AIM AND USE OF THE SURVEY

STATIC TEXT

The primary aim of the survey is to bridge the statistical information gap in the field of Governance, Public Safety and Justice statistics by conducting interviews with households and individuals and collecting the data items needed for planning, monitoring, evaluation and impact assessment.

OBJECTIVES OF THE SURVEY

STATIC TEXT

The main objective of the GPSJS is to explore the public's perceptions about beliefs on crime ,individual & community response to crime , victims support and other interventions.

Furthermore, examines crime victimization from the household and individual point of view.

Thank you for agreeing to participate in this very important national initiative. I will try my best not to take too much of your valuable time.

CONFIDENTIALITY CLAUSE

STATIC TEXT

Statistics South Africa (Statistics Act No.6 of 1999)

STATIC TEXT

17(1) Despite any other law, no return or other information collected by Statistics South Africa for the purposes of official or other statistics that relates to an individual or a household may be disclosed to any person.

STATIC TEXT

17(3b) Any person who is involved in the collection of, or who may use, that information or data, must first take an oath of confidentiality.

STATIC TEXT

18(1e) & 18(1g) An officer of Statistics South Africa who wilfully discloses any data or information obtained in the course of such employment to a person not authorised to receive that information is guilty of an offence and liable on conviction to a fine not exceeding R10 000, or to imprisonment for a period not exceeding 6 months or to both.
