	Caregiver views on how the current government improve electricity supply: Fairly badly
govt_impr_electsupply_cg_5	Caregiver views on how the current government improve electricity supply: Fairly well
govt_impr_electsupply_cg_6	Caregiver views on how the current government improve electricity supply: Very well
govt_impr_electsupply_1	Household head views on how the current government improve electricity supply: Don't know
govt_impr_electsupply_2	Household head views on how the current government improve electricity supply: Refused to answer
govt_impr_electsupply_3	Household head views on how the current government improve electricity supply: Very badly
govt_impr_electsupply_4	Household head views on how the current government improve electricity supply: Fairly badly
govt_impr_electsupply_5	Household head views on how the current government improve electricity supply: Fairly well
govt_impr_electsupply_6	Household head views on how the current government improve electricity supply: Very well

Table 17: Safety Nets.

<u>Variable</u>	<u>Description</u>
safetynets_2cash_cg_1	Member of Household received assistance from any institution in form: Cash
safetynets_2cash_cg_2	Member of Household didn't received assistance from any institution in form: Cash
safetynets_2sch_feed_cg_1	Member of Household received assistance from any institution in form: food
safetynets_2sch_feed_cg_2	Member of Household didn't received assistance from any institution in form: food
safetynets2_inkind_cg_1	Member of Household received assistance from any institution in form: in-kind
safetynets2_inkind_cg_2	Member of Household didn't received assistance from any institution in form: in-kind
safetynets2_scholarship_cg_1	Member of Household received assistance from any institution in form: scholarship
safetynets2_scholarship_cg_2	Member of Household didn't received assistance from any institution in form: scholarship

Table 18: Other Incomes.

<u>Variable</u>	<u>Description</u>
other_income_01_cg_101	Household received income from savings/investment income , during the past 12 months.
other_income_01_cg_102	Household received income from rental of property , during the past 12 months
other_income_01_cg_103	Household received income from pension/retirement benefits , during the past 12 months.
other_income_01_cg_104	Household received income from any other type (specify) , during the past 12 months.
other_income_01_cg_100	Household did not receive any other regular income , during the past 12 months.
other_income_03_cg_1_1	Caregiver self-decide uses of Household income received from savings/investment income.
other_income_03_cg_2_1	Partner decide uses of Household income received from savings/investment income.
other_income_03_cg_3_1	Other male household decide uses of Household income received from savings/investment income.
other_income_03_cg_4_1	Other female household decide uses of Household income received from savings/investment income.
other_income_03_cg_5_1	Other non-Household decide uses of Household income received from savings/investment income.
other_income_03_cg_1_2	Caregiver self-decide uses of Household income received from rental of property.
other_income_03_cg_2_2	Partner decide uses of Household income received from rental of property.
other_income_03_cg_3_2	Other male household decide uses of Household income received from rental of property.
other_income_03_cg_4_2	Other female household decide uses of Household income received from rental of property.
other_income_03_cg_5_2	Other non-Household decide uses of Household income received from rental of property.
other_income_03_cg_1_3	Caregiver self-decide uses of Household income received from pension/retirement benefits.
other_income_03_cg_2_3	Partner's Household decide uses of Household income received from pension/retirement benefits.
other_income_03_cg_3_3	Other male household decide uses of Household income received from pension/retirement benefits.
other_income_03_cg_4_3	Other female household decide uses of Household income received from pension/retirement benefits.
other_income_03_cg_5_3	Other non-Household decide uses of Household income received from pension/retirement benefits.

Table 20: Expenditure.

<u>Variable</u>	<u>Description</u>
exp4b_sum	How much did the Household purchase in total frequent expenditures (7 days)?
exp4d_sum	How much did the Household purchase in total frequent expenditures (1 month)?
exp4f_sum	How much did the household purchase in total infrequent expenditures (6 months)?
exp4a_402matches_cg	Household purchase any matches,past 7 days
exp4a_403newspaper_cg	Household purchase any newspaper/magazines,past 7 days
exp4a_404pubtrans_cg	Household purchase any public transport services,past 7 days
exp4a_405gambling_cg	Household spend on Gambling, lotto, raffles,past 7 days
exp4c_406housecare_cg	Household purchase/pay any household care items,past 30 days
exp4c_407comm_cg	Household purchase any communication charges,past 7 days
exp4c_408per_caregoods_cg	Household purchase/pay any personal care goods,past 30 days
exp4c_409serv_salon_cg	Household purchase/pay any Service of a salon, past 30 days
exp4c_410serv_barber_cg	Household purchase/pay any service of a barber,past 30 days
exp4c_411fuel_cg	Household purchase/pay any fuel for cooking,past 30 days
exp4c_412fuel_trans_cg	Household purchase/pay any fuel for transportation,past 30 days
exp4c_413electricity_cg	Household purchase/pay any electricity, past 30 days
exp4c_414firewood_cg	Household purchase/pay any firewood,past 30 days
exp4c_415water_cg	Household purchase/pay any water,past 30 days
exp4c_416repairs_cg	Household purchase/pay any repair services,past 30 days
exp4c_417others_cg	Household purchase/pay any other item/services(specify),past 30 days
exp4e_418schfees_cg	Household purchase/pay any School Fees,past 6 months
exp4e_419childcloth_cg	Household purchase/pay any Children clothing,past 6 months
exp4e_420adultcloth_cg	Household purchase/pay any Adult's clothing,past 6 months
exp4e_421houseutensil_cg	Household purchase/pay any Household utensils for cooking/cleaning, past 6 months
exp4e_422ceremonies_cg	Household purchase/pay any Ceremonies/festivals/house decorations,past 6 months

exp4e_423donations_cg	Household purchase/pay any donations to religious groups,past 6 months
exp4e_424govt_tax_cg	Household purchase/pay any government taxes,past 6 months
exp4e_425health_exp_cg	Household purchase/pay any health expenditures,past 6 months
exp4e_426remittance_cg	Household purchase/pay any remittances to family out of the Household,past 6 months
exp4e_427rentagric_cg	Household purchase/pay any renting agricultural equipment,past 6 months
exp4e_428other_cg	Household purchase/pay any other item/services(specify),past 6 months

Table 21: Total Expenditure.

