## Household Questionnaire: Supporting livelihoods in refugee-hosting districts of Uganda

December 2021

Date:

### Introductory Statement Informed consent

My name is \_\_\_\_\_, I work with Uganda Bureau of Statistics (UBOS). The bureau is carrying out a survey to understand important pieces of information about the lives of people in this community especially with regards to socio-economic activities. The information we will collect will be kept confidential and used for research purposes only. The results will be shared with the community once the final report is written. Please do your best to be honest in your answers.

The study is undertaken under the cooperation of Uganda Bureau of Statistics (UBOS), Office of the Prime Minister (OPM) and the Food and Agriculture Organization (FAO). Taking part in this interview or the answers that you give does not affect whether you will (or will not) receive any benefits from the organisations now or in the future. The interview will take approximately 1.5 hours.

If this is acceptable to you then may we begin the interview?

Please tick
