

## THE 2007/08 NATIONAL ESTABLISHMENT CENSUS BEGINS

The Liberia Institute of Statistics and Geo-Information Services (LISGIS), in collaboration with United Nations High Commission for Refugees and the Norwegian Refugee Council (NRC) is presently conducting the 2007/08 National Establishment Census. 500 enumerators and supervisors have been trained and deployed through out the country to collect the necessary information. They will be visiting urban and rural areas where there are establishments. The last National Establishment Census was conducted in 1987/88.
