

Annual Survey of Industry - 1984/85

Tabulation Plan.

List of Tables.

Table No.	
1	✓ Principal Indicators of Industrial Activity classified by sectors and Industry. <i>except value added cost (by districts)</i>
1(a)	✓ Percentage Distribution of Principal Indicators of Industrial Activity classified by Sectors and Industry. <i>This is required (2 digits + 2 digits level) (Sri Lanka) is 2 digit (a) i.e. 3 digit (a) i.e. level</i>
2	✓ Principal Indicators of Industrial Activity Classified by Industry and District. <i>(by districts)</i>
2 - 3	✓ Principal Indicators of Industrial Activity classified by Sectors, Industry and Establishment size class. <i>(persons engaged) additional column</i>
2(a) - 3(a)	✓ Percentage Distribution of Principal Indicators of Industrial Activity classified by sectors Industry and Establishment size class.
3	✓ Establishments classified by Employment size class and Industry.
3(a)	✓ Percentage Distribution of Establishments classified by Employment size class and Industry.
5	Establishments classified by Employment size class, Industry and District.
4	✓ Establishments classified by Value of gross additions to fixed assets and Industry. <i>Sector (Size class is different) (11 columns against 9 columns)</i>
4(a)	✓ Percentage Distribution of Establishments classified by value of gross additions to fixed assets and Industry.
7	Establishments classified by value of gross additions to fixed assets, Industry and District.
5	✓ Establishments classified by value of output and Industry. <i>Sector</i>
5(a)	✓ Percentage Distribution of Establishments classified by value of output and Industry.
9	Establishments classified by value of Out put, Industry and District.

Table No.

- 6 - 10 ✓ Establishments classified by type of ownership and Industry.
- 6(a) - 10(a) ✓ Percentage Distribution of Establishments classified by type of Ownership and Industry.
- 7 - 11 ✓ Output, Shipments & Exports, Raw materials consumed classified by Sectors & commodities.
- 7(a) - 11(a) ✓ Percentage Distribution of Output Shipments & Exports, Raw materials consumed classified by Sectors & Commodities.
- 12 ✓ Out put, Shipments & Exports, Raw materials consumed classified by sectors & commodities and Districts.
- 8 - 13 ✓ Value of Output and Raw Materials consumed classified by Sectors and Commodity.
- 9 - 14 ✓ Quantity and Value of Output and Exports classified by Sectors and Commodity.
- 15 ✓ Quantity & Value of Output, and Exports classified by Sectors Commodity and District.
- 10 - 16 ✓ Output, Capacity and capacity utilization classified by Sectors and commodities.
- 11 - 17 ✓ Value of Output classified by Sectors and Industry.
- 11(a) - 17(a) ✓ Percentage Distribution of Output classified by Sectors and Industry.
- 18 ✓ Value of Output classified by Sectors, Industry and District.
- 12 - 19 ✓ Stocks of Finished goods classified by Sectors & Commodities.
- 13 - 20 ✓ Inputs classified by Sectors & Industry.
- 14 - 21 ✓ Stocks of Raw materials classified by Sectors and Commodity.
- 15 - 22 ✓ Quantity of Fuel and Electricity classified by Sectors and Industry.

Table No.

16 -	23	✓ Value of Electricity and Fuels classified by Sectors and Industry.
16(a)	23(a)	✓ Percentage Distribution of Value of Electricity and fuels consumed classified by Sectors and Industry.
	24	Value of Electricity and Fuels consumed classified by Sectors, Industry and District.
17 -	25	✓ Stocks of Raw materials classified by Sectors and commodities.
18 -	26	✓ Value added classified by Industry. <i>different</i>
19 -	27	✓ Employment classified by Nature of Employment Industry and District. (<i>quite different</i>)
19(a)	27(a)	✓ Percentage Distribution of Employment classified by Nature of Employment and Industry.
	28	Employment classified by Nature of Employment and Industry
20 -	29	Earnings of Employees classified by Nature of Employment and Industry.
20(a) -	29(a)	Percentage Distribution of Earnings of Employees classified by Nature of Employment and Industry.
21 -	30	✓ Fixed Assets (at the beginning of the year) classified by Sectors and Industry.
21(a) -	30(a)	✓ Percentage Distribution of Fixed Assets (at the beginning of the year) classified by sectors and Industry.
22	31	✓ Gross additions of during the year classified by Sectors and Industry.
22(a)	31(a)	✓ Percentage Distribution of gross additions during the year classified by sectors and Industry.

