Responsiveness Survey***

Responsiveness Section

January 2001

KEY SURVEY INSTRUCTIONS FOR THE SURVEY

- ◆ We would appreciate you participating as a one of 5000 respondents in the survey on the health system in your country. The information you provide will contribute to the work of the United Nations in Kyrgyzstan's health system.
- ◆ We invite you to answer the questions of this questionnaire. All information about you or your family will be kept confidential.
- ◆ The questionnaire is sent to your household. The person to answer should be 18 years or older and whose birthday is the closest to the current date.
- ◆ You will sometimes skip over some questions in the questionnaire. In those cases you will see an arrow with a note that tells you what question to answer next, like this:
 - ☒ Yes ➔ Go to Question 1
 - ☐ No
- ◆ If you want to know more about this study, please call Siar-Bishkek, phone numbers (312)220833, 210925 or Ms L. Bendib at WHO: + 41 22 791 38 40

Please, answer all the questions by circling the letter as appropriate to your opinion.

OVERALL HEALTH

1. How would you evaluate the condition of your health today?
A Very good
B Good
C Satisfactory
D Bad
E Very Bad
2. Considering different aspects of your own health today as you indicated it earlier, please indicate by drawing an arrow where would you place yourself on this scale.

SEEING HEALTH CARE PROVIDERS

3. Have you received any health care in the last 12 months? (Including visits to local doctors for any minor reason. In case if you are a doctor, do not consider treating yourself.)
 ~ Yes
 ~ No → Go to Question 50

 Name: _____
8. Was the place you indicated in Question 7 your usual place of care if you have a usual place of care?
A Yes
B No
C Not applicable

9. In the last 12 months, when you wanted care, how often did you get it as soon as you wanted?

- A** Always
- B** Usually
- C** Sometimes
- C** Never

10. In the last 12 months, how long did you usually have to wait for care from the time that you wanted it to the time that you received it? Indicate the waiting time in one of the spaces below.

_____ minutes
_____ hours
_____ days
_____ weeks
_____ months

11. In the last 12 months, have you needed any laboratory tests or examinations? For instance, blood tests, scans or X-rays.

- ~ Yes
- ~ No → Go to Question 13

12. How long did you have to wait to get the results laboratory tests or examinations done?

- A** Got them the same day
- B** 1-2 days
- C** 3-5 days
- D** 6-10 days
- E** More than 10 days (specify) _____

13. Overall, how would you evaluate your experience of getting prompt attention at the health services in the last 12 months?

- A** Very good
- B** Good
- C** Satisfactory
- D** Bad
- E** Very bad

14. In the last 12 months, when you sought health care, how often did doctors, nurses or other health care providers treat you with respect?

- A** Always
- B** Usually

- C** Sometimes
- C** Never

15. In the last 12 months, how often did the health care office staff, such as receptionists or clerks there, treat you with respect?

- A** Always
- B** Usually
- C** Sometimes
- C** Never

16. In the last 12 months, how often was your privacy respected during physical examinations and treatments that no one can disturb you?

- A** Always
- B** Usually
- C** Sometimes
- C** Never

17. Overall, how would you evaluate your experience of being treated with dignity at the health services in the last 12 months?

- A** Very good
- B** Good
- C** Satisfactory
- D** Bad
- E** Very bad

18. In the last 12 months, how often did doctors, nurses or other health care providers listen carefully to you?

- A** Always
- B** Usually
- C** Sometimes
- C** Never

19. In the last 12 months, how often did doctors, nurses or other health care providers, explain your problems in a way you could understand?

- A** Always
- B** Usually
- C** Sometimes
- C** Never

20. In the last 12 months, how often did doctors, nurses, or other health care providers give you

opportunity to ask questions about your health problem or treatment?

- A** Always
- B** Usually
- C** Sometimes
- C** Never

21. Overall, how would you evaluate your experience of health care providers' attitude to you in the last 12 months?

- A** Very good
- B** Good
- C** Satisfactory
- D** Bad
- E** Very bad

22. In the last 12 months, were any decisions made about your care when you went for health care (for example, treatment, giving you drugs or making tests)?

- ~ Yes
- ~ No → Go to Question 24

23. In the last 12 months, how often did doctors, nurses or other health care providers involve you, taking into account you desire, to take part in deciding about the care, treatment or tests?

- A** Always
- B** Usually
- C** Sometimes
- C** Never

- A** Always
- B** Usually
- C** Sometimes
- C** Never

25. Overall, how would you evaluate your experience of getting involved in making decisions about your care or treatment in the last 12 months?

- A** Very good
- B** Good
- C** Satisfactory
- D** Bad
- E** Very bad

26. In the last 12 months, how often were talks with your doctor, nurse or other health care provider done privately so no one could hear it?

