info_note1	ENUMERATOR: Introduce yourself and read the following text to the respondent: We would like to invite you to take part in the research on the "SURE-P Maternal and Child Health Initiative in Nigeria". The purpose of this study is to improve the delivery of maternal and child health, with the ultimate aim to reduce infant and maternal morbidity and mortality in Nigeria. You have been chosen to participate in this research because a primary health facility in this community is participating in the SURE-P MCH program. Your participation in this research will consist on answering a set of questions about events that have recently happened in your community, your community economic and social conditions, the management, equipment and human resources of the Primary Health Centre, and the relationship between the Primary Health Centre and the community. You are at liberty not to answer any questions that you feel uncomfortable with or to withdraw from the study at any time, or to withdraw any data that you might have already provided without providing an explanation. Withdrawing from the study will not affect any future benefits, care, education or employment possibilities in the future. The Information that you provide will be confidential and might be made available to other researchers for related studies to this one but only in a fully anonymized way and only for the purpose of research. This research has been approved by the National Health Research Ethics Committee, approval number NHREC/01/01/2007, valid until Aptil 16, 2015, and The Ethics Committee of University College London (reference: 1827/004). If you have any questions about this research or your rights as research participant, you should address them to: Dr. Sidi–Ali Imam Mohammed MCH/SURE-P Nhealth facilityDA 1, Mubi Close, Area 11, Garki e-mail: sidialimohammed@yahoo.com Tel. +234-8031973001 NHREC Administrative Officer

info_note2	ENUMERATOR PLEASE READ THE CONSENT FORM:		
	Having sought permission from the community, on behalf of the community, I exercise the authority vested in me, consent and agree that we will participate in the research being conducted on the "SURE-P Maternal and Child Health Initiative in Nigeria". The research information sheet has been availed to me.		
	On behalf the community, I acknowledge that we have been provided with a satisfactory explanation of the research, aims and objectives, and methods; and I agree to take part in the research.		
	I also understand that:		
	• Information that the community provides will be confidential and will not identify or connect anyone to the study or be disclosed to anyone, within the limits of the law.		
	• The data collected by the researcher will be stored in a secure manner.		
	• The data will not be available to any other persons except for the purpose of research.		
	• The community is at liberty not to answer any questions that are disconcerting; or to withdraw from the study at any time, or to withdraw any data that might have already been provided without providing an explanation. Withdrawing from the study will not affect any of my future benefits or those of the community.		
	• The information the community will provide is for the purpose of research only.		
	• The research the community is participating in has been approved by the National Health Research Ethics Committee, approval number NHREC/01/01/2007, valid until April 16, 2015.
