INTRODUCTION: Hello, I am from Markinor. We are carrying out the South Africa part of a world-wide study of what people value in life. This study will interview samples representing most of the world's people. You have been selected at random as part of a representative sample of the South African public. I would like to ask your views on a number of different subjects. Your help will contribute to a better understanding of what people all over the world believe and want out of life.
