Note 1: Sr. No. 1 to 7 are for current prices

Note 2: Sr. No. 11 to 15 use codes on page 11/11

SECTION 5: AVAILABILITY AND PRICE OF AGRICULTURAL PRODUCE

Sr. No.	Commodity	Code	Unit of Qty	Planting		Harvesting				Did you have any of these problems?	Current producers	Changes compared to 1992				
				Month	Common market	Month	Common market		Farm-gate			% of producers	Yield	If change in yield, reasons		
					Avail.		Price	Avail.	Price						Price	Mode of sale
					All days..... 1 Some days.. 2 Not avail.... 0		All days..... 1 Some days.. 2 Not avail.... 0			Bulk..... 1 Small... 2	No problem..... 1 Flood..... 2 Crop disease..... 3 Drought..... 4 Others (specify)... 9	All..... 1 Many..... 2 About half.. 3 Few..... 4 None..... 5	Increased a lot..... 1 Increased a little..... 2 Remained the same..... 3 Decreased a little..... 4 Decreased a lot..... 5	Use codes in column (15)	Change in input use..... 1 Diseases..... 2 Reduction in fallow..... 3 Change in labor use..... 4 New technology..... 5 Soil erosion..... 6 Losses due to animals /birds... 7 Weather problems..... 8 Others (specify)..... 9 Dont Know..... 10	
(1)	(2)	(3)	(4)	(5)	(6)	(7)	(8)	(9)	(10)	(11)	(12)	(13)	(14)	(15)	(16)	(17)
1	Maize flour	201														
2	Cassava flour	202														
3	Millet flour	203														
4	Rice	204														
5	Sorghum flour	205														
6	Others (specify).....	209														
7	Matooke - Food type	001														
8	Sweet potatoes	017														
9	Cassava	018														
10	Irish potatoes	016														
11	Maize grain	004														
12	Beans	008														
13	Cow peas	010														
14	Ground nuts	012														
15	Coffee	019														
16	Sim-sim	014														
17	Millet	005														
18	Sorghum	006														
19	Rice	007														
20	Cotton	015														
21	Oranges	024														
22	Passion fruits	025														
23	Mangoes	027														
24	Cabbages	031														
25	Dodo	032														
26	Tomatoes	033														
27	Others (specify)															

Note: Sr. No. 27 is to be filled using codes on page 11/11 (Section 12)

SECTION 6: DEMOGRAPHIC INFORMATION

1.	Age of the village/ community in the LC1 in years						
2.	Migration-type during last 3 years Many families have migrated but in-migration is larger than out-migration..... 1 Many families have migrated but out-migration is larger than in-migration..... 2 In migration approximately equals out-migration..... 3					More or less no migration..... 4 Not known..... 0	
3.	(a). If code 1 or 3 in question 2 above, the major reason for in migration Economic opportunities..... 1 Civil conflicts..... 2					Others (specify)..... 9	
	(b). If code 2 or 3 in question 2 above, the major reason for out migration (Use codes in question 3(a) above)						
4.	Name and percentage of ethnic groups in the LC1:						
					Codes for ethnic groups		
Sr. No.	Name of ethnic group	Code	Currently %	1992 %			
(1)	(2)	(3)	(4)	(5)			
1.					Acholi..... 01	Banyankole..... 14	Jie..... 27
2.					Alur..... 02	Banyarwanda.... 15	Jonam..... 28
3.					Bamba..... 03	Banyole..... 16	Jopadhola..... 29
4.					Bafumbira. 04	Banyoro..... 17	Kebu (Okebu).. 30
5.					Baganda.... 05	Basamia..... 18	Kuku..... 31
6.					Bagisu..... 06	Basoga..... 19	Kakwa..... 32
7.					Bagwe..... 07	Batoro..... 20	Karamajong.... 33
8.					Bagwere.... 08	Batuku..... 21	Kumam..... 34
9.					Bahehe..... 09	Batwa..... 22	Labwor..... 35
10.					Bahororo... 10	Chope..... 23	Langi..... 36
11.					Bakenyi.... 11	Dodoth..... 24	Lendu..... 37
12.					Bakiga..... 12	Ik (Teuso)..... 25	Lugbara..... 38
13.					Bakonjo.... 13	Iteso..... 26	Madi..... 39
							(Specify)
5.	General practice of inheritance of land and other assets:						
1	General practice of inheritance of father's land						
2	General practice of inheritance of father's other assets						
3	General practice of inheritance of mother's land						
4	General practice of inheritance of mother's other assets						
	Spouse mainly..... 1 Eldest son mainly..... 2 Shared equally between sons..... 3 Shared between spouse, sons and daughters but sons get larger share..... 4 Next brother mainly..... 5				Shared equally amongst brothers..... 6 To be decided by community leaders..... 7 Shared equally amongst daughters..... 8 Shared amongst sons and daughters..... 9 Others (specify)..... 10 No common practice..... 0		