<u>Variable</u>	<u>Description</u>
Total_food_purchased	How much is the total food purchased by the Household, past 7 days?
Total_own_production	Value of food consumed by Household taken from its own production/storage,past 7 days?
Total_borrowed	Value of food consumed by Household received as a gift/borrowed,past 7 days?
Total_fs_overall	Value of total food consumed from overall sources,past 7 days?
percapita_exp4b_sum	Per capita value of frequent non-food expenditures,past 7 days?
percapita_exp4d_sum	Per capita value of frequent non-food expenditures,past 1 month?
percapita_exp4f_sum	Per capita value of frequent non-food expenditures,past 6 month?
percapita_Total_food_purchased	Per capita value of food purchased,past 7 days?
percapita_Total_own_production	Per capita value of own food production,past 7 days?
percapita_Total_borrowed	Per capita value of food received as a gift/borrowed,past 7 days?
percapita_Total_fs_overall	Per capita value of overall food consumption,past 7 days?
trim_percapita_fs_overall	Trimmed Per capita value of overall food consumption,past 7 days: cap=4700
trim_percapita_food_purchased	Trimmed Per capita value of food purchased,past 7 days: cap=3436.667
trim_percapita_own_production	Trimmed Per capita value of own food production,past 7 days: cap=2350
trim_percapita_borrowed	Trimmed Per capita value of food received as a gift/borrowed,past 7 days: cap=350
trim_percapita_exp4f_sum	Trimmed Per capita value of frequent non-food expense,past 6 month: cap=34000
trim_percapita_exp4d_sum	Trimmed Per capita value of frequent non-food expense,past 1 month: cap=4181.818
trim_percapita_exp4b_sum	Trimmed Per capita value of frequent non-food expenditures,past 7 days: cap=762.5

Table 22: Psycho-social.

<u>Variable</u>	<u>Description</u>
psy23_cg_1	Caregiver desired future occupation for their sons: Join family farming
psy23_cg_2	Caregiver desired future occupation for their sons: Run family business
psy23_cg_3	Caregiver desired future occupation for their sons: Professional-teacher/doctor
psy23_cg_4	Caregiver desired future occupation for their sons: Join armed forces
psy23_cg_5	Caregiver desired future occupation for their sons: Government job
psy23_cg_6	Caregiver desired future occupation for their sons: Private sector job
psy23_cg_7	Caregiver desired future occupation for their sons: Don't want work outside home
psy23_cg_8	Caregiver desired future occupation for their sons: Don't have sons
psy23_cg_9	Caregiver desired future occupation for their sons: Other(specify)
psy24_cg_1	Caregiver desired future occupation for their daughters: Join family farming
psy24_cg_2	Caregiver desired future occupation for their daughters: Run family business
psy24_cg_3	Caregiver desired future occupation for their daughters: Professional-teacher/doctor
psy24_cg_4	Caregiver desired future occupation for their daughters: Join armed forces
psy24_cg_5	Caregiver desired future occupation for their daughters: Government job
psy24_cg_6	Caregiver desired future occupation for their daughters: Private sector job
psy24_cg_7	Caregiver desired future occupation for their daughters: Don't want work outside home
psy24_cg_8	Caregiver desired future occupation for their daughters: Don't have sons
psy24_cg_9	Caregiver desired future occupation for their daughters: Other(specify)
psy_25_cg_1	Caregiver inputs in decision making abt Income Caregiver earn: No/few input into decisions
psy_25_cg_2	Caregiver inputs in decision making abt Income Caregiver earn: Input into some decisions
psy_25_cg_3	Caregiver inputs in decision making abt Income Caregiver earn: Input into most/all decisions
psy_26_cg_1	Caregiver inputs in decision making abt Household income spent: No/few input into decisions
psy_26_cg_2	Caregiver inputs in decision making abt Household income spent: Input into some decisions
psy_26_cg_3	Caregiver inputs in decision making abt Household income spent: Input into most/all decisions