Table No.

23 32

✓ Value of fixed assets (at the end of the year) classified by sectors and Industry.

23(a)-32(a)

✓ Percentage Distribution of Value of fixed assets (at the end of the year) classified by sectors and Industry.

24 33

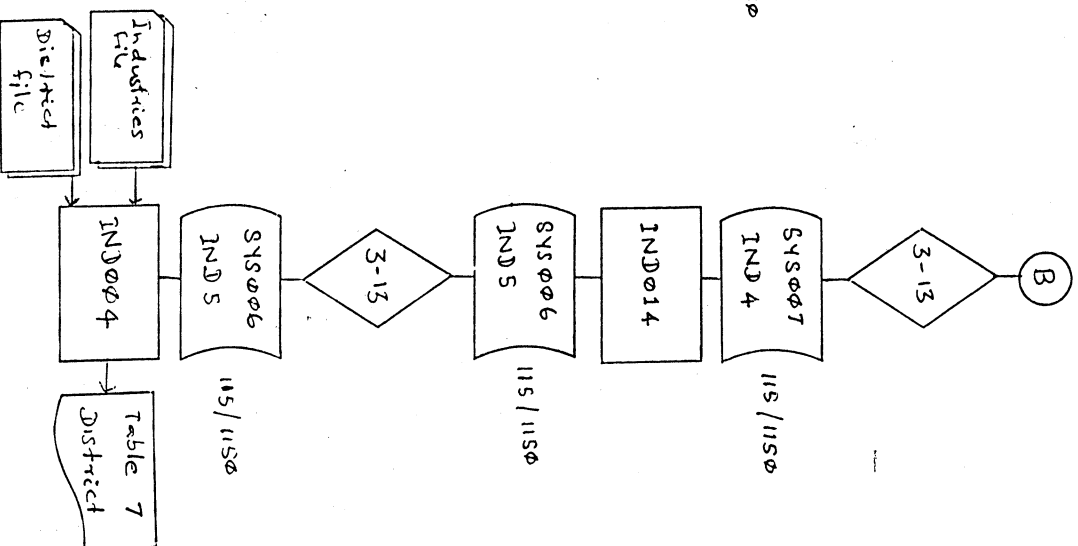

✓ Economic Indicators classified by Sectors and Industry.

