^a BLES Code (no 1992 PSOC).

¹ Defined as including basic pay and regular/guaranteed cash allowances.

² Refers to educational level which has the highest proportion or percent share of estimated number of establishments reporting the requirement relative to estimated number of establishments reporting the occupation. The choices for the minimum educational requirement are "elementary graduate, high school graduate, trade school graduate, college graduate, others".

³ Refers to the years of related experience which has the highest proportion or percent share of estimated number of establishments reporting the requirement relative to estimated number of establishments reporting the occupation. The choices for the minimum years of related experience are "none, 1 year, 2 years, 3 years, 4 or more".

Notes: 1. Basic pay refers to pay for normal/regular working time before deductions for employees' social security contributions and withholding taxes.

It excludes overtime, night shift differential and other premium pay; commissions, tips and share of employees in service charge; and payment in kind.

2. Allowances refer to regular/guaranteed cash payments. These include living allowance but exclude reimbursements for travel, entertainment, meals and other expenses, etc. incurred in conducting the business of the employer, cost of uniform/working clothes; bonuses and gratuities; family allowances.

^a BLES Code (no 1992 PSOC).

¹ Defined as including basic pay and regular/guaranteed cash allowances.

² Refers to educational level which has the highest proportion or percent share of estimated number of establishments reporting the requirement relative to estimated number of establishments reporting the occupation. The choices for the minimum educational requirement are "elementary graduate, high school graduate, trade school graduate, college graduate, others".

³ Refers to the years of related experience which has the highest proportion or percent share of estimated number of establishments reporting the requirement relative to estimated number of establishments reporting the occupation. The choices for the minimum years of related experience are "none, 1 year, 2 years, 3 years, 4 or more".