psy_27_cg_1	Caregiver inputs in decision making abt Household major expenses: No/few input into decisions
psy_27_cg_2	Caregiver inputs in decision making abt Household major expenses: Input into some decisions
psy_27_cg_3	Caregiver inputs in decision making abt Household major expenses: Input into most/all decisions
psy_28_cg_1	Caregiver inputs in decision making abt Childbearing: No/few input into decisions
psy_28_cg_2	Caregiver inputs in decision making abt Childbearing: Input into some decisions
psy_28_cg_3	Caregiver inputs in decision making abt Childbearing: Input into most/all decisions
psy_29_cg_1	Caregiver inputs in decision making abt Children's education: No/few input into decisions
psy_29_cg_2	Caregiver inputs in decision making abt Children's education: Input into some decisions
psy_29_cg_3	Caregiver inputs in decision making abt Children's education: Input into most/all decisions
psy30_cg_1	Caregiver feel can make personal decisions regarding Income Caregiver earn: Not at all
psy30_cg_2	Caregiver feel can make personal decisions regarding Income Caregiver earn: Small extent
psy30_cg_3	Caregiver feel can make personal decisions regarding Income Caregiver earn: Medium Extent
psy30_cg_4	Caregiver feel can make personal decisions regarding Income Caregiver earn: High Extent
psy_31_cg_1	Caregiver feel can make personal decisions regarding How Household income spent: Not at all
psy_31_cg_2	Caregiver feel can make personal decisions regarding How Household income spent: Small Extent
psy_31_cg_3	Caregiver feel can make personal decisions regarding How Household income spent: Medium Extent
psy_31_cg_4	Caregiver feel can make personal decisions regarding How Household income spent: High Extent
psy32_cg_1	Caregiver feel can make personal decisions regarding Major Household expenses: Not at all
psy32_cg_2	Caregiver feel can make personal decisions regarding Major Household expenses: Small Extent
psy32_cg_3	Caregiver feel can make personal decisions regarding Major Household expenses: Medium Extent
psy32_cg_4	Caregiver feel can make personal decisions regarding Major Household expenses: High Extent
fds01_cg_1	Caregiver feel can make personal decisions regarding Childbearing: Not at all
fds01_cg_2	Caregiver feel can make personal decisions regarding Childbearing: Small Extent
fds01_cg_3	Caregiver feel can make personal decisions regarding Childbearing: Medium Extent
psy34_cg_1	Caregiver feel can make personal decisions regarding Children's education: Not at all

psy34_cg_2	Caregiver feel can make personal decisions regarding Children's education: Small Extent
psy34_cg_3	Caregiver feel can make personal decisions regarding Children's education: Medium Extent
psy34_cg_4	Caregiver feel can make personal decisions regarding Children's education: High Extent
dsm5_feltworthless_cg	Caregiver feeling worthless during the past 7 days
dsm5_nothing_lookforward_cg	Caregiver feeling to have nothing to look forward to during the past 7 days
dsm5_helpless_cg	Caregiver feeling helpless during the past 7 days
dsm5_sad_cg	Caregiver feeling sad during the past 7 days
dsm5_failure_cg	Caregiver feeling like a failure during the past 7 days
dsm5_depressed_cg	Caregiver feeling depressed during the past 7 days
dsm5_unhappy_cg	Caregiver feeling unhappy during the past 7 days
dsm5_hopeless_cg	Caregiver feeling hopeless during the past 7 days

Table 23: Co-Responsibilities.

<u>Variable</u>	<u>Description</u>
take_allthings_cg_1	Taking all things together, Caregiver say is: Very happy
take_allthings_cg_2	Taking all things together, Caregiver say is: Rather happy
take_allthings_cg_3	Taking all things together, Caregiver say is: Not very happy
take_allthings_cg_4	Taking all things together, Caregiver say is: Not at all happy
dsm5_total	Depression level-total score
dsm5_complete	Number of complete questions
dsm5_score	Depression level-score
dsm5_none	Depression level: None to slight
dsm5_mild	Depression level: Mild
dsm5_moderate	Depression level: Moderate
dsm5_severe	Depression level: Severe
self_efficacy_total	Generalized self-efficacy score

Table 23: Co-Responsibilities.

<u>Variable</u>	<u>Description</u>
minor_under5_cg	Are there any under 5 child(ren) in this Household?
total_under5_cg	How many are children below 5 years in this Household?
num_years_recomm_cg	How many years is it recommended to leave between pregnancies (child spacing)?
breastfeed_mon	Are you or anyone in your Household currently breastfeeding (child)?
add_liquids_mon	Breastfeeding baby is given additional foods (such as porridge)

Table 24: Shocks.

<u>Variable</u>	<u>Description</u>
shocks_1_cg_2	Death or disability of an adult working member of the Household
shocks_2_cg_2	Death of someone who sends remittances to the Household
shocks_3_cg_2	Illness of income earning member of the Household
shocks_4_cg_2	Loss of an important contact
shocks_5_cg_2	Job loss
shocks_6_cg_2	Departure of income earning member of the Household due to separation/divorce
shocks_7_cg_2	Departure of income earning member of the Household due to marriage
shocks_8_cg_2	Non-farm business failure
shocks_9_cg_2	Theft of crops, cash, livestock or other property
shocks_10_cg_2	Destruction of harvest by fire
shocks_11_cg_2	Poor rains that caused harvest failure
shocks_12_cg_2	Flooding that caused harvest failure
shocks_13_cg_2	Pest invasion that caused harvest failure/storage loss
shocks_14_cg_2	Loss of property due to fire/flood
shocks_15_cg_2	Loss of land
shocks_16_cg_2	Death of livestock due to illness
shocks_17_cg_2	Increase in price of inputs
shocks_18_cg_2	Fall in the price of output
shocks_19_cg_2	Increase in price of major food items consumed
shocks_20_cg_2	Other shocks experiences
total_shocks	Total shocks experienced

Table 25: Food Security.

<u>Variable</u>	<u>Description</u>
fds01_cg_1	Past 12 months,were days Caregiver ddn't have food for family: Yes,year round
fds01_cg_2	Past 12 months,were days Caregiver ddn't have food for family: Yes(non-farming season)
fds01_cg_3	Past 12 months,were days Caregiver ddn't have food for family: No
fds03_cg	How many meals did you eat yesterday?
fds04_cg	Past 7 days, how many days have you eaten meat/fish?
fds05_cg	Past 7 days, member of Household skip any meal because of shortage of food in the Household
fds06_cg	On average, how many meals did members of your Household skip in the past 7 days?
fds08_cg	Did Household borrow food or rely on help from friends/relatives over the past year?
fds_a_maleadults	Consideration in accessing food during shortage(ranking): Male adults
fds_b_femaleadults	Consideration in accessing food during shortage(ranking): Female adults
fds_c_malechildren	Consideration in accessing food during shortage(ranking): Male children
fds_d_femalechildren	Consideration in accessing food during shortage(ranking): Female children

Table 26: Dwelling.