- A** Always
- B** Usually
- C** Sometimes
- C** Never

27. In the last 12 months, how often did your doctor, nurse or other health care provider keep your personal information confidential? This means that no one could find out about your medical conditions.

- A** Always
- B** Usually
- C** Sometimes
- D** Never
- E** Don't Know

28. Overall, how would you evaluate your experience of the way the health services kept information about you confidential in the last 12 months?

- A** Very good
- B** Good
- C** Satisfactory
- D** Bad
- E** Very bad

29. Over the last 12 months, did you have problems with the doctors, nurses and other health care providers available to you, if any, was it to get a health care provider you were happy with?

- A** No problem
- B** Mild problem
- C** Moderate problem
- D** Severe problem
- E** Extreme problem

30. Over the last 12 months, did you have problems to get to use other health services other than the one you usually went to?

- A** No problem
- B** Mild problem
- C** Moderate problem
- D** Severe problem
- E** Extreme problem
- F** Not applicable-never tried

31. Overall, how would you evaluate your experience of being able to use a health care provider or service of your choice over the last 12 months?

- A** Very good
- B** Good
- C** Satisfactory
- D** Bad
- E** Very bad

32. Remembering the places you visited for health care in the last 12 months, how would you evaluate the general conditions of the waiting room, for example, space, seating and fresh air?

- A** Very good
- B** Good
- C** Satisfactory
- D** Bad
- E** Very bad
- F** Not applicable – visited in my home

33. Remembering the places you visited for health care over the last 12 months, how would you evaluate the cleanliness of the place?

- A** Very good
- B** Good
- C** Satisfactory
- D** Bad
- E** Very bad
- F** Not applicable – visited in my home

34. Overall, how would you evaluate the quality of the surroundings, for example, space, seating, fresh air and cleanliness of the health services you visited in the last 12 months?

- A** Very good
- B** Good
- C** Satisfactory
- D** Bad
- E** Very bad
- F** Not applicable – visited in my home

CARE AT PLACES YOU STAY OVERNIGHT

35. Have you stayed overnight in a hospital in the last 12 months?

~ Yes

~ No → Go to Question 50

36. What was the name of the hospital you stayed in most recently?

37. Did you get your hospital care as soon as you wanted?

~ Yes
~ No

38. When you were in the hospital, how often did you get attention from doctors and nurses as quickly as you wanted?

- A** Always
- B** Usually
- C** Sometimes
- C** Never

39. Overall, how would you evaluate your experience of getting prompt attention at the hospital in the last 12 months?

- A** Very good
- B** Good
- C** Satisfactory
- D** Bad
- E** Very bad

40. ~ Very bad
Overall, how would you evaluate your experience of being treated with dignity at the hospital in the last 12 months?

- A** Very good
- B** Good
- C** Satisfactory
- D** Bad
- E** Very bad

41. Overall, how would you evaluate your experience of how well health care providers treated you during your stay in the hospital in the last 12 months?

- A** Very good
- B** Good
- C** Satisfactory
- D** Bad
- E** Very bad

42. Overall, how would you evaluate your experience of taking part in making decisions

about your care or treatment when you were in hospital in the last 12 months?

- A** Very good
- B** Good
- C** Satisfactory
- D** Bad
- E** Very bad

43. Overall, how would you evaluate your experience of the way the hospital kept personal information about you confidential in the last 12 months.

- A** Very good
- B** Good
- C** Satisfactory
- D** Bad
- E** Very bad

44. Overall, how would you evaluate your experience of being able to use a hospital of your choice over the last 12 months?

- A** Very good
- B** Good
- C** Satisfactory
- D** Bad
- E** Very bad

45. Overall, how would you evaluate the conditions of the surroundings, for example, space, seating, fresh air and cleanliness of the health services you visited in the last 12 months?

- A** Very good
- B** Good
- C** Satisfactory
- D** Bad
- E** Very bad

hospital allow you to practice your religious or traditional observances?

- A** No problem
- B** Mild problem
- C** Moderate problem
- D** Severe problem
- E** Extreme problem

48. Overall, how would you evaluate your experience of how the hospital allowed you to communicate with your family, friends and also to continue your social and/or religious customs during your stay over the last 12 months?

