MEC Herder Group Number: Questionnaire for Project Herder Group Leader **FINAL**PIU Herder Group Number: MEC Household Number: **INTRODUCTION**

Hello, my name is [list your name] from MEC and MCDS, two survey firms. I am working on a project that is being implemented by the Ministry of Industry and Agriculture and the Millennium Challenge Account, with support from Innovations for Poverty Action. We are trying to learn about the effectiveness of the Peri-Urban Rangeland Project in [name of location]. You have been invited to be a participant in this study. Your participation will assist us greatly and be highly appreciated.

If you agree to participate in this study, we will ask you questions about issues related to the project and about your herder group. The questions should take about [length of survey] to answer.

Would you be willing to participate in this survey? (Surveyor must mark a “yes” or “no” even if the consent is done verbally)

 Yes No (End Interview)

Before we start, I will quickly describe your involvement in this study. Participation in this study is completely voluntary. You may refuse to answer any of the questions and you may stop me at any time to ask questions or to end the interview completely. Also, your participation in this study will be confidential. Your name and any other identifying information will be accessible only to the employees of the company conducting the survey and researchers working with the data. For example, your name or any information that could be used to identify you will never appear in any reports or publications.

Do you understand these conditions and are you still willing to participate? (Surveyor must mark a “yes” or “no” even if the consent is done verbally)

 Yes No (End Interview)  
Name of Respondent  
Signature of Respondent (if present)  
Date  
Signature of Investigator  
Date

You may contact the research organization at the phone number below with any problems or questions you may have. We will leave a copy of this consent form with you for your records, if you would like one.

For concerns after the interview, please contact Innovations for Poverty Action at **9500-6365**.