<u>Variable</u>	<u>Description</u>
dla06_cg	What is the main type of energy used for lighting?
dla07_cg	What is the main type of energy used for cooking?
dla08_cg	What is the main source of drinking water?
dla09_cg	What is the main source of water for other purposes?
dla10_cg	What is the household's main toilet facility?
dla12_numrooms_cg	How many rooms does this dwelling have?
dla11_year	For how long has your Household been living in this location?
improved_sanitation	Household has improved sanitation
improved_drinkwater	Household has improved drinking water
improved_floor	Household has improved floor
improved_walls	Household has improved walls
improved_roof	Household has improved roof
Hhtype	Type of Household

Table 27: Relationship.

<u>Variable</u>	<u>Description</u>
rel01_cg_1	Caregiver currently married/living with a partner: No
rel01_cg_2	Caregiver currently married/living with a partner: Yes
rel06_cg_1	Husb/othr fmly members of Caregiver's husb prevent Caregiver to visit relatives/friends: No
rel06_cg_2	Husb/othr fmly members of Caregiver's husb prevent Caregiver to visit relatives/friends: Yes
rel07_cg_1	Husb/othr fmly members of Caregiver's husb prevent Caregiver to working outside the home: No
rel07_cg_2	Husb/othr fmly members of Caregiver's husb prevent Caregiver to working outside the home: Yes
rel08_cg_1	How often do you get money from your husb: Never
rel08_cg_2	How often do you get money from your husb: Daily
rel08_cg_3	How often do you get money from your husb: Weekly
rel08_cg_4	How often do you get money from your husb: Less than once a month
rel08_cg_5	How often do you get money from your husb: Monthly
rel09_cg	How much money Caregiver received from husb for Household needs past 7 days?
rel10_cg_1	Past 12 months,how often husb taken Household money against Caregiver's will: Always
rel10_cg_2	Past 12 months,how often husb taken Household money against Caregiver's will: Often
rel10_cg_3	Past 12 months,how often husb taken Household money against Caregiver's will: Sometimes
rel10_cg_4	Past 12 months,how often husb taken Household money against Caregiver's will: Rarely
rel10_cg_5	Past 12 months,how often husb taken Household money against Caregiver's will: Never
rel11_cg_1	How often husb refused to provide money for Household needs,even if have money: Always
rel11_cg_2	How often husb refused to provide money for Household needs,even if have money: Often
rel11_cg_3	How often husb refused to provide money for Household needs,even if have money: Sometimes
rel11_cg_4	How often husb refused to provide money for Household needs,even if have money: Rarely
rel11_cg_5	How often husb refused to provide money for Household needs,even if have money: Never
rel12_cg_1	How often Caregiver give all/part of the money earned to husb: Always
rel12_cg_2	How often Caregiver give all/part of the money earned to husb: Often

rel12_cg_3	How often Caregiver give all/part of the money earned to husb: Sometimes
rel12_cg_4	How often Caregiver give all/part of the money earned to husb: Rarely
rel12_cg_5	How often Caregiver give all/part of the money earned to husb: Never
rel13_cg_1	How often Caregiver give all/part of the money earned to husb's family members: Always
rel13_cg_2	How often Caregiver give all/part of the money earned to husb's family members: Often
rel13_cg_3	How often Caregiver give all/part of the money earned to husb's family members: Sometimes
rel13_cg_4	How often Caregiver give all/part of the money earned to husb's family members: Rarely
rel13_cg_5	How often Caregiver give all/part of the money earned to husb's family members: Never
rel24_cg_1	Husb is justified in hitting/beating his wife if she burns the food: No
rel24_cg_2	Husb is justified in hitting/beating his wife if she burns the food: Yes
rel25_cg_1	Husb is justified in hitting/beating his wife if she neglects the children: No
rel25_cg_2	Husb is justified in hitting/beating his wife if she neglects the children: Yes
dcm01_hh_curr_exp_cg_1	Caregiver control decision on Current Household expenses: Fully,I decide by myself
dcm01_hh_curr_exp_cg_2	Caregiver control decision on Current Household expenses: Mostly control the decision
dcm01_hh_curr_exp_cg_3	Caregiver control decision on Current Household expenses: Decide jointly with someone
dcm01_hh_curr_exp_cg_4	Caregiver control decision on Current Household expenses: Mostly someone controls,I'm consulted
dcm01_hh_curr_exp_cg_5	Caregiver control decision on Current Household expenses: Don't control this decision
dcm01_hh_majorpurchase_cg_1	Caregiver control decision on Major Household purchase: Fully,I decide by myself
dcm01_hh_majorpurchase_cg_2	Caregiver control decision on Major Household purchase: Mostly control the decision
dcm01_hh_majorpurchase_cg_3	Caregiver control decision on Major Household purchase: Decide jointly with someone
dcm01_hh_majorpurchase_cg_4	Caregiver control decision on Major Household purchase: Mostly someone controls,I'm consulted
dcm01_hh_majorpurchase_cg_5	Caregiver control decision on Major Household purchase: Don't control this decision
dcm01_hhbiz_income_cg_1	Caregiver control decision on Inc generating act: Fully,I decide by myself
dcm01_hhbiz_income_cg_2	Caregiver control decision on Inc generating act: Mostly control the decision
dcm01_hhbiz_income_cg_3	Caregiver control decision on Inc generating act: Decide jointly with someone