- A** Very good
- B** Good
- C** Satisfactory
- D** Bad
- E** Very bad

49. Please check with either a yes or no for each question. In the last 12 months were you treated badly by the health system or services in your country because of your:
(Check all that apply)

- | Yes | No |
|-----|-----------------------------|
| ~ | ~ Nationality |
| ~ | ~ Social class |
| ~ | ~ Lack of private insurance |
| ~ | ~ Colour |
| ~ | ~ Sex |
| ~ | ~ Language |
| ~ | ~ Religion |
| ~ | ~ Political/other beliefs |
| ~ | ~ Health status |
| ~ | ~ Lack of wealth or money |
| ~ | ~ Other (specify)_____ |

50. In the last 12 months, were there cases when you did not seek health care because you could not afford it?

~ Yes

~ No

51. Please, read the cards below. Here descriptions are given of some different ways the health care services in your country show respect for people and make them the centre of care. To your opinion which is the most important and the least important taking into account what is on these cards and the whole health system?

DIGNITY

- ◆ respectful attitude
- ◆ having physical examinations conducted in privacy

- ◆ being involved in deciding on your care, treatment if you want to
- ◆ having the provider ask your permission before starting treatments or tests

CONFIDENTIALITY OF INFORMATION

- ◆ having your medical history kept confidential
- ◆ having talks with health providers done so that other people can't overhear you

SURROUNDINGS OR ENVIRONMENT

- ◆ having enough space, seating and fresh air in the waiting room
- ◆ having a clean facility (including clean toilets)
- ◆ having healthy and edible food

CHOICE

- ◆ being able to choose your doctor or nurse or other person usually providing your health care
- ◆ being able to go to a place for health care if you want to

SOCIAL SUPPORT

- ◆ the provision of food and other gifts by relatives
- ◆ freedom of religious practices

PROMPT ATTENTION

- ◆ there is a reasonable distance and travel time from your home to the health care provider
- ◆ to get fast care in emergencies
- ◆ to have short waiting times for appointments and consultations, and get tests done quickly
- ◆ short waiting lists for non-emergency surgery

COMMUNICATION

- ◆ the provider listens to you carefully
- ◆ the provider explains things so you can understand
- ◆ you have time to ask questions

MOST IMPORTANT _____

LEAST IMPORTANT _____

AUTONOMY

ABOUT YOU

52. Age
_____ Years
53. Sex
~ Male
~ Female
54. Were you born in Kyrgyzstan?
~ Yes
~ No
55. Were both your parents born in Kyrgyzstan?
~ Yes
~ No
56. How many years have you spent for your education (including primary school, secondary school and higher education)?
_____ **years**
57. Your income monthly/net?
~ less than 700 som
~ 701- 900 som
~ 901- 1200 som
~ 1201- 1500 som
~ 1501- 2000 som
~ 2001- 3000 som
~ 3001- 4000 som
~ more than 4001 som
~ do not know /refusal
58. There are different types of places you can get health services listed below. Please can you indicate the number of times you went to each of them in the last 30 days.

Times

- _____ General Practitioners
- _____ Dentists
- _____ Specialists
- _____ Physiotherapists
- _____ Chiropractors

- _____ Traditional healers
- _____ Clinic (staffed mainly by nurses, operating separately from a hospital)
- _____ Hospital outpatient unit
- _____ Hospital inpatient services
- _____ Pharmacy (where you talked to someone about your care and did not just purchase medicine)
- _____ Home health care services
- ~ Other (specify)

59. Are there any public or private health insurance funds covering your visits to doctors or other health care services for outpatient visits?
~ Yes
~ No
~ Don't Know
60. Are there any public or private health insurance fund covering your hospital care?
~ Yes
~ No
~ Don't Know

CONSIDER THE FOLLOWING SCENARIOS

61. Dr Johnson is treating Mark. It seems Mark to be suffering from a rare illness. The press demands that Dr Johnson to reveal the information about his patient illness. However, Dr Johnson is not going to tell it.

How would you evaluate Mark's situation of how the health services kept information about him confidential?

~ Very good
~ Good
~ Satisfactory
~ Bad
~ Very bad

62. Last year Shedra had to be hospitalised to operate her hip. There was a separate room for her with an attached bathroom in the hospital had. The hospital staff cleaned the room twice a day and the sheets were changed daily. The bed was comfortable. Shedra could walk in the garden of the hospital.

How would you evaluate the overall conditions of Shedra in the hospital, for example, space, seating, fresh air and cleanliness of the health services?

~ Very good
~ Good
~ Satisfactory
~ Bad
~ Very bad

63. Alioune went to hospital to consult the doctor about some symptoms he was worrying about. The reason for his worries was his recent contact with a prostitute. There were many people in the waiting room. Alioune met some of his friends there. The doctor's room was in a some distance from the waiting room. A patient had to go along the corridor when it was his turn to see the doctor. Alioune went in and told everything to the doctor. The doctor ordered some tests and advised him about safe sex.

How would you evaluate Alioune's situation of how the health services kept information about him confidential?

~ Very good
~ Good
~ Satisfactory
~ Bad
~ Very bad

64. José spent a week in a local hospital as he had high temperature. The room was clean but small and the toilet was a few metres away down the corridor. It was summer and he felt hot and he brought a table fan from home.

