

### Lecondziswe Kuye

I-Southern Africa Labour Development Research Unit (SALDRU) eNyuvesi yaseKhephithaweni ingenele umkhankaso weluklayo lwavelonkhe lolusha, i-**National Income Dynamics Study** (NIDS) (Sifundvo Sekwahlukahlukana Kwemihlo Kwavelonkhe). Loluklayo lutawufundza kwehlukahlukana kwetimphilo eNingizimu Afrika, ngenhloso yekuvisisa kancono kuphila kwebantfu baseNingizimu Afrika, takhiwo temakhaya abo nekutsi loku kuntjintja njani ngekuhamba kwesikhatsi. Ngekulandzela letinhloso sicela umuntfu lomdzala lofanele ekhaya kuphela luhlamibuto lwemakhaya lolubuta ngebahlali kanye nalamanye emalunga. Sitawubese sesibuta umhlali ngamunye longetulu kweminyaka lengu-15 kuphendvula luhlamibuto kanye nemtali nobe umnakekeli kutsi aphendvule luhlamibuto lolufisha ngemntfwana ngamunye ekhaya. Kunato tonkhe tintfo sitawubuta kutsi ngabe emalunga alomndeni asuka kuphi, emazinga abo emfundvo, simo setemsebenti sabo, timphilo tabo kanye nemihlo, tinchitfomali kanye netimphahla ekhaya. Sitawulinganisa budze, sisindvo, kanye nemfutfo wengati kubo bonkhe bahlali bese sibaniketa likhadi lelinalomningwane.

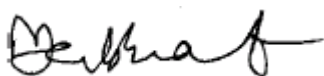

Nga-2008 emakhaya emphakatsini wakho atawuba yincenye yemakhaya langafika ku-8 000 kanye nebantfu labalinganisela ku-32 000 kuyo yonkhe iNingizimu Afrika lesitabafaka imibuto. Umsebenti weluklayo utawucala ngasekupheleni kwaJanawari 2008 kantsi utawuchubeka ufike kuMeyi 2008. Sitawuchumana nawe emva kweluklayo ngobe sitawutsandza kukufaka imibuto futsi emva kwesikhatsi seminyaka lemibili siphindze futsi sikubute esikhatsini lesitako. Loluvakasho loluphindvaphindvawo lesisita kwekutsi sibone kutsi ngabe timeko takho tigucuka njani ngekuhamba kwesikhatsi. Ngesikhatsi sihlanganisa umniningwane wakho kanye nalena yalamanye emakhaya siyakhona kubona kutsi yini lesita bantfu baseNingizimu Afrika kutsi bachubekele phambili nekutsi yini lebabambelelako ngekwemnotfo.

Emave latfutukako nalatfutukile lamanyenti aneluklayo lolufana nalolu ngobe abalulekile ekudwebeni tinchubomgomo. Kodvwa, lolu luklayo lwekucala lwavelonkhe lwaloluhlobo eNingizimu Afrika. Ngako-ke lesi sicalo sentfo lenhle futsi lebaluleke kakhulu. Likhaya lakho likhetfwe ngekwesayensi kutsi libe yisampuli yetfu yemakhaya. Ngako-ke kuhlanganyela kwakho kubaluleke kakhulu kantsi siyakubonga kakhulu.

**I-Development Research Africa** (DRA) ikhetfwe kwekutsi yente umsebenti weluklayo we-NIDS. Futsi sicela usivumele kutsi sisho kwekutsi lusito lwakho kanye nemsebenti wakho ekucinisekiseni kuphetfwa lokunekunemphumelelo kwalomsebenti wabo weluklayo walesifundvo lesibalulekile lutawutsakaselwa kakhulu.

Uma ungadzinga lomunye umniningwane ngalesifundvo ungatsintsa umphatsi wemklamo we-NIDS, Nks Ms Sihaam Nieftagodien, ku-0800 11 NIDS (6437) nobe Mnu David Scott e-DRA ku-011 807 1194 nobe vakashela i-website ku <http://www.nids.uct.ac.za>.