dcm01_hhbiz_income_cg_4	Caregiver control decision on Inc generating act: Mostly someone controls,I'm consulted
dcm01_hhbiz_income_cg_5	Caregiver control decision on Inc generating act: Don't control this decision
dcm01_hhsavings_cg_1	Caregiver control decision on Household savings: Fully,I decide by myself
dcm01_hhsavings_cg_2	Caregiver control decision on Household savings: Mostly control the decision
dcm01_hhsavings_cg_3	Caregiver control decision on Household savings: Decide jointly with someone
dcm01_hhsavings_cg_4	Caregiver control decision on Household savings: Mostly someone controls,I'm consulted
dcm01_hhsavings_cg_5	Caregiver control decision on Household savings: Don't control this decision
dcm01_agricultural_decis_cg_1	Caregiver control decision on Agricultural issues: Fully,I decide by myself
dcm01_agricultural_decis_cg_2	Caregiver control decision on Agricultural issues: Mostly control the decision
dcm01_agricultural_decis_cg_3	Caregiver control decision on Agricultural issues: Decide jointly with someone
dcm01_agricultural_decis_cg_4	Caregiver control decision on Agricultural issues: Mostly someone controls,I'm consulted
dcm01_agricultural_decis_cg_5	Caregiver control decision on Agricultural issues: Don't control this decision
dcm01_livestock_cg_1	Caregiver control decision on Livestock issues: Fully,I decide by myself
dcm01_livestock_cg_2	Caregiver control decision on Livestock issues: Mostly control the decision
dcm01_livestock_cg_3	Caregiver control decision on Livestock issues: Decide jointly with someone
dcm01_livestock_cg_4	Caregiver control decision on Livestock issues: Mostly someone controls,I'm consulted
dcm01_livestock_cg_5	Caregiver control decision on Livestock issues: Don't control this decision
dcm01_income_earned_cg_1	Caregiver control decision on Inc earned: Fully,I decide by myself
dcm01_income_earned_cg_2	Caregiver control decision on Inc earned: Mostly control the decision
dcm01_income_earned_cg_3	Caregiver control decision on Inc earned: Decide jointly with someone
dcm01_income_earned_cg_4	Caregiver control decision on Inc earned: Mostly someone controls,I'm consulted
dcm01_income_earned_cg_5	Caregiver control decision on Inc earned: Don't control this decision
dcm01_trav_outsidecomm_cg_1	Caregiver control decision to travel outside Comm: Fully,I decide by myself
dcm01_trav_outsidecomm_cg_2	Caregiver control decision to travel outside Comm: Mostly control the decision
dcm01_trav_outsidecomm_cg_3	Caregiver control decision to travel outside Comm: Decide jointly with someone

dcm01_trav_outsidecomm_cg_4	Caregiver control decision to travel outside Comm: Mostly someone controls,I'm consulted
dcm01_trav_outsidecomm_cg_5	Caregiver control decision to travel outside Comm: Don't control this decision
dcm01_child_education_cg_1	Caregiver control decision on Children's education: Fully,I decide by myself
dcm01_child_education_cg_2	Caregiver control decision on Children's education: Mostly control the decision
dcm01_child_education_cg_3	Caregiver control decision on Children's education: Decide jointly with someone
dcm01_child_education_cg_4	Caregiver control decision on Children's education: Mostly someone controls,I'm consulted
dcm01_child_education_cg_5	Caregiver control decision on Children's education: Don't control this decision
dcm01_another_child_cg_1	Caregiver control decision to have another child: Fully,I decide by myself
dcm01_another_child_cg_2	Caregiver control decision to have another child: Mostly control the decision
dcm01_another_child_cg_3	Caregiver control decision to have another child: Decide jointly with someone
dcm01_another_child_cg_4	Caregiver control decision to have another child: Mostly someone controls,I'm consulted
dcm01_another_child_cg_5	Caregiver control decision to have another child: Don't control this decision
care_relationship	What is the Caregiver relationship with the Household head?
care_male_relationship	What is the female Caregiver relationship with the Household head?
care_female_relationship	What is the male Caregiver relationship with the Household head?
alter_relationship	What is the alternate relationship with the Household head?
alter_male_relationship	What is the male alternate relationship with the Household head?
alter_female_relationship	What is the female alternate relationship with the Household head?
Self	Caregiver relationship with the Household head: Self
Spouse_partner	Caregiver relationship with the Household head: Spouse/Partner
Biological_Child	Caregiver relationship with the Household head: Biological child
Step_child	Caregiver relationship with the Household head: Step child
Adopted_child	Caregiver relationship with the Household head: Adopted child
Grand_child	Caregiver relationship with the Household head: Grand child
brother_or_sister	Caregiver relationship with the Household head: Brother/Sister

Cousin	Caregiver relationship with the Household head: Cousin
niece_or_nephew	Caregiver relationship with the Household head: niece/nephew
brother_or_sister_in_law	Caregiver relationship with the Household head: Brother/Sister in law
Parent	Caregiver relationship with the Household head: parent
parent_in_law	Caregiver relationship with the Household head: parent in law
Non_relative_specify	Caregiver relationship with the Household head: Non relative(specify)
other_relative_specify	Caregiver relationship with the Household head: Other relative(specify)

Table 28: Time.

