<p>members of the family who have working ability. Application regarding this issue is submitted by family members approved by notary or representative of local executive power of the region.</p> <p>3. Person representing family submits “Statement about family’s income and property”, copies of documents proving identity of family members, reference from living place about family composition as well as below0given documents if necessary:</p>	<p>which designates pensions and allowances about amount of all type pensions and allowances received by family members;</p> <p>3.5. reference about amount of all kinds of pensions and scholarships received by family members;</p> <p>3.6. Copy of execution sheet from court proving that any of family members pays aliment;</p> <p>3.7. reference from tax inspection about income made on business activities;</p> <p>3.8. copy of ID of family economy member;</p> <p>3.9. reference from military commissariat about any of family members being on actual military service;</p> <p>3.10. copies of relevant documents about land plots which are property or under use by family;</p> <p>3.11. reference from educational institution about paid education received by any of family members;</p> <p>3.12. reference about any of family members being registered at employment centre as unemployed;</p> <p>3.13. copy of contract about property rent</p> <p>3.14. copy of document (ID) of any family member who is invalid, war veteran,</p>	<p>dies or if there changes in family’s composition and icome which may change amount of social assistance or stops it (in these cases when change in payment of social assistance occurs, its designation stops from next month and is revised next month considering income and composition of family);</p> <p>2. if information about reasons which may cause decrease in amount of social assistance or seize its designation is not provided (family’s composition and income) or information provided is not full and correct;</p> <p>3. if social assistance has not been received by family for more than 3 months unreasonably;</p>	<p>family member is 200 000/4 =50.000 manat (10 AZN). It means that each family will get 150 000-50 000=100 000 manat (20 AZN) social assistance. Total amount of social assistance for family will be 100 000x4 (persons)=400 000 manat (AZN).</p> <p>Family’s income from land plot will be calculated by multiplying land’s relevant normative price correspondent to quality group number at land area. For ex., family has 2 hectares of land 1st cadastre. Lets presume that 1 hectare land of 1 st cadastre quality is 1 000 000 manat (200AZN). As this family has 2 hectares of land, income of this family is 1000 000x2=2 000 000 manat (400AZN) And this shows family’s monthly income made on this land during a year.</p>
