

How to fill out this questionnaire

To answer these questions all you have to do is tick (✓) a box or boxes, circle a number, or write in the space provided. After some questions, there is an instruction in **bold type** explaining what to do. Some questions may not apply to you, in which case there are instructions on which questions to go to next.

The survey asks you about a wide range of subjects such as your attitudes toward work, family life, leisure and the environment. It seeks your opinions on many important political, social and moral issues. Most of the questions are being asked in each country that is taking part in the study, but there are some questions that are especially included for New Zealand.

There are many questions in this survey, but we think you will find them interesting and enjoyable to answer. No special knowledge is required. **We just want to know *your own personal opinions*. It may be easier if you do not try to complete the survey all in one sitting.**

Your participation in this survey is **completely voluntary**, but please be assured that we are very grateful for your help. All information that is collected is **completely confidential**.

Returning the questionnaire

When you have completed the questionnaire, **please post it back in the reply-paid envelope as soon as you possibly can.**
