

## **ACCESS POLICY**

**The National Statistical Office authorizes the use of the data of the Integrated Household Survey (I.H.S) by all persons/organizations under the following conditions:**

- ❖ Written authority should be sought from the Commissioner for Census and Statistics (NSO-Malawi)**
- ❖ The data will neither be copied nor transmitted to other persons or organizations, directly or indirectly, without prior written consent from the Commissioner for Census and Statistics (NSO-Malawi)**
- ❖ A copy of all publications/research projects should be sent to NSO-Malawi for comments and information purposes**
- ❖ All publications produced using the I.H.S. database should explicitly state the data source and acknowledge the contribution of the National Statistical Office.**