<u>Variable</u>	<u>Description</u>
time_1_cg	Hours spent asleep by Caregiver in a typical day
time_2_cg	Hours spent by Caregiver taking care of others(children, ill Household members)
time_3_cg	Hours spent by Caregiver in Domestic tasks(fetching water,firewood,cleaning etc)
time_4_cg	Hours spent by Caregiver on non-farm business activities/tasks
time_5_cg	Hours spent by Caregiver on remunerated work/activities outside of Household/someone not in Household
time_6_cg	Hours spent by Caregiver on tasks like family farm,home garden,cattle herding etc
time_7_cg	Hours spent by Caregiver in Shopping or getting services (including health services)
time_8_cg	Hours spent by Caregiver for Prayer.
time_9_cg	Hours spent by Caregiver for Leisure(includes self-care and hobbies)
time_10_cg_1	In the last 24 hours, did Caregiver work(home/outside Household): More than usual
time_10_cg_2	In the last 24 hours, did Caregiver work(home/outside Household): About the same as usually
time_10_cg_3	In the last 24 hours, did Caregiver work(home/outside Household): Less than usually

Table 29: Household Roster.

<u>Variable</u>	<u>Description</u>
North	Household in north state
state_id	where the Household is located: State name
state_tab	where the Household is located: State name
Care_age	age of Caregiver in years
Care_gender_female	Caregiver is a female
Care_gender_male	Caregiver is a male
Care_religion_Christian	Caregiver is a Christian
Care_religion_Muslim	Caregiver is a Muslim
Care_religion_Traditional	Caregiver is a Traditional believer
Single_never_married	Caregiver marital status: Never married
Married_monogamy	Caregiver marital status: Monogamy
Married_polygamy	Caregiver marital status: Polygamy
Living_with_partner_not_married	Caregiver marital status: Living with patner but not married
Widowed	Caregiver marital status: Widowed
Divorced	Caregiver marital status: Divorced
Separated	Caregiver marital status: Separated
Ever_attended_school_1	Caregiver ever attended school: Public school
Ever_attended_school_2	Caregiver ever attended school: Private school
Ever_attended_school_3	Caregiver ever attended school: Other (Specify)
Currently_in_school	Caregiver level of education; currently in school
Care_edu	What is the Caregiver level of education?
Care_pri_edu	Caregiver level of education: Primary
Care_sec_edu	Caregiver level of education: Secondary
Care_postsec_edu	Caregiver level of education: Post-secondary

Care_coll_edu	Caregiver level of education: College
Care_workedforpay	Caregiver worked for pay
alter_age	age of Alternate in years
alter_gender_male	Alternate is a male
alter_gender_female	Alternate is a female
alter_religion_Christian	Alternate is a Christian
alter_religion_Muslim	Alternate is a Muslim
alter_religion_Traditional	Alternate is a Traditional believer
al_Single_never_married	Alternate marital status: Never married
al_Married_monogamy	Alternate marital status: Monogamy
al_Married_polygamy	Alternate marital status: Polygamy
al_Living_with_part_not_married	Alternate marital status: Living with patner but not married
al_Widowed	Alternate marital status: Widowed
al_Divorced	Alternate marital status: Divorced
al_Separated	Alternate marital status: Separated
al_Ever_attended_school_1	Alternate ever attended school: Public school
al_Ever_attended_school_2	Alternate ever attended school: Private school
al_Ever_attended_school_3	Alternate ever attended school: Other (Specify)
al_Currently_in_school	Alternate level of education; currently in school
al_edu	What is the Alternate level of education?
al_pri_edu	Alternate level of education: Primary
al_sec_edu	Alternate level of education: Secondary
al_postsec_edu	Alternate level of education: Post-secondary
al_coll_edu	Alternate level of education: College
alter_workedforpay	Alternate worked for pay

hhh_age	age of Household head in years
hhh_gender_male	Household head is a male
hhh_gender_female	Household head is a female
hhh_religion_Christian	Household head is a Christian
hhh_religion_Muslim	Household head is a Muslim
hhh_religion_Traditional	Household head is a Traditional believer
hhh_Single_never_married	Household head marital status: Never married
hhh_Married_monogamy	Household head marital status: Monogamy
hhh_Married_polygamy	Household head marital status: Polygamy
hhh_Living_with_part_not_married	Household head marital status: Living with patner but not married
hhh_Widowed	Household head marital status: Widowed
hhh_Divorced	Household head marital status: Divorced
hhh_Separated	Household head marital status: Separated
hhh_Ever_attended_school_1	Household head ever attended school: Public school
hhh_Ever_attended_school_2	Household head ever attended school: Private school
hhh_Ever_attended_school_3	Household head ever attended school: Other (Specify)
Hhedu	What is the Household head level of education?
pri_edu	Household head level of education: Primary
sec_edu	Household head level of education: Secondary
postsec_edu	Household head level of education: Post-secondary
coll_edu	Household head level of education: College
hhh_workedforpay	Household head worked for pay

Table 30: Productive Members.