SECTION 7 (Part A) : GENERAL INFRASTRUCTURE

Sr. No.	Infrastructure	Currently			In 1992		
		Distance	Means of transport	Time taken (minutes)	Distance	Means of transport	Time taken (minutes)
(1)	(2)	(3)	(4)	(5)	(6)	(7)	(8)
1.	Only dry season feeder roads						
2.	All season feeder roads						
3.	Murram roads						
4.	Tarred roads						
5.	Transport (Buses)						
6.	Transport (Taxis/ matatu)						
7.	Railway stop						
8.	Factory employing at least 10 people						
9.	Waterway transport						
10.	Truck/ Pick-up for transporting inputs/ produce						
11.	Transport with car during personal emergency (Hospital)						
12.	Nearest Post Office						
13.	Telephone call box/booth						
14.	Nearest Bank						

Note: If the facility is not known or too far(>100 km) record "999" in column (3) and (6)

Codes for common means of transport columns (4) and (7)

Walking..... 1	Motorcycles..... 4
Taxis..... 2	Bicycles..... 5
Buses..... 3	Others..... 9

SECTION 7: PART B
ACCESS TO CREDIT FACILITIES

Sr. No.	Source of credit	Availability to members of the community Yes=1 No=2	If no,		If yes,			
			was it ever available	Year it stopped	Record the year in which it became available	Security requirement (code)	Accessibility to women (code)	Interest required Yes=1 No = 2
			Yes=1 No=2	Dont know..... 00	Dont know..... 00			
(1)	(2)	(3)	(4)	(5)	(6)	(7)	(8)	(9)
1.	Bank							
2.	Registered cooperatives							
3.	Entandikwa							
4.	Local cooperatives							
5.	Relatives / Friends							
6.	Money lender							
9.	Others (specify)							

Codes for column (7):

No requirement..... 0
 Yes, land and other assets..... 1
 Yes, group or responsible person..... 2
 Others (specify)..... 9

Codes for column (8):

No..... 0
 Yes, all women..... 1
 Yes, only female heads owning assets..... 2
 Others (specify)..... 9

SECTION 8A: ECONOMIC INFRASTRUCTURE - AGRICULTURE

		Currently	In 1992
1.	Availability of land to be allocated for cultivation (Code) Not available..... 0 Available..... 1	Type not practiced..... 2 Type not permitted..... 3	
2.	Availability of agricultural land for sale (Use codes in question 1 above)		
3.	Availability of agricultural land for rent (Use codes in question 1 above)		
4.	(a). The most common type of land tenure Registered freehold mailo..... 1 Unregistered freehold mailo (Kibanja)..... 2 Leasehold..... 3 Customary..... 4 Public land..... 5 Squatters..... 6 Not known..... 8 Others (specify)..... 9 (b). Proportion of land under the most common type of land tenure All land (90 - 100%)..... 1 Land between (60-90%)..... 2 Land between (30-59%)..... 3 Land between (1-29%)..... 4		
5.	Proportion of farmers using improved seeds for traditional staple food crops All..... 1 Many..... 2 About half..... 3 Few..... 4 None..... 5		Changes w.r. t. 1992 (Codes at the bottom of this page)
6.	Proportion of farmers using ox - ploughs (Use codes in question 5)		
7.	Proportion of farmers participating in rental markets of ox - ploughs (Use codes in question 5)		
8.	Rate of ox-plough services		
9.	Proportion of farmers using tractor for cultivation (Use codes in question 5)		
10.	Proportion of farmers visited by extension agents (Use codes in question 5)		
11.	Proportion of female farmers visited by extension agents (Use codes in question 5)		
12.	Agricultural wages per person per day for men (shillings)		
13.	Agricultural wages per person per day for women (shillings)		
14.	Non-agricultural wages per person per day for men (shillings)		
15.	Non-agricultural wages per person per day for women (shillings)		
16.	What proportion of farmers in this community buy staple food during the lean period (Use codes in question 5)		
17.	The major three constraints on increased agricultural production in this community in the order of importance Output market access..... 1 Input market access (seeds, fertilizer, etc 2 Roads..... 3 Diseases..... 4 Security..... 5 Access to land... 6 Credit access..... 7 Soil fertility..... 8 Other (Specify).... 9	First..... Second..... Third.....	
18.	Main source of information on new agricultural technology in community Extension agent..... 1 Farmers in other villages..... 2 Private sector firms..... 3 Traders..... 4 Public source (Radio, etc.)..... 5 Other..... 9		