How would you evaluate the overall conditions of José in the hospital, for example, space, seating, fresh air and cleanliness of the health services?

~ Very good
~ Good
~ Satisfactory
~ Bad
~ Very bad

65. Last month Hans had an eye operation in a local polyclinic. He was in a room together with four others. There were no dividers between beds. He had a small locker to keep his things. He used a common toilet which was cleaned only every other day.

How would you evaluate the overall conditions of Hans in the hospital, for example space, seating, fresh air and cleanliness of the health services?

~ Very good
~ Good
~ Satisfactory
~ Bad
~ Very bad

66. Ben is having high temperature for a long period and his doctor orders a number of tests. The test results are brought to the ward from the laboratory. The nurse who is busy with other patients leaves the results on the table where they are seen by Ben's neighbour.

How would you evaluate Ben's situation of how well the health services kept information about him confidential?

~ Very good
~ Good
~ Satisfactory
~ Bad
~ Very bad

67. Every month Albert sees his doctor in his office for his diabetes. Doctor has an office where there are comfortable chairs in the waiting room and clean toilets. The room is well lit and there are magazines and booklets to read while waiting.

How would you evaluate the overall conditions of Albert in the hospital, for example space, seating, fresh air and cleanliness of the health services?

- ~ Very good
- ~ Good
- ~ Satisfactory
- ~ Bad
- ~ Very bad

68. Simon went to the hospital to consult the doctor about some symptoms he was worrying about. He wanted to know whether they were connected with his recent heavy drinking. There were many people in the waiting room. Simon met a friend and a couple of his neighbours there. The doctor was sitting in an area behind the curtain at the end of the waiting room. Due to the noise in the room, the doctor and Simon had to speak very loudly to each other. The doctor ordered some tests and advised Simon to reduce his drinking.

How would you evaluate Simon's situation of how well the health services kept information about him confidential?

- ~ Very good
- ~ Good
- ~ Satisfactory
- ~ Bad
- ~ Very bad

69. Paul goes to visit Dr Jonathan because he is worried about his drinking problem. Dr Jonathan finds that Paul is suffering from severe stress. Dr Jonathan tells about Paul's visit to their common friend Robert, and asks him to advise Paul as well.

How would you evaluate Paul's situation of how well the health services kept information about him confidential?

- ~ Very good
- ~ Good
- ~ Satisfactory
- ~ Bad
- ~ Very bad

70. Fouad goes to the local public hospital whenever he needs to. The hospital is large and there are many people there. The waiting rooms are noisy and poorly ventilated. In general the hospital is kept clean but the toilets in the outpatient department have unpleasant smell by the end of the day.

How would you evaluate the overall conditions of Fouad in the hospital, for example space, seating, fresh air and cleanliness of the health services?

- ~ Very good
- ~ Good
- ~ Satisfactory
- ~ Bad
- ~ Very bad

71. Roger has AIDS. He has treatment in a general medical ward. The nurse who knows about Roger's HIV illness and worries that her colleagues can accidentally be infected tells the other nurses about it telling them they should keep this information in secret .

How would you evaluate Roger's situation of how well the health services kept information about him confidential?

- ~ Very good
- ~ Good
- ~ Satisfactory
- ~ Bad
- ~ Very bad

72. Malika is not in a good health condition and has to go to the dispensary regularly, where there are many people, there are not enough chairs for people to sit on waiting for the doctor. The corridors are not cleaned regularly and dark and the lights and fans often do not work.

How would you evaluate the overall conditions of Malika in the hospital, for example space, seating, fresh air and cleanliness of the health services?

- ~ Very good
- ~ Good
- ~ Satisfactory
- ~ Bad
- ~ Very bad

73. In the past year Kamal had to spend 3 months in the local hospital as he had a nervous breakdown. He had to sleep on an uncomfortable mattress with no sheets. There were 30 other patients in the same ward. The toilets had unpleasant smell as they were not cleaned. He returned from hospital with a skin infection as he couldn't wash regularly and there were bugs in the bed.

How would you evaluate the overall conditions of Kamal in the hospital, for example

space, seating, fresh air and cleanliness of the health services?

- ~ Very good
- ~ Good
- ~ Satisfactory
- ~ Bad
- ~ Very bad

74. Alma goes to the hospital to take an HIV test. Although only a number system is used to identify the sample, one of the lab employees recognises Alma. The test appears to be positive. The lab employee tells everyone in the village about Alma being HIV positive.

How would you evaluate Alma's situation of how well the health services kept information about him confidential?

- ~ Very good
- ~ Good
- ~ Satisfactory
- ~ Bad
- ~ Very bad