<u>Variable</u>	<u>Description</u>
agree_prodmember	Household head and Caregiver agree on productive member
hhh_prodmember_age	Age of Productive member Household head selected
hhh_prodmember_education_1	Highest level of education of Productive member Household head selected: PrePrimary/Kindergarten/Nursery
hhh_prodmember_education_2	Highest level of education of Productive member Household head selected: Primary: One
hhh_prodmember_education_3	Highest level of education of Productive member Household head selected: Primary: Two
hhh_prodmember_education_4	Highest level of education of Productive member Household head selected: Primary: Three
hhh_prodmember_education_5	Highest level of education of Productive member Household head selected: Primary: Four
hhh_prodmember_education_6	Highest level of education of Productive member Household head selected: Primary: Five
hhh_prodmember_education_7	Highest level of education of Productive member Household head selected: Primary: Six
hhh_prodmember_education_8	Highest level of education of Productive member Household head selected: JSS 1
hhh_prodmember_education_9	Highest level of education of Productive member Household head selected: JSS 2
hhh_prodmember_education_10	Highest level of education of Productive member Household head selected: JSS 3
hhh_prodmember_education_11	Highest level of education of Productive member Household head selected: SS 1
hhh_prodmember_education_12	Highest level of education of Productive member Household head selected: SS 2
hhh_prodmember_education_13	Highest level of education of Productive member Household head selected: SS 3
hhh_prodmember_education_14	Highest level of education of Productive member Household head selected: Vocational
hhh_prodmember_education_15	Highest level of education of Productive member Household head selected: Post-secondary
hhh_prodmember_education_16	Highest level of education of Productive member Household head selected: Postgraduate
hhh_prodmember_education_17	Highest level of education of Productive member Household head selected: Can't remember(primary class)
hhh_prodmember_education_18	Highest level of education of Productive member Household head selected: Can't remember(secondary class)
hhh_prodmember_education_19	Highest level of education of Productive member Household head selected: Others(specify)
hhh_prodmember_pri_edu	Highest level of education of Productive member Household head selected: Primary education
hhh_prodmember_sec_edu	Highest level of education of Productive member Household head selected: secondary education
hhh_prodmember_postsec_edu	Highest level of education of Productive member Household head selected: Post-secondary education

hhh_prodmember_coll_edu	Highest level of education of Productive member Household head selected: Collage education
hhh_prodmember_in_school	Productive member Household head selected currently enrolled in school
hhh_prodmember_gender_1	Gender {fam_line_name1} who is Productive member selected by Household head: Male
hhh_prodmember_gender_2	Gender {fam_line_name2} who is Productive member selected by Household head: Male
hhh_prodmember_gender_3	Gender {fam_line_name3} who is Productive member selected by Household head: Male
hhh_prodmember_gender_4	Gender {fam_line_name4} who is Productive member selected by Household head: Male
hhh_prodmember_gender_5	Gender {fam_line_name5} who is Productive member selected by Household head: Male
hhh_prodmember_gender_6	Gender {fam_line_name6} who is Productive member selected by Household head: Male
hhh_prodmember_gender_7	Gender {fam_line_name7} who is Productive member selected by Household head: Male
hhh_prodmember_gender_8	Gender {fam_line_name8} who is Productive member selected by Household head: Male
hhh_prodmember_gender_9	Gender {fam_line_name9} who is Productive member selected by Household head: Male
hhh_prodmember_gender_10	Gender {fam_line_name10} who is Productive member selected by Household head: Male
hhh_prodmember_gender_11	Gender {fam_line_name11} who is Productive member selected by Household head: Male
hhh_prodmember_gender_12	Gender {fam_line_name12} who is Productive member selected by Household head: Male
hhh_prodmember_gender_13	Gender {fam_line_name13} who is Productive member selected by Household head: Male
hhh_prodmember_gender_14	Gender {fam_line_name14} who is Productive member selected by Household head: Male
hhh_prodmember_gender_15	Gender {fam_line_name15} who is Productive member selected by Household head: Male
hhh_prodmember_gender_16	Gender {fam_line_name16} who is Productive member selected by Household head: Male
hhh_prodmember_gender_17	Gender {fam_line_name17} who is Productive member selected by Household head: Male
hhh_prodmember_gender_18	Gender {fam_line_name18} who is Productive member selected by Household head: Male
hhh_prodmember_gender_19	Gender {fam_line_name19} who is Productive member selected by Household head: Male
hhh_prodmember_gender_20	Gender {fam_line_name20} who is Productive member selected by Household head: Male
hhh_prodmember_gender_21	Gender {fam_line_name21} who is Productive member selected by Household head: Male
hhh_prodmember_gender_22	Gender {fam_line_name22} who is Productive member selected by Household head: Male
hhh_prodmember_gender_23	Gender {fam_line_name23} who is Productive member selected by Household head: Male

hhh_prodmember_gender_24	Gender {fam_line_name24} who is Productive member selected by Household head: Male
hhh_prodmember_gender2_1	Gender of Productive member Household head selected: Male
hhh_prodmember_gender2_2	Gender of Productive member Household head selected: Female
hhh_prodmember_emp_status	Household head selected Productive member who is currently employed
hhh_prodmember_workedforpay	Household head selected Productive member who worked for pay,, during the past 12 months
hhh_prodmember_1	Household head selected himself/herself to be Prodmember
hhh_prodmember_2	Household head selected Caregiver to be Prodmember
hhh_prodmember_3	Household head selected alternate to be Prodmember
hhh_prodmember_4	Household head selected other Household to be Prodmember
care_prodmember_age	Age of Productive member Caregiver selected
care_prodmember_gender_1	Gender {fam_line_name1} who is Productive member selected by Caregiver: Male
care_prodmember_gender_2	Gender {fam_line_name2} who is Productive member selected by Caregiver: Male
care_prodmember_gender_3	Gender {fam_line_name3} who is Productive member selected by Caregiver: Male
care_prodmember_gender_4	Gender {fam_line_name4} who is Productive member selected by Caregiver: Male
care_prodmember_gender_5	Gender {fam_line_name5} who is Productive member selected by Caregiver: Male
care_prodmember_gender_6	Gender {fam_line_name6} who is Productive member selected by Caregiver: Male
care_prodmember_gender_7	Gender {fam_line_name7} who is Productive member selected by Caregiver: Male
care_prodmember_gender_8	Gender {fam_line_name8} who is Productive member selected by Caregiver: Male
care_prodmember_gender_9	Gender {fam_line_name9} who is Productive member selected by Caregiver: Male
care_prodmember_gender_10	Gender {fam_line_name10} who is Productive member selected by Caregiver: Male
care_prodmember_gender_11	Gender {fam_line_name11} who is Productive member selected by Caregiver: Male
care_prodmember_gender_12	Gender {fam_line_name12} who is Productive member selected by Caregiver: Male
care_prodmember_gender_13	Gender {fam_line_name13} who is Productive member selected by Caregiver: Male
care_prodmember_gender_14	Gender {fam_line_name14} who is Productive member selected by Caregiver: Male
care_prodmember_gender_15	Gender {fam_line_name15} who is Productive member selected by Caregiver: Male