Changes with respect to 1992

Increased a lot 1
 Increased a little..... 2
 Did not change..... 3
 Decreased a little..... 4
 Decreased a lot..... 5

SECTION 8B: ECONOMIC INFRASTRUCTURE - AGRICULTURE cont'd

Sr. No.		Currently	Change w.r.t 1992
Veterinary services:			
1	Proportion of households possessing cattle All..... 1 About half..... 3 None..... 5 Many..... 2 Few..... 4		
2	Proportion of the cattle keepers that practice artificial insemination? (Use codes in question 1)		
3	Does the community have access to veterinary services Yes...1 No...2		
4	If yes, (a). How many veterinarians are practicing in the community? (b). Are they: Government? Yes =1 No = 2 (c). Are they: Private? Yes = 1 No = 2 (d). How many offer A.I? (e). How many have most important drugs available?		
Land			
5	(a). Average agricultural land price (per acre) in the community (b). Number of land sales transactions (c). How many land-related conflicts have there been in the community? (d). How many of these conflicts were about: (i) Allocation of public land (ii) Eviction of squatters (iii) Landlord-tenant problems (iv) Boundary disputes (v) Other (specify)	Codes for change 1992 Increased a lot..... 1 Increased a little..... 2 Did not change..... 3 Decreased a little..... 4 Decreased a lot..... 5	
Communal property			
I. Communal agricultural land			
6	What proportion of the arable land is held communally? (If none go to question 12) All..... 1 About half..... 3 None..... 5 Most of it..... 2 Little..... 4		
7	If there is communal agricultural land, how is the land allocated? People just go out and cultivate..... 1 People have to ask permission but can get as much as they want..... 2 People have to ask permission and get a fixed quantity..... 3 Others (specify)..... 9		
8	What is the length of assignment Annual (specify length of years on average)..... 1 Lifelong and goes back to the chief or community leaders..... 2 Inheritable..... 3 Others..... 9		
9	Who is the land assigned to? Men only..... 1 Women only..... 2 Jointly..... 3		
10	If assigned to one person only, what happens in case of divorce: Wife and husband keep equal allocation..... 1 Goes back to communal possession..... 5 Husband takes all..... 2 Goes to the children..... 6 Wife takes all..... 3 Other..... 9 Community decides how to reallocate..... 4		
11	If assigned to one person only, what happens in case of death of the husband (Use codes in 10 where applicable)		
II. Communal grazing land			
12	Is there communal grazing land? Yes.....1 No.....2 (If no, go to question 15)		
13	Proportion of households using the communal grazing land All..... 1 About half..... 3 None..... 5 Many..... 2 Few..... 4		
14	Are there use restrictions on communal grazing land? No..... 1 Yes, restriction on the number of users..... 3 Yes, restriction on the time of use..... 2		
III. Forest land			
15	Is there a forest commonly used in the community? Yes...1 No.....2 (If no, go to next page)	Currently	In 1992
16	Who owns this forest? Private.....1 Govt.....2 Commune.....3		
		Currently	Change w.r.t 1992
17	What proportion of population has access to it? (Use codes in question 13)	Codes for change 1992	
18	What benefits do people derive from it (% of users)? (Use codes in question 13) (a). Firewood for own use (b). Firewood for sale (c). Charcoal (d). Wood for own construction (e). Wood for other purposes; (f). Fruits and other products; (g). Medical/ornamental plants; (h). Livestock feed	Increased a lot..... 1 Increased a little..... 2 Did not change..... 3 Decreased a little..... 4 Decreased a lot..... 5	
19	Is there any restriction on access: No..... 1 Yes, restriction on the type of use (e.g., Fire wood collection)..... 2 Yes, restriction on the number of users..... 3		