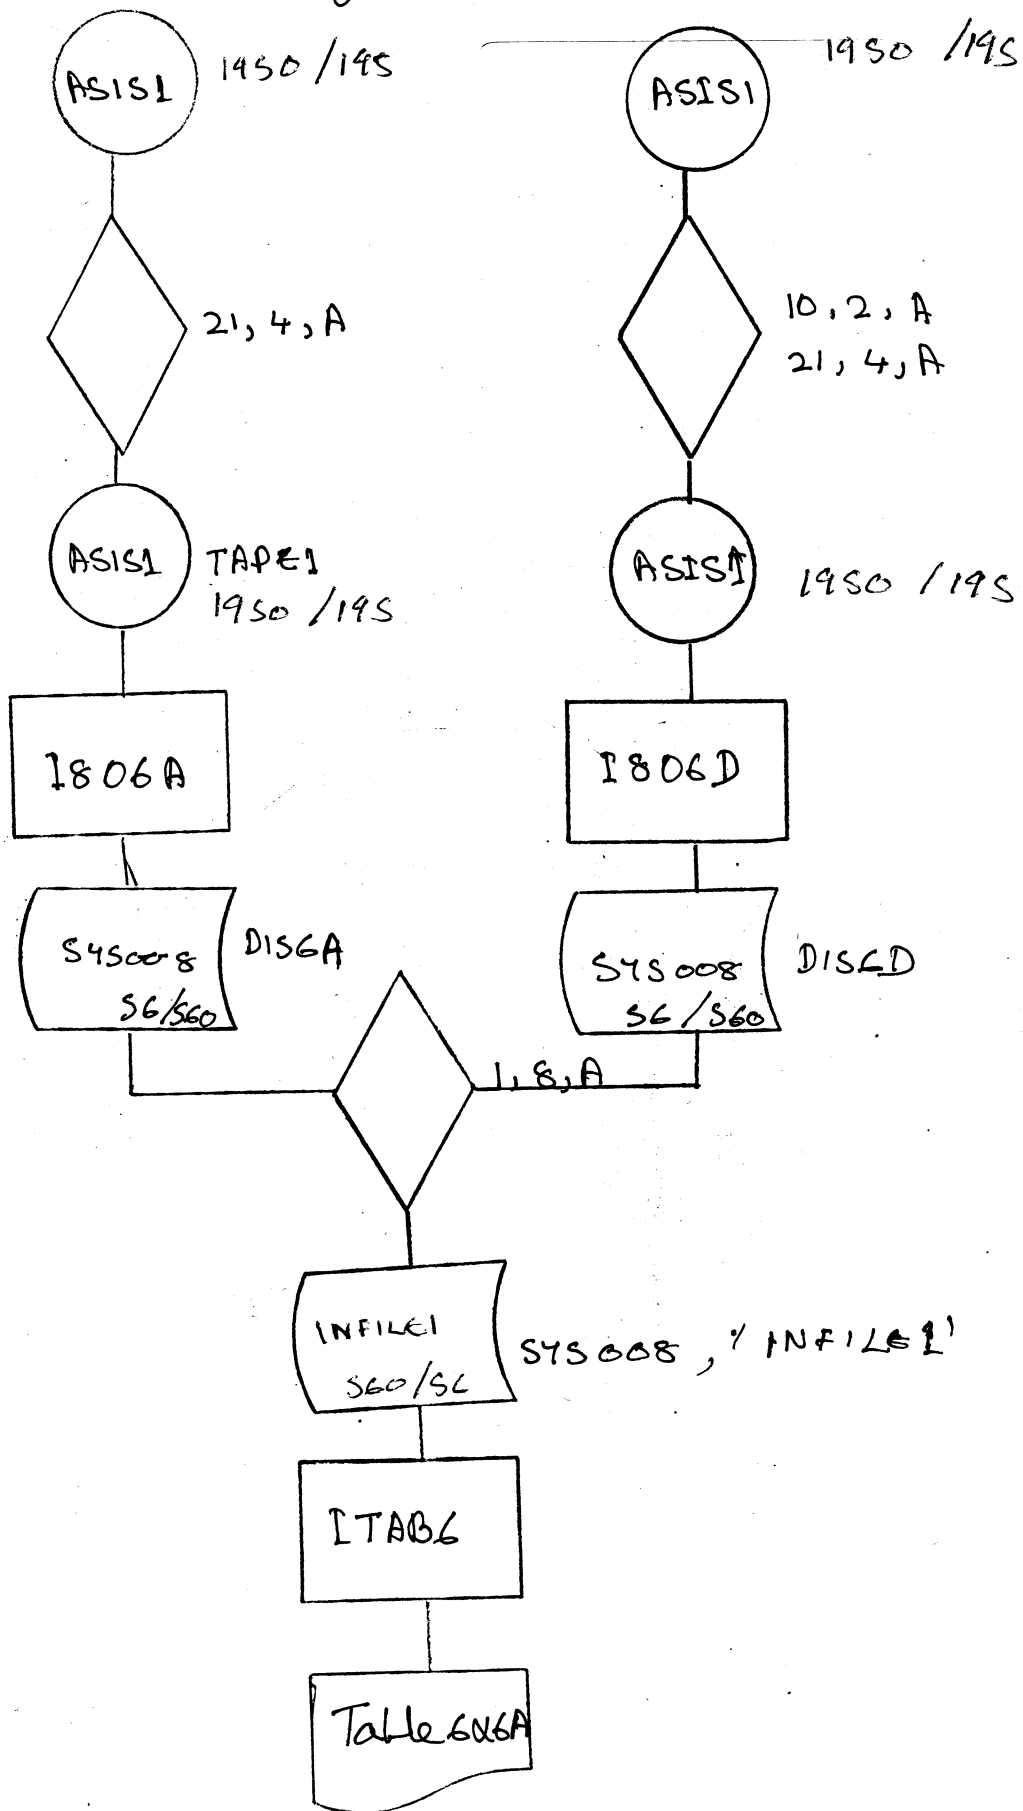

25. Principal Indicators of Industrial Activity by Sectors, Industry and Investment Size Class.

Table 18f Principal Indicators of Industrial Activity by District and Industry Major Divisions (2-mining and quarrying - 3 Manufacturing)