care_prodmember_gender_16	Gender {fam_line_name16} who is Productive member selected by Caregiver: Male
care_prodmember_gender_17	Gender {fam_line_name17} who is Productive member selected by Caregiver: Male
care_prodmember_gender_18	Gender {fam_line_name18} who is Productive member selected by Caregiver: Male
care_prodmember_gender_19	Gender {fam_line_name19} who is Productive member selected by Caregiver: Male
care_prodmember_gender_20	Gender {fam_line_name20} who is Productive member selected by Caregiver: Male
care_prodmember_gender_21	Gender {fam_line_name21} who is Productive member selected by Caregiver: Male
care_prodmember_gender_22	Gender {fam_line_name22} who is Productive member selected by Caregiver: Male
care_prodmember_gender_23	Gender {fam_line_name23} who is Productive member selected by Caregiver: Male
care_prodmember_gender_24	Gender {fam_line_name24} who is Productive member selected by Caregiver: Male
care_prodmember_gender2_1	Gender of Productive member Caregiver selected: Male
care_prodmember_gender2_2	Gender of Productive member Caregiver selected: Female
care_prodmember_education_1	Highest level of education of Productive member Caregiver selected: PrePrimary/Kindergarten/Nursery
care_prodmember_education_2	Highest level of education of Productive member Caregiver selected: Primary: One
care_prodmember_education_3	Highest level of education of Productive member Caregiver selected: Primary: Two
care_prodmember_education_4	Highest level of education of Productive member Caregiver selected: Primary: Three
care_prodmember_education_5	Highest level of education of Productive member Caregiver selected: Primary: Four
care_prodmember_education_6	Highest level of education of Productive member Caregiver selected: Primary: Five
care_prodmember_education_7	Highest level of education of Productive member Caregiver selected: Primary: Six
care_prodmember_education_8	Highest level of education of Productive member Caregiver selected: JSS 1
care_prodmember_education_9	Highest level of education of Productive member Caregiver selected: JSS 2
care_prodmember_education_10	Highest level of education of Productive member Caregiver selected: JSS 3
care_prodmember_education_11	Highest level of education of Productive member Caregiver selected: SS 1
care_prodmember_education_12	Highest level of education of Productive member Caregiver selected: SS 2
care_prodmember_education_13	Highest level of education of Productive member Caregiver selected: SS 3
care_prodmember_education_14	Highest level of education of Productive member Caregiver selected: Vocational

care_prodmember_education_15	Highest level of education of Productive member Caregiver selected: Post-secondary
care_prodmember_education_16	Highest level of education of Productive member Caregiver selected: Postgraduate
care_prodmember_education_17	Highest level of education of Productive member Caregiver selected: Can't remember(primary class)
care_prodmember_education_18	Highest level of education of Productive member Caregiver selected: Can't remember(secondary class)
care_prodmember_education_19	Highest level of education of Productive member Caregiver selected: Others(specify)
care_prodmember_pri_edu	Highest level of education of Productive member Caregiver selected: Primary education
care_prodmember_sec_edu	Highest level of education of Productive member Caregiver selected: secondary education
care_prodmember_postsec_edu	Highest level of education of Productive member Caregiver selected: Post-secondary education
care_prodmember_coll_edu	Highest level of education of Productive member Caregiver selected: Collage education
care_prodmember_in_school	Productive member Caregiver selected currently enrolled in school
care_prodmember_emp_status	Caregiver selected Productive member who is currently employed
care_prodmember_workedforpay	Caregiver selected Productive member who worked for pay,, during the past 12 months
care_prodmember_1	Caregiver selected Household head to be Prodmember
care_prodmember_2	Caregiver selected himself/herself to be Prodmember
care_prodmember_3	Caregiver selected alternate to be Prodmember
care_prodmember_4	Caregiver selected other Household to be Prodmember
Hhcount	Household size (total number of household members)
productive_female	Number of productive age females (15-45)
productive_male	Number of productive age males (15-45)
females_above_45	Number of females above 45 years
males_above_45	Number of males above 45 years
females_below_15	Number of females below 15 years
males_below_15	Number of males below 15 years
all_productive_male	Does the Household have any male productive member?
all_productive_female	Does the Household have any female productive member?

productive_member	Does the Household have any productive member?
anywork_for_pay12	Has any Household member worked for pay,, during the past 12 months?
work_for_pay12	Number of Household members who worked for pay,, during the past 12 months
work_for_pay12_female_age5_45	Number of females Household members age(15-45) who worked for pay,, during the past 12 months
work_for_pay12_male_age5_45	Number of males Household members age(15-45) who worked for pay,, during the past 12 months
work_for_pay12_female_age46	Number of females Household members age>45yrs who worked for pay,, during the past 12 months
work_for_pay12_male_age46	Number of males Household members age>45yrs who worked for pay,, during the past 12 months

Table 31: Raven's Score.

<u>Variable</u>	<u>Description</u>
raven_score_q1	Scored right for question 1
raven_score_q2	Scored right for question 2
raven_score_q3	Scored right for question 3
raven_score_q4	Scored right for question 4
raven_score_q5	Scored right for question 5
raven_total_score	Total Scores of raven test