SECTION 9: SOCIAL INFRASTRUCTURE - EDUCATION, HEALTH AND OTHER AMENITIES

1	Availability of literacy programme for men (code) Yes, in the LC1..... 1 Not in LC1 but within 3 kms..... 2 Beyond 3 kms..... 3	
2	Availability of literacy programme for women (code) (Use codes in question 1 above)	
3	Availability of nursery/ K.G school for children (code) (Use codes in question 1 above)	
4	Number of primary schools in LC1	
5	Distance in kms. from centre of LC1 to the most common primary school	
6	Distance in kms. from centre of LC1 to the nearest primary school	
7	Distance in kms. from centre of LC1 to the most common secondary school	
8	Distance in kms. from centre of LC1 to the nearest secondary school	
9	Access of medicine in this LC1 (code) Free from government hospital, clinics, health centres..... 1 Buy from pharmacy..... 5 Buy from government or private hospitals, clinics, etc..... 2 Buy from shops, local markets..... 6 Free from charitable institutions..... 3 Buy from traditional doctors..... 7 Buy from doctors/nurse/mid-wife..... 4 Others (specify)..... 9	
10	Do you have electricity in the community? (Yes.....1 No..... 2)	
11	If yes, the proportion of households having electricity All.....1 Many.....2 About half.....3 Few.....4	
12	Are condoms readily available (Yes=1, No=2)	
13	(a). Availability of safe drinking water (Yes = 1, No = 2)	
	(b). If No, has the community undertaken any activity/ steps to improve on the community's access to safe drinking water ? (Yes = 1, No = 2).	
	(c). If yes, what activity/ steps? Community participation (Physically)..... 1 Provided land..... 3 Community contributions (money)..... 2 Others (specify)..... 4	
14	Availability of Government hospital / clinic (code) (Use codes in question 1 above)	
15	Availability of Private hospital / clinic (code) (Use codes in question 1 above)	
16	(a). If code (3) in questions 12 and 13 has the community undertaken any activity/ steps to improve on the community's access to health care? (Yes = 1, No = 2).	
	(b). If yes what activity/ steps? (Use codes in question 13(c) above)	
17	What are the three major problems in the LC1/Village in the order of importance First..... (Codes on the right of the page) Second..... Third.....	
18	(a). Have you held any meeting to discuss these problems in the last six months (Yes = 1, No = 2)	
	(b). Do both men and women attend these meetings ? (Yes = 1, No = 2)	
19	(a). Do you have a plan to address the problems within your community (Yes = 1, No = 2)	
	(b). Has any one assisted in the development of this plan ? (Yes = 1, No = 2)	
	(c). If yes, who ? (code) Government..... 1 Private Individuals..... 4 Church/Religious body..... 2 Outside Individuals/Organisations..... 5 Charitable Institution..... 3 Others (specify)..... 6	
20	(a). Does anyone or any group collect information in your community for use by your community? (e.g. immunisation levels, prevalent diseases, etc.). (Yes = 1, No = 2)	
	(b). If yes, who? (code) (Use codes in question 19(c) above)	
21	(a). Has the community undertaken any activity/ steps to increase the percentage of primary school going-age children receiving education? (Yes = 1, No = 2).	
	(b). If Yes, what activity/ steps? (Use codes in question 13(c) above)	

Question 15	
Problems and their codes	
Health facilities.....	01
Schools.....	02

12	(highest grade) per year (shillings)																																							
13	Expenses for text-books and other materials per child per year (shillings)																																							
14	Total number of students (all grades)																																							
15	Highest grade in the school																																							
16	If P7 in sr., no. 15, how many sat for the national examination last year?																																							
17	How many passed?																																							
18	Number of students (highest grade currently)																																							
19	Number of teachers with formal education																																							
20	Number of teachers without formal education																																							
21	Condition of building in general (code) Very well maintained..... 1 Very poor maintenance..... 5 Well maintained..... 2 No buildings/No furniture..... 6 Average..... 3 No proper building/furniture..... 7 Poor maintenance..... 4 Others (specify)..... 9																																							
22	Condition of furniture (code) (Use codes in question 21 above)																																							
23	Has maintenance improved or otherwise during last year? (code) Really improved..... 1 Some deterioration..... 4 Some improvements..... 2 Really deteriorated..... 5 Same..... 3 Constructed this year..... 6																																							
24	Who takes care of maintenance of building? Management, itself..... 1 Development project..... 5 Partly management, partly others..... 2 Charitable Institutions..... 6 Mainly government..... 3 Others (specify)..... 9 Mainly community..... 4																																							
25	G.P.S Coordinates (for primary school 1) First reading N/S <table border="1"><tr><td></td><td></td><td></td></tr></table> <table border="1"><tr><td></td><td></td><td></td></tr></table> . <table border="1"><tr><td></td><td></td><td></td></tr></table> E <table border="1"><tr><td></td><td></td><td></td></tr></table> <table border="1"><tr><td></td><td></td><td></td></tr></table> . <table border="1"><tr><td></td><td></td><td></td></tr></table> Second reading N/S <table border="1"><tr><td></td><td></td><td></td></tr></table> <table border="1"><tr><td></td><td></td><td></td></tr></table> . <table border="1"><tr><td></td><td></td><td></td></tr></table> E <table border="1"><tr><td></td><td></td><td></td></tr></table> <table border="1"><tr><td></td><td></td><td></td></tr></table> . <table border="1"><tr><td></td><td></td><td></td></tr></table>																																							