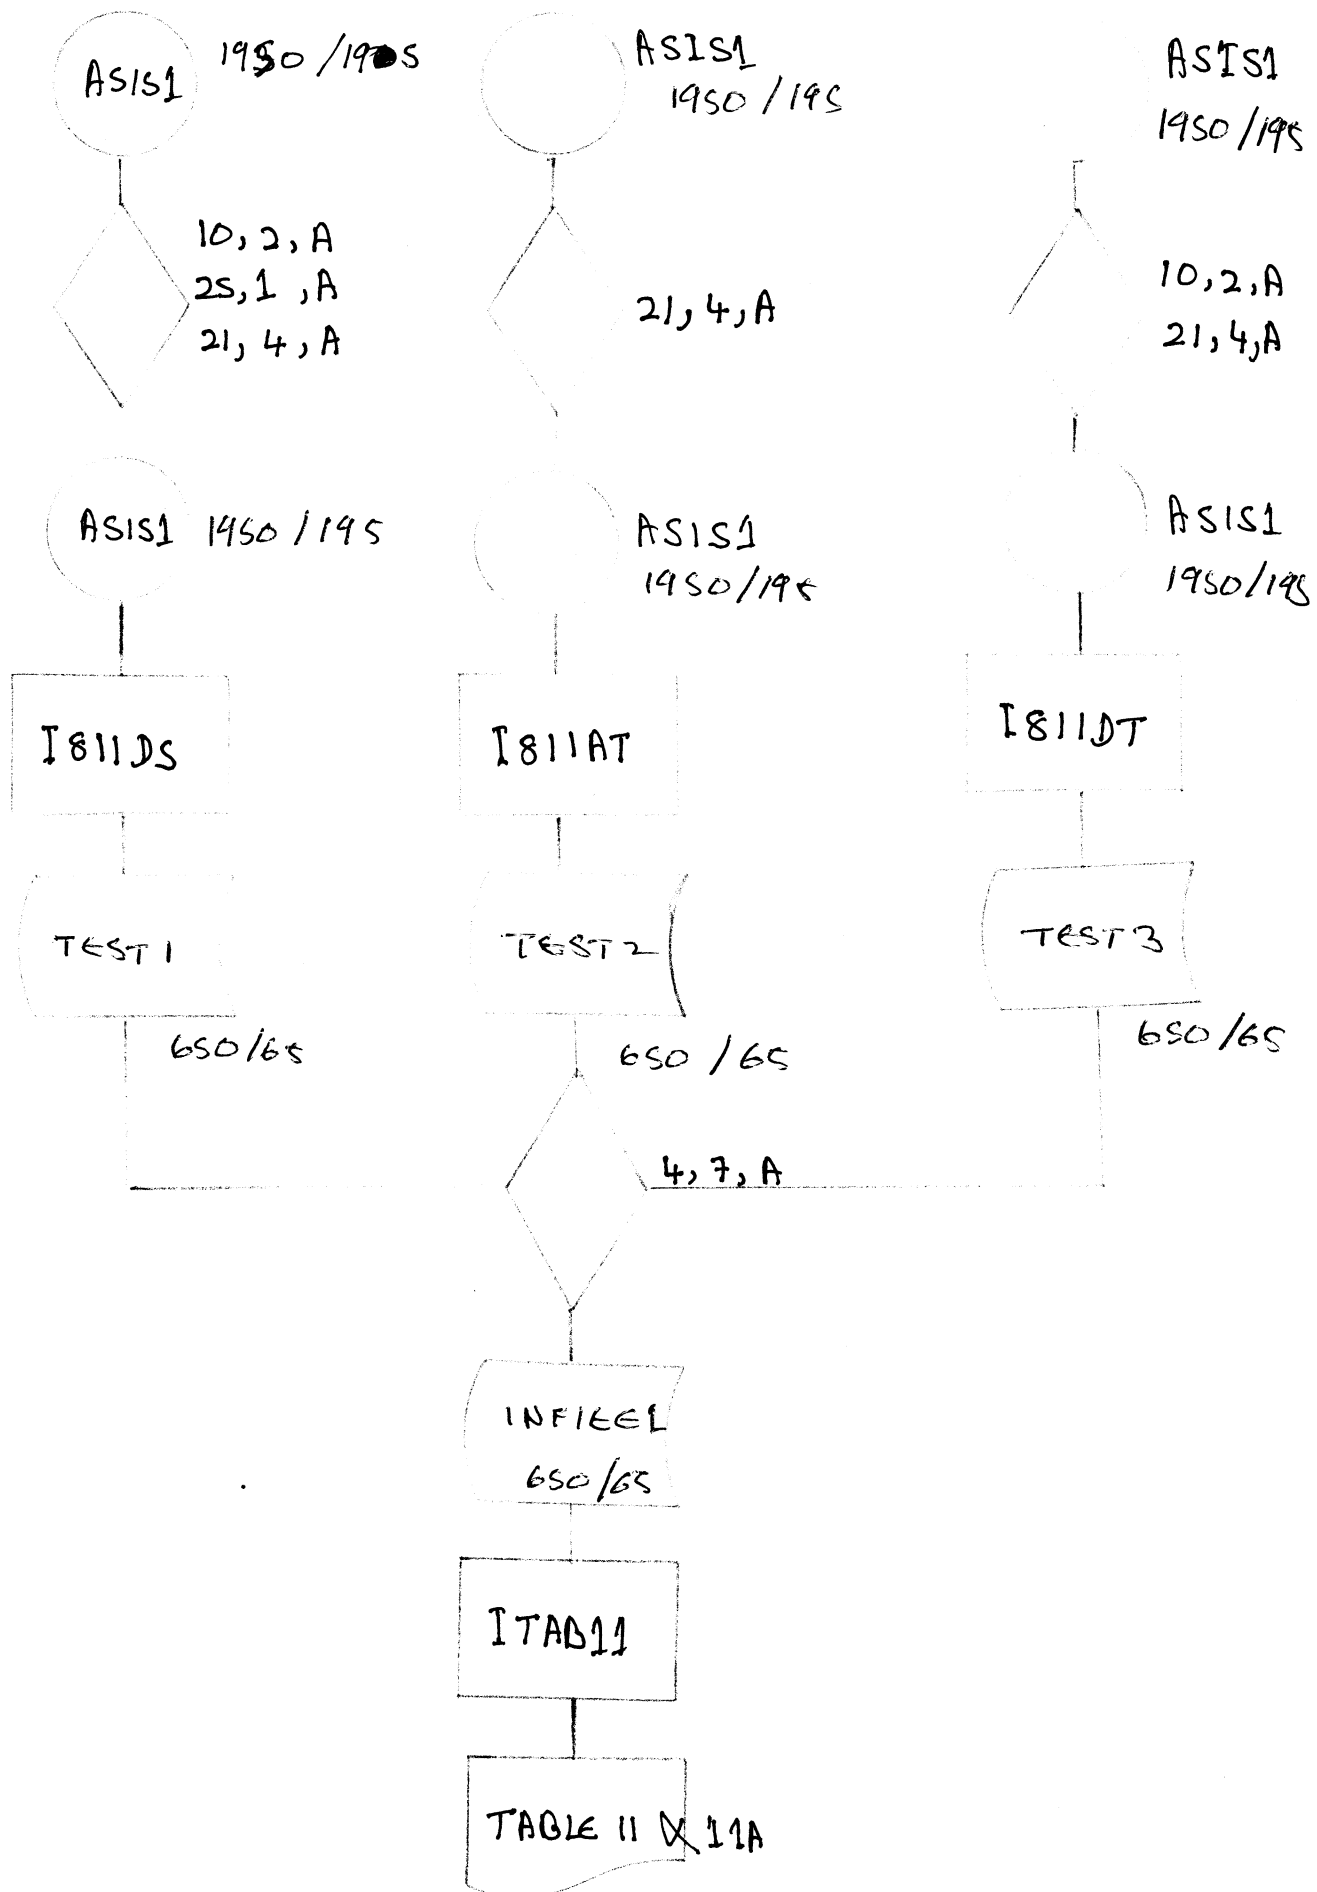

Table 20

Earnings of Employees by Nature of Employment Sectors and Industry.