SECTION 11: HEALTH INFRASTRUCTURE

Sr. No.	Item	Clinic 1		Clinic 2																																					
		Health Official	Community Not Known=999	Health Official	Community Not Known=999																																				
1	Distance to clinic from the centre of LC1																																								
2	Type of clinic (ownership) Government..... 1 Non-profit organisation..... 2 Private..... 3																																								
3	Type of clinic (grade) Hospital..... 1 Health clinic/centre..... 2 Maternity clinic/centre..... 3 Pharmacy..... 4 Doctor's chamber/clinic with medicines and other facilities..... 5 Traditional doctor's clinic..... 6 Others (specify)..... 9																																								
4	Number of full-time doctors in the clinic																																								
5	Number of part-time doctors in the clinic																																								
6	Number of full-time nurses & mid-wives in the clinic																																								
7	Number of part-time nurses & mid-wives in the clinic																																								
8	Number of other health staff in the clinic																																								
9	Are in-door patients admitted? (Yes = 1; No = 2)																																								
10	If yes, number currently admitted																																								
11	Number of hours open for public in a week																																								
12	Are there malaria drugs available? (Yes = 1; No = 2)																																								
13	Are there any antibiotics available? (Yes = 1; No = 2)																																								
14	Are there any oral re-hydration packages available? (Yes = 1; No = 2)																																								
15	Are there children's immunisation vaccines available? (code) Regular and available for all types..... 1 A few regularly available, others at specified periods..... 2 Irregular supply..... 3 No supply..... 0																																								
16	Fee for initial consultation (shillings)																																								
17	Price for malaria drugs-adult dosage (shillings)																																								
18	Price for antibiotics-adult dosage (shillings)																																								
19	How is the maintenance of the clinic buildings? (code) Really improved..... 1 Some improvements..... 2 Same..... 3 Some deterioration..... 4 Really deteriorated..... 5 Constructed this year..... 6																																								
20	Is there any equipment to sterilize needles etc.? (Yes = 1; No = 2)																																								
21	Is there any cooling storage with back-up power supply? (code) Yes, with back up supply..... 1 Yes, without back-up..... 2 No..... 3																																								
22	Is minimum supply of bandages etc. available? (Yes = 1; No = 2)																																								
23	Is minimum supply of sterile needles & syringes available? (Yes.....1 No.....2)																																								
24	Types of diseases prevalent in LC1 in the order of importance: (To be answered by community leaders) (Codes on your right are) 1. _____ 2. _____ 3. _____ 4. _____ 5. _____																																								
25	G.P.S Coordinates (For the most common clinic [clinic1]) First reading N/S <table border="1" style="display: inline-table; vertical-align: middle;"><tr><td></td><td></td><td></td></tr></table> ^o <table border="1" style="display: inline-table; vertical-align: middle;"><tr><td></td><td></td></tr></table> ' <table border="1" style="display: inline-table; vertical-align: middle;"><tr><td></td><td></td></tr></table> . <table border="1" style="display: inline-table; vertical-align: middle;"><tr><td></td><td></td></tr></table> ' E <table border="1" style="display: inline-table; vertical-align: middle;"><tr><td></td><td></td><td></td></tr></table> ^o <table border="1" style="display: inline-table; vertical-align: middle;"><tr><td></td><td></td></tr></table> ' <table border="1" style="display: inline-table; vertical-align: middle;"><tr><td></td><td></td></tr></table> . <table border="1" style="display: inline-table; vertical-align: middle;"><tr><td></td><td></td></tr></table> ' Second reading N/S <table border="1" style="display: inline-table; vertical-align: middle;"><tr><td></td><td></td><td></td></tr></table> ^o <table border="1" style="display: inline-table; vertical-align: middle;"><tr><td></td><td></td></tr></table> ' <table border="1" style="display: inline-table; vertical-align: middle;"><tr><td></td><td></td></tr></table> . <table border="1" style="display: inline-table; vertical-align: middle;"><tr><td></td><td></td></tr></table> ' E <table border="1" style="display: inline-table; vertical-align: middle;"><tr><td></td><td></td><td></td></tr></table> ^o <table border="1" style="display: inline-table; vertical-align: middle;"><tr><td></td><td></td></tr></table> ' <table border="1" style="display: inline-table; vertical-align: middle;"><tr><td></td><td></td></tr></table> . <table border="1" style="display: inline-table; vertical-align: middle;"><tr><td></td><td></td></tr></table> '																																								

Question 24.	
Disease	Code
Malaria.....	01
Measles.....	02
Bilharzia.....	03
Aids.....	04
Tetanus.....	05
Diarrhoea.....	06
Typhoid.....	07
T.B.....	08
Leprosy.....	09
Respiratory Infections.....	10
(Cough/Cold/Flu (Pneumonia)	
Mumps.....	11
Trachoma.....	12
Elephantiasis.....	13
Conjunctivitis.....	14
Dysentery.....	15
Intestinal Infections.....	16
Meningitis.....	17
Scabies (Simama).....	18
Ulcers.....	19
Plague.....	20
Cholera.....	21
River Blindness.....	22
Hyper - tension.....	23
(Pressure)	
Asthma.....	24
Syphilis.....	25
Dental Infections.....	26
Ring worms.....	27
Other skin diseases.....	28
Anemia.....	29
Wounds.....	30
Others (specify).....	39

Section 12: Major Events that have occurred since 1990 affecting the members in this community

A. Incidence							
Sr. No.	Event	Code	Years of occurrence				
(1)	(2)	(3)	Yes..... 1 1990/91	(5) 1992/93	(6) 1994/95	(7) 1996/97	(8) 1998/99
1	Construction of major road within 50 km	61					
2	Opening of major factory	62					
3	Closing of a major factory	63					
4	Famine	64					
5	Civil unrest	65					
6	Military combat	66					
7	Large scale conscription	67					
8	Others (specify) _____	69					

B. Incidence and proportion of the population of the community affected							
Sr. No.	Event	Code	Year of occurrence				
(1)	(2)	(3)	All..... 1 Many..... 2 1990/91	About half..... 3 Few..... 4 1992/93	(6) 1994/95	(7) 1996/97	(8) 1998/99
9	Fire	71					
10	Flood	72					
11	Earthquake	73					
12	Epidemic	74					
13	Drought	75					
14	Cattle rustling	76					
15	Major crop disease 1 (report crop code)						
16	Major crop disease 2						
17	Major crop disease 3						
18	Major animal disease 1 (report animal code)						
19	Major animal disease 2						
20	Major animal disease 3						
21	Others (specify) _____	79					

Codes for crops/animals

Matooke - Food type.....01	Cow Peas..... 10
Matooke - Beer type.....02	Pigeon Peas.... 11
Matooke - Sweet type....03	Ground nuts.... 12
Maize.....04	Soya beans..... 13
Finger millet.....05	Sim-sim..... 14
Sorghum.....06	Cotton..... 15
Rice.....07	Irish potatoes.. 16
Beans.....08	Sweet potatoe: 17
Field Peas.....09	Cassava..... 18

Coffee..... 19
Tea..... 20
Tobacco..... 21
Trees..... 22
Flowers..... 23
Oranges..... 24
Passion fruits.... 25
Pineapples..... 26
Mangoes..... 27

Pawpaws..... 28
Other fruits..... 29
Onions..... 30
Cabbages..... 31
Dodo..... 32
Tomatoes..... 33
Carrots..... 34
Other vegetabales..... 35
Other crops..... 39

Cattle..... 51	Chicken..... 55
Goats..... 52	Turkey..... 56
Pig..... 53	Donkey..... 57
Sheep..... 54	Other animals... 58

Note: Hybrid and Improved seeds will be preceded by code and code "2" respectively e.g. Codes for hybrid and improve maize will be "104" and "204" respectively.
